# President's Message

Well, this is it.

By the time you read this the kids will have seen their last movie of the season and had their last swim lesson. All that is left are the Novelty Tennis tournament on Saturday and Sunday August 15th and 16th and the VB annual meeting taking place in the clubhouse at 11 am Sunday August 16th.

All things considered; this has been a very successful summer. The weather has been incredible, and we were able to offer most of the same programming as we have in the past. I want to thank each and every one of our Beach Club members for your patience and understanding, and most importantly, your support this summer. Even through June when we weren't sure what activities would be offered, people continued to purchase

memberships. That was great to see. I also want to once again thank our event convenors. Without their time and effort these events just wouldn't happen.

You may be aware of the new campaign "Let's Rally for the Future" that kicked off a couple of weeks ago. This is a capital campaign to raise \$400,000 for a complete rebuild of the tennis courts, kiosk, and space between the courts. The courts will soon be at a point where resurfacing will not be possible, making a rebuild necessary. Thanks to the committee that is taking charge of this project. It is an outstanding and dedicated group. Check out [victoriabeachclub.com/tennis](http://victoriabeachclub.com/tennis) for more details

If I don't see you on weekends, have a safe and healthy winter and hopefully we will be back strong for 2021.

Dave Wilson, VB Club Treasurer

# Council Corner

As the days are getting noticeably shorter and the temperature more manageable, it is important not to get complacent with Covid-19 protocols. This past long weekend saw 27 new cases in Manitoba with an additional 30 on Thursday. Let's do everything we can to prevent the spread of this virus from reaching our community. If your family makes the decision to wear a mask, everyone in the family unit must follow suit. Masks should be used whenever in a public space, especially indoors. It is also vitally important that the nose of the person wearing the mask is covered as well as the mouth. If your nose is exposed, the mask is not effective.

As a result of the continued threat that Covid-19 poses to the community, Council is continuing to maintain its virtual meetings, and will continue to do so until otherwise posted. This is to protect everyone involved, our admin staff, Council and our residents. This is not to diminish the importance of having meetings in the RM, but at this time Council feels the risk is too great to host a meeting with a live audience. If there is need to have a delegation with council, please notify the office 7 days in advance of the meeting. Arrangements can be made by calling 204-774-4263 or emailing [vicbeach@mymts.net](mailto:vicbeach@mymts.net).

On the brighter side of life, the bear resistant bins have been shown to be exceptionally effective at preventing

the animals from gaining access to the contents of such bins. However, not only are the normal bins far less effective (if at all), but simply leaving the garbage bag on the side of the road does not prevent access to the refuse. Remember, every time the RM is left to clean up litter, the RM's costs go up. Residents can sign up for bear resistant bins by contacting Councillor Bartmanovich at [mbartmanovich@victoriabeach.ca](mailto:mbartmanovich@victoriabeach.ca).

Residents are also reminded that the RM of Victoria Beach does not have recycling pick up. Recycling must be brought to the Public Works Yard. When there, be sure to separate glass from your recycling or we must sort the bin out. This costs us all through higher taxes.

Residents are asked to order their Civic Street Signs by going to the RM website ([rmofvictoriabeach.ca](http://rmofvictoriabeach.ca)) or searching "RM of Victoria Beach street signs" in your browser. These signs help to ensure that if there is an emergency at your residence, emergency services are able to find you. There have been several instances where this has proven to be extremely problematic causing the responders to look for a cabin for lengthy periods of time.

It has been some time since the RM has had a

# About the Victoria Beach Herald

One of the longest continuously publishing community newspapers in Canada, now in our 95th year, the Victoria Beach Herald is a service of the Victoria Beach Club. The Herald prints nine issues each summer on Fridays from late June to mid-August. The Herald welcomes submissions from readers focused on family events, beach happenings, community issues, etc. Letters to the Editor are always welcome: they must be signed with the author's name and be written with the understanding that many people read the Herald, including youngsters.

Submissions should be sent via email to [vbherald@shaw.ca](mailto:vbherald@shaw.ca). Those without access to email can place written submissions in the VB Herald mailbox behind the cash counter at the Victoria Beach General Store. Submission deadline is 4PM Fridays except for VB Club event convenor submissions for events occurring on weekend days.

To support pandemic safety measures, the Herald is now available via newspaper boxes placed outdoors at the Parking Lot, the Golf Course, and the Village Green.

significant rain fall, and we are once again, for the fourth straight year, in a drought. As climate change continues to bear down on our community, we should recognize the fire risk around us. The exceptional use of the brushing program ensures that we are able to remove much of the fuel around us. However, we can always do more to protect the community and at the same time beautify our homes. Removing coniferous trees (evergreens) and replacing them with deciduous trees (leafy), and planting them at least 10 feet away from your property is one of the most important things we can do as a community. But the best part is that we are able to choose drought hearty trees that are not nearly as effected by these dry conditions. For this reason and others, Council asks that you visit the [firesmartcanada.ca](http://firesmartcanada.ca) and see what you can do to help protect yourself and your community. Let's all do our part to ensure that our community stands for generations to come!

Due to the risk of fire and any other major emergency that can occur in the RM, Council has implemented the Connect Communication System. We ask that you sign up at your earliest convenience and tell your friends about it. If there is a municipal wide emergency, important communication, or evacuation order, Connect will contact you via all the methods you sign up for such as email, text, or direct phone. As the system evolves, we will have the ability to tell you exactly what to do and where to go based on your location in the RM. You can sign up for Connect by calling into the RM office at 204-774-4263 or accessing the form on our website [rmofvictoriabeach.ca](http://rmofvictoriabeach.ca). You can also search the link directly via your standard browser by searching "RM of Victoria Beach Connect".

Finally, Council would like to thank all the frontline workers who are working hard to protect our community from Covid-19. You are an inspiration to us all, and we cannot thank you enough!

## VBPS...APB

Well we were able to hand out all our Ice Cream tickets to kids practicing bike safety by wearing their helmets. Way to go kids, keep up the good work!

Here are some stats for the month of July:

Total calls for service are 251. These include Public Relations for our ice cream tickets, Mischief, Impaired, Hi-way traffic act, By-law offences which include noise, dogs, fireworks, and fires.

Thanks to people who have supported the Victoria Beach Police Service by purchasing mugs, water bottles, and shirts. We will be donating a portion of these proceeds once the cottage season has ended.

Summer is ending and the Victoria Beach Police members want to thank you all for keeping your community safe through this difficult time.

The Victoria Beach Police Service will continue to serve and protect all within in the R.M. of Victoria Beach. Safety is our primary objective and we encourage people to call and report all incidents.

Thank you, merci and miigwech,

Chief Clarke

The VB Country Market is located in the parking lot of the Victoria Beach Community Centre (VBCC). The centre is located on Highway 59N and Ateah Road and operates from 10:00 am to 1:00 pm. Saturdays until September 5th.

We are continuing to welcome new vendors weekly and lose others. Chris Fontaine – fish vendor -- is done for August – we may see him back on the long weekend but no definite plans as of this writing. The Veggie Wagon from St. George is not in operation this summer so if anyone knows of someone looking to sell vegetables or corn please send them to [vbcountrymarket@gmail.com](mailto:vbcountrymarket@gmail.com). All the volunteers and vendors are on the look out for more vendors especially for vegetables and fresh fish.

The COVID protocols remain in place with sanitization stations at the entrance and exit and within the market and one-way traffic flow throughout the market area. Thank you to all vendors and customers for cooperation during these times. We have received lots of compliments on this organization so it will continue into future years. Thank you for the feedback!

All market fees and breakfasts sold assist to keep the community centre in operation. With monthly expenses around \$5,000 the success the market and breakfasts has experienced this summer has helped tremendously.

As previously mentioned, the new playground is being built later this summer and will be located behind the skateboard park. Many area children will enjoy the SAFARI themed playground area and hopefully it will be set up for next year's market. Thanks again to the fundraising efforts of this committee.

East Beaches Animal Shelter welcomed much success when they were at the market July 25th and August 1st so on their behalf – Thank You for the support. The Victoria Beach Police have been at the market fundraising for a number of community causes.

Donations are welcome for the Merry Makers fall rummage sale. The Merry Makers are hopeful the COVID numbers will continue downward so we can all enjoy the rummage and book sale September 25, 26 and 27th. There is a drop off beside the club or call or text Lynn at 204-754-7557.

The Victoria Beach Community Centre will also be open for breakfast Saturdays from 9:00 am to Noon. Please join us.

For more information, contact at [vbcountrymarket@gmail.com](mailto:vbcountrymarket@gmail.com) or check out [www.vbcommunitycentre.com](http://www.vbcommunitycentre.com).

See you at the Victoria Beach Community Centre.

Our annual Gran Fondo / Gran Colazione had to be adjusted this year. Social distancing and family, cohort bubbles were needed. Besides missing the pancakes, we missed many of our out of province, out of country and off-shore friends.

A number of our riders participated in the Lake Winnipeg Foundation "Bike to the Beach" event. We would like to thank all who participated

as well as those who generously donated to this worthwhile cause.

Our rides will continue through the fall with the start time adjusted to 09:00 last week and 10:00 on Labour Day Monday. # Library News

Hey VB,  
 We had a great book club meeting last week; it was so fun to get to know the kids in the book club. We read "A Wrinkle in Time." Thanks to everyone who has donated to the library, it is much appreciated. Also, a big thanks to the Cinnamon Bun book club for donating some of their favourite books in honour of Rosemary Scurfield.

Please try to return your books for August 16th or before then, since that is the last day the library will be open this summer. If you can't do it before then put your books through the book slot in the door.

# ~ Letters to the Editor ~

Many of us walk past 5th Ave & Arthur & admire the gorgeous flowerbed (the anonymous person who has planted & maintained this bed for several years also deserves our appreciation); but in the past couple of weeks, the decomposed rail ties have been removed and replaced by a renewed flower bed support that enhances the beauty of this corner!! Much deserved thanks &

recognition to Danny Gibson who took on this beautification project at his own expense & time! Not an easy job during the July heatwave for Danny & his enthusiastic assistant & father David!! Kudos to both of them for their contribution to the VB community!!! Thank You.

Carole McGetrick,  
126 - 6th Ave.

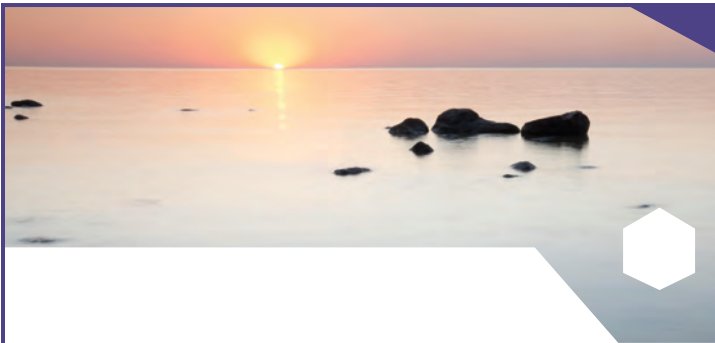

This week, four generations of the Gibson family worked together to replace the rotten railroad ties that border the garden bed at the intersection of Fifth & Arthur. Thanks to Barb Duke and Evelyn Russel who work hard to maintain the beautiful garden year after year.

The Gibson Crew:

- John Gibson - 95
- David Gibson - 64
- Danny Gibson - 34
- Nash Gibson - 2 (supervisor)
- Dominique Messier, 201 Fifth Avenue

We would like to express our gratitude to all those who were involved in planning and running the Victoria Beach Club kid's activities this year. We would also like to particularly thank the swimming team for running the swim lessons and races. Great job everyone!

# Tennis News

Hello everyone, the weather has been great! The last special event for tennis is this weekend. The Novelty Tennis Tournament hosted by my friend Frank Manning. Everyone in the tournament I'd like to say best of luck and enjoy. The Peter Duke Trophy has a special place in my memories. This is the only trophy that Hilda and I both have our name on.

Below are reminders for the tennis COVID practices for players:

- Keeping six feet apart from other players
- Arriving to your game as close to the court time as possible
- Avoiding handshakes
- Avoid any social gatherings before or after your game
- Remember to wash your hands before playing
- Do not share racquets with anyone else

On a personal note I'd like to thank the following people that have contributed their time and abilities to the tennis club this year:

John Heppenstall  
 Tam Scott  
 Robert Kennedy  
 Geoff Kirbyson  
 Chris Edwards  
 Arabella Zeilstra  
 Meghan Pidskalny  
 Jack Filuk-Scott  
 Christopher Derksen

Josh Peacock  
 Dana Plett  
 Stino Siragusa  
 Rex Neuendorff  
 Greg Loader  
 Suzy Blunderfield  
 Dave Wilson  
 Cathy Bizruchak

 Yvette Wilson

The season is ending August 16th so no Court Attendants starting August 17th. So please follow non attendant rules posted at the courts. Special thanks to Dana Plett my co-convenor for her help this year couldn't have done it without you. Dana will be following her career goals next year. Until next year have a great fall and winter. # 2020 VB Youth Soccer Tournament

1st Place AAA Warriors

In a late addition to the 2020 Victoria Beach Club activities calendar, the Youth Soccer Tournament took place on Monday, August 3 at the sports field. There were not enough kids this year to run a separate Squirt Division so the squirts joined the older kids in the Youth Division. We had three teams of 10 players each and so were able to play longer and more competitive matches. The tournament was a round robin and the games were very close, with the last match between the two undefeated teams ending in a 5-4 victory for the AAA Warriors over Green Extreme. It was a beautiful day and we were done before noon, leaving more than enough time to jump off the pier, watch the tennis finals, go to the beach, catch the Jets game and enjoy the last day of the August Long Weekend. Congratulations to all the players for a great tournament, and thanks to the rec staff for painting the fields, bringing the supplies and reffing the games. See you all next year!

# VB Club Raffle Results

The weather was perfect for Raffle 2020! We were hoping for a great turnout as this was our only Club fundraiser this summer - and WOW the VB community did not disappoint! We raised just over \$8,000 to support Club activities. THANK YOU!

We would like to extend thanks to Karissa Bowden for her help organizing the prizes and for her work wrapping them up. Also, thanks to Trevor Bowden and Dan Blunderfield for their help with set up. Thank you to the Rec Staff for helping with set up and take down and for selling tickets!

A huge shout out and special thanks goes to the crew from 'Eight at the Gate' for their donation of two gift cards to LifeSport and a cycling jersey.

Thanks again to all our prize sponsors (listed below)! Without their generous donations, the raffle would not be possible.

If you'd like to help out with a monetary donation towards raffle prizes in 2021, please don't hesitate to contact us.

Suzy and I have run the raffle for the last three years and would be happy to pass the reigns along to someone else. If you're interested, please let one of us know.

Thanks again everyone, enjoy the rest of the summer!

# VB Community Church *Making a Difference*

Victoria Beach's Community Church has met every summer season at the Beach for almost 100 years. Unfortunately, with the COVID-19 regulations and social distancing requirements currently in place, we will not be able to meet as an interdenominational congregation this summer, at least for the time being. Even though we will be suspending the weekly services this summer, we still plan to make a difference in the community.

During the service each Sunday in July and August, an offering is taken. This is used to pay our expenses such as rent, honorariums for our speakers, etc. At the end of the summer, any remaining funds are allocated to a number of charities – Faith Bible Camp, Wings of Power breakfast program in Pine Falls, and Union Gospel Mission, to name a few.

Even though we will not be holding our services this summer, we will still accept donations in order to continue our support of these worthwhile organizations and programs. In the midst of this pandemic, we know that many of these groups are struggling to meet their financial obligations and any support we can provide would be greatly appreciated. If you would like to donate, please make your cheque payable to the Victoria Beach Community Church, and send it to Box 211, Victoria Beach, MB R0E 2C0. Tax receipts will be issued for all donations in September. A list of organizations the Community Church supported through this year's donations will be included with each tax receipt.

Should things change during the summer, we'll provide updates through the Herald and our Facebook page (Victoria Beach Community Church). Have a safe and healthy summer!

**Launch of VB Tennis Capital Campaign Nets Over \$20,000**

The official launch on the VB Tennis Capital Campaign was a huge success. Thanks to all that stopped by our tent on the village green on Saturday and Sunday of the long weekend to learn about the urgent need to rebuild the tennis courts.

Special thanks to our event chairs, committee members Carol Falkenberg and Carol Loader for organizing the event. Many folks stepped forward and purchased a brick or multiple bricks at \$250 each. In addition, we had some tennis fans step up into the Builder category with personal donations of over \$2000.

The courts are in urgent need of rebuilding. Our ask could be as much as \$400,000. If you would like to make a donation, you can go online to victoriabeachclub.com/tennis, or get a brochure beside the tennis kiosk, fill it out, and drop it into the mailbox on the side of the tournament board.

If you would like to consider a Builder donation of over \$2000, please contact John Heppenstall at 204 229 0777 or email johnheppenstall204@gmail.com.

Thanks to our other committee members that are doing the heavy lifting behind the scenes to make this campaign a success. They include; Greg Daniels, Bill Turk, Greg Thomas, Duane Lucht, Brent Prusak, Bruce Henderson and Alex Lesiuk.

Also a big thank you to Terry Davidson from Global Office Software and Chris Thomas for making the online portion of the campaign a reality.

Stay tuned for progress updates of the campaign in future Herald articles.

John Heppenstall, Chair, Victoria Beach Tennis Capital Campaign.

# Thank You ... From Lake Winnipeg

Thank you to all the local businesses, families, and individuals who participated in the “... for Lake Winnipeg” campaign this summer in support of the Lake Winnipeg Foundation (LWF). Even though we were not able to hold the annual Victoria Beach and District Walk for Water, we were still able to raise a substantial amount for this worthy cause. It was so nice to see all of the creative ways cottagers supported a healthy Lake Winnipeg and we are so grateful for your involvement!

### Bike to the Beach

Participants in this new fundraising event cycled 130 km from Winnipeg to Victoria Beach on Friday, August 7. Organizers ensured the safety of all participants by taking extra precautions, including limiting the number of participants and establishing sanitization measures. However, this did not limit the success of the event – approximately 40 cyclists participated and raised over \$45,000!

A big thank you to all the participating riders who took on this challenge, and to the Bike to the Beach 2020 sponsors: Pollard Family

Foundation, Canada Life, Quadrant Private Wealth, Price Industries Limited, and Spark Power Corp. Special thanks also to the Manitoba Cycling Association for partnering with LWF on this event, to Mountain Bean Coffee for the morning send-off, to Woodcock Cycle Works for their help during the ride, and to the VB Clubhouse for opening its doors to the riders at the end of the event.

### Bid for Lake Winnipeg

This summer also included the first online art auction for LWF. Thank you to all the amazing local artists that donated art for this event. Artists included: Jill Patrick, Robin Jewers, Jane Gateson, Terry Lacosse, Silver Birch Designs, Kal Barteski, Huron Woodwork, Gail Bacosa-Puhawan, William Pura, Lisa Lawrence, Alan Lacovetsky, Mark Blieske, and Alexis Kanu. Thanks also to Saffies for donating the Jets mini fridge.

# COVID-19 NOVEL CORONAVIRUS

## INFORMATION FOR COTTAGE OWNERS

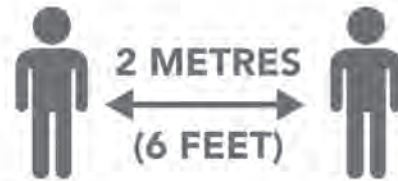

May 12, 2020

Public health officials advise Manitobans to stay home as much as possible to prevent the spread of COVID-19. When people do go out, they should take steps to maintain social distancing.

**If you must travel to your cottage or second residence, follow these guidelines:**

- **Do not travel** if you or any of your family members require medical care or have symptoms of COVID-19 (fever, cough, runny nose, sore throat, shortness of breath or difficulty breathing). If you have any symptoms, use the screening tool at: [www.sharedhealthmb.ca/covid19/screening-tool/](http://www.sharedhealthmb.ca/covid19/screening-tool/) before you travel to see if you need to be tested.
- If you or anyone with you begins to feel ill or experiences COVID-19 symptoms, return home immediately.
- **Do not use** local health providers, unless it is an emergency.
- In the event of a medical emergency requiring evacuation, be sure you can contact local authorities. Emergency contact information varies by region. Ensure you collect and take that information with you before you leave home.
- Public officials have advised people not to travel outside Manitoba, with some exceptions. These rules apply only to travel in Manitoba. Authorities in other provinces control restrictions in those provinces.

For information on any travel restrictions or public health orders in place, visit [www.manitoba.ca/covid19](http://www.manitoba.ca/covid19)

- › Travel with immediate family members who live with you.
- › Do not visit others outside of your immediate family.
- › Maintain a two-metre distance from all non-family members.
- › Wash your hands frequently and thoroughly.
- › Take required prescription drugs and medical supplies.
- › Use local restaurant patios and shop at local businesses, but use curbside or pick-up services where available.
- › Avoid tasks that may result in injury

## Swimming Wrap-up 2020!

When March came by and everything was suddenly in a state of constant flux, we thought there would be no way that we would even have the opportunity to run a swim program this season. We were overjoyed when Suzy texted us at the end of April to see if we could review the May provincial guidelines and see if there was even a possibility to run swimming lessons following these new rules. The thought that we were even considering the possibility gave us a new sense of hope. Then, after reading through the documents, we decided we could make it work! With each new phase and updates, there were changes and new planning to be put in place. A big thank you to all our instructors: Duncan, Finn, Avery, Blake, Kieran and Matthew for being adaptable and for your dedication to the program these past six weeks. You are a fantastic team and great to work with!

A big thank you to all our swimmers for your energy and enthusiasm! You have learned a lot no matter what level you were in. Everyone grew in their abilities; from being able to put your face in the water, blowing bubbles, mastering whip-kick, to now being able to jump off the dock or being able to complete a distance swim. These are all great accomplishments! Keep swimming...never stop learning!

This year's 200m and 800m were huge successes! It was fantastic hearing everyone cheering on the swimmers of all ages and abilities as they challenged themselves to an open water swim...well done!

To all our fantastic volunteers, the Victoria Beach Executive and everyone at Victoria Beach who chose to enroll in the swim program, thank you for your support and making this season a great one!

Take Care and Be Safe!

## Senior Open Tennis Results

Despite the pandemic, this year's Senior Tennis Open was once again Manitoba's largest tennis tournament with 116 participants. The quality of tennis was excellent, and the weather was perfect! Thanks to all of the followers on Twitter that enjoyed the real time updates @vbtenniscub.

Congratulations to Allan Morrish who was the recipient of the Vilas Ansons Award which is presented annually during the Senior Open to the individual that has gone above and beyond in contributing to tennis at VB.

On behalf of John Blair and myself, we would like to thank all the people who made the tournament a success. Thanks to Geoff Kirbyson for his help with the draw. Thanks to the court attendants and all the people that volunteered for the clip-board power hours, including Anne and Frank Manning, Anders Strome, Gord Bell, Mike Lesiuk and Robert Kennedy.

### Here are the tournament results:

Ladies Doubles: Lisa Lucht & Michelle Brownell over Shauna Filuk & Melanie Charbonneau (6-2, 6-2)

## Best Spot in the Lot Raffle Fundraiser!

A reminder that, due to COVID-19, we are putting this on hold for a year.

If you would still like to support our amazing community of front line workers and facilities we would gladly accept a donation. You can drop it off at the Parking Lot, or at 42 Gibson Drive. (Cheques made to the RMVB) Please feel free to contact me on my cell at 204-226-9057.

Just a small reminder while visiting the beaches area ...

Be respectful to yourself, be respectful of others and be respectful of the environment around you. If we all use these simple rules then fun can be had by all. Including our commendable volunteers who continue to keep us safe and save lives.

Sincerely, Jona Green

# VB Yacht Club News

Like a ship setting sail into a fog the Victoria Beach Yacht Club was facing an unclear course heading into this summer. After some good old fashioned dead-reckoning by astute helmsmen with able crew, our bow broke through the haze earlier than expected and we enjoyed a magnificent summer of sailing.

VBYC's Sailing School experienced record attendance in our CanSail programs in which participants of all ages learn to sail Optimist and Laser 2 dinghies. We are exceptionally proud of our Sailing School Coaches Olivia and Andrew Thompson as well as new recruit Reece Campbell. Shout out to Ben Cox who also helped out at the Club and coached with the Sail MB mobile school as well as our Race Committee Dan Derksen and Colin DeGagne (the fellas). For a water dude with a long history of sailing, coaching, volunteering, and dancing on behalf of VBYC, it is very rewarding to witness the young generation of sailors enjoying the sport, giving back to it, and most importantly: being cool.

Our long standing tradition of Weekend Racing is continuing its comeback with a growing fleet and more youngsters getting involved. The flotilla of keelboats is rising with the tide. Kites and windsurfers are shredding while the kayakers and paddleboarders chill. It's still the nicest deck at VB and we make super cool t-shirts (available for purchase at the Moonlight). It's a good time to be at VBYC.

VBYC's membership is at an all-time high and the largest in Manitoba and Northwestern Ontario. We have three representatives on the Board of Directors at Sail Manitoba and several members on the Provincial Sailing Team as racers and coaches. One might say VBYC is on a downwind broad reach at full speed with all available sail hoisted. This is the result of generations of dedication from our volunteer members who are carrying on the effort to promote sailing in the community. Almost all of our members have played a part in the success but several deserve special recognition: Commodore Brad Scott for captaining the

ship, Ryan Van Berkel for running Sailing Schools, Dan 'Shooter' Schott and Jeremy Ritsema for keeping the place together, Fashion Designer Cam Smokey Oliver, Race Crew Willie Reimer and JC DeGagne, and Chris Chipman for his work with our boats along with the Two-Stroke Whisperer Jason Thompson. Also thanks to all the members who took some time to help out, tidy up, toss a guy a cold beverage, and keep the VBYC dream alive.

AJ Tooley, VBYC Treasurer

## 55+ Golf Tournament

We are pleased to announce that the 55+ Golf Tournament will go ahead for the 41st straight year but obviously with modifications. We won't be able to have dinner and hence no silent auction, but we will have an enjoyable day of golf. It will be limited to 72 golfers, 36 for the 9:30 am tee time and 36 for the 1 pm tee time. As always, the entrance fee is free for members and \$15.00 for nonmembers (green fee).

There will be prizes for closest to the line, closest to the hole, putting contest, flight prizes and of course the tournament championship trophy. Nonmembers are only blocked from winning the championship trophy. Nonmembers are required to pay their green fee (cash only) upon signing up to improve social distancing on the day of the event. Signup available starting August 4, 2020. More information to follow.
