Walk for Water: Focus on the McDonald Family

Each summer, the Victoria Beach Walk for Water team of Lake Winnipeg Foundation highlights a local family that has shown long-term commitment the annual Walk. We need a rather large spotlight to capture this year's family-well, more like a Klieg light-those Hollywood high beams that swirl around the sky to let you know that there's a big event shaking. Into our spotlight is the McDonald Family, long-time summer residents, where three generations Walk for Water each year, as well as contributing so much more.

Let's back up the story to the founding generation, Bill and Deanne McDonald. Way back in 1980, they had the great joy of watching their three small children scamper on the beach and splash in the water. Appreciation for all the community had to offer led Bill to serve as president of the Victoria Beach Community Club, which then as now is a big and comprehensive commitment. This led to Bill, an engineer by profession, to being voted in as what was then called 'Reeve' [now mayor] of the Rural Municipality of Victoria Beach. Then as now, local issues were numerous, varied and complex but one challenge came to dominate: drinking water. The VB municipal water system had been established in a simpler time, with standards and volumes that were now outdated. Water quality came into much sharper focus when it became clear that the water of Lake Winnipeg was changing, and not for the better. Bill's legacy is taking the lead in the creation of a new, safe municipal water system that serves the RMVB to this day.

What Bill McDonald learned about the many challenges of Lake Winnipeg's water translated into his appointment as a long-serving and valued member of the Board of Lake Winnipeg Foundation in 2014. Meanwhile Deanne McDonald, freed of the intensity of getting kids to swimming lessons and games and rec jobs, immediately stepped into co-leading the Victoria Beach team for Walk for Water, with friend Sandy McCaig. This activity re-starts literally the day of the Walk, with assessing and planning, note-taking and recruiting for the next year. Somehow, they schemed to keep us safe during Covid, while still facilitating what is Lake Winnipeg Foundation's signature community event for the east side of our troubled lake.

Bill walks in the event every year, now accompanied by a grandchild or two. He still enjoys an hour of his 'quiet time' on the beach. Who doesn't?

And now son Scott McDonald has created another huge signature event for LWF, Bike to the Beach! A lifelong athlete, Scott took up cycling in a big way with a European Grand Fondo (Big Race) in 2019. Could that be something that Lake Winnipeg Foundation could get behind locally? With a little trepidation, the LWF Board and exec said, hmm, ok, let's try it! Fast-forward, once again through those challenging Covid times that struck for the 'founders' ride' of Bike to the Beach in the summer of 2020. Scott gathered support from local family foundations which strongly believe in the helping

the lake, spliced into the 'Eight at the Gate' crowd and pulled off a very successful inaugural event with about 40 gnarly bike riders. And now, in 2023, Scott and sister Jane will ride proudly with a contingent of between 60 and 70 committed riders who will tackle the awesome challenge of literally biking from Winnipeg to Victoria Beach while raising amazing financial support for the activities of Lake Winnipeg Foundation.

And who is there to attend to assist with some of the many details of pulling off this complex challenge? Scott's family, especially Deanne and Bill, who know and understand how important the lake is to Victoria Beach, and to the one agency fully dedicated to the health of the lake, Lake Winnipeg Foundation.

Please join us in the family-friendly Walk for Water in Victoria Beach on Sunday August 13, 2023. Hope to see you there to show your support for the lake we all love. The Walk is about 2.5 kms., and is kid and dog friendly. Please check in at 9:30 am at the Art Vincent stage, and the Walk begins at 10:00. With the bikers heading out two days before, on Friday August 11, we could also call it the 'Weekend for Water'.

We encourage you to follow Deanne and Bill's example, and support the following local LWF events:

Bid for Lake Winnipeg Art Auction: July 14 – Aug 13, 2023

Art displayed in various locations at VB, Albert Beach and Grand Beach

Bike to the Beach: August 11, 2023

Cheer on this determined group of cyclists who will pedal from Winnipeg to Victoria Beach raising funds for a healthy Lake Winnipeg!

Walk for Water: August 13, 2023, 10:00am, VB Village Green

Join us at our annual fundraising walk – all ages!

Wow, I can't believe it's August already. July has blown by as usual. I hope that you and your family have enjoyed the summer so far as much as I have and that you have had an opportunity to participate in some of the activities that the VB Club has put on.

I would like to send out a special thanks to the volunteers that make all of our VB Club activities possible. The Club truly does not work without volunteers. By way of an update from my last message, we did end up finding convenors for all of our events. So extra thanks to those people that stepped up at the last minute and helped out. As a small token of our appreciation, the Club puts on Volunteer Appreciation Night every year to thank everyone who has volunteered with the Club throughout the summer. So, if you've volunteered this summer, or even if you are thinking about volunteering next year, come down to the Clubhouse on Friday, August 11 any time after 7:00 for a drink and a snack. It's usually a really good time.

Even though it's already August, we've still got some big Club activities left to come. The Senior Tennis Tournament is going on over this August Long Weekend and the VB Club Raffle takes place at the Village Green on Saturday, August 5. There is also the Art Show at the Clubhouse and the Kids Soccer Tournament at the Sports Field on Sunday, August 6.

The event I'm most looking forward to is the second annual Karaoke Night on Friday August 4 at the Clubhouse. John and Jane Manness created this event last year and we are lucky that they have agreed to put it on again. I can tell you that last year's was an absolute blast and the amount of talent (and lack of talent) on display is truly amazing.

Enjoy the rest of summer, it's not over yet.

VB Club Secretary

VB Police Update

As I'm writing this article on July 26th it appears as though our Fishy Fly friends have just had another hatch. It was like rain on the windshield as I drove down the cause way (Hwy 59) after dark.

Police have been getting complaints about people putting up tents on the beaches. BY-LAW 1609-Regulate Use of Public Property, states:

(6) The use and/or installation of tents or other temporary or permanent shelters, including camping activities, on public property including on any beach within the Municipality shall be prohibited;

Please do not erect tents or wood shelters on the beaches in the RM of Victoria Beach.

Next...Dogs on the beach....BY-LAW 1581. I have

been asked numerous times if there is a dog beach in the RM of Victoria Beach, the answer is not at the present time. REMEMBER you can only take your dog to the beach after 8:00 PM and before 10:00 AM and when you do take your dog to the beach they must be on a leash. This is until after Labour Day when the hours change, but please keep you dogs on a leash.

The weather has been great, Enjoy the summer.

Thanks
Kevin Pawl

About the Victoria Beach Herald

One of the longest continuously publishing community newspapers in Canada, now in our 98th year, the Victoria Beach Herald is a service of the Victoria Beach Club. The Herald prints nine issues each summer on Fridays from Late June to mid-August. The Herald welcomes submissions from readers focused on family events, beach happenings, community issues, etc. Letters to the Editor are always welcome: they must be signed with the author's name and be written with the understanding that many people read the Herald, including young people.

Submissions should be sent via email to vbherald@shaw.ca. Submission deadline is 4PM Fridays with the exception of VB Club event convenor submissions for events occurring on weekends.

The Herald can be found in bright orange VB Herald boxes throughout the community. Digital issues of the Herald can be found on the VB Club website or by scanning the QR Code. Please also visit and subscribe to the VB Herald Facebook @vbherald and Instagram @victoriabeachherald.

Council News

Council would like to thank those of you who took time to attend the Zoning By-Law Public Open House on July 29th at the Social Scene. Your input is important on this vital piece of legislation that governs land use and development in our municipality. We will keep you apprised of next steps as we work with our experts from Landmark Planning and our residents, to keep this by-law moving forward. While many residents generally want things to stay the same, we also have to appreciate that some changes need to be made as well. Thanks again for your input and continued interest in this by-law.

Did you get the messages from the RM on July 26 advising you of a tornado watch/warning that thankfully did not impact our community? If you didn't get those messages by phone, text or by email you must not be on VB Connect, our emergency/communication system. If you are on VB Connect and didn't get the messages, please go into VB Connect and update your information or contact our municipal office if you need assistance. Please go to our website at <https://victoriabeach.ca/> and scroll down the home page to the VB Connect box. Click on the box and fill in your information using your VB address. Tornadoes, fires and floods are our biggest threats so please be prepared when you receive our warnings. Take the time to download and print off the Family Emergency Plans on our website. Use the QR Code beside this article or type in the following address: <https://victoriabeach.ca/Home/DownloadDocument?docId=19fbc587-5ec0-4ea6-b1d5-688532370f97>.

We get comments every summer about too many vehicles in the vehicle restricted area. We restrict vehicles but we are certainly not

vehicle free in the VRA. Contractors and service providers generally don't come into the VRA, or other areas in the municipality, looking for work, they are here because we ask them to come in and do something for us. Remember that there are taxis, Public Works, Fire, Police and CSO vehicles, septic trucks, delivery and contractor vehicles that are making a living coming into the community. Please consider if the work you need done can happen before or after the busy summer season. And please slow down, you're at the Beach - be aware of vehicles and obey traffic signs - for everyone's safety. A reminder that contractors are allowed in to the VRA starting at 8 am and must be out of the area by 7 pm.

Please note our next Council Meeting is at the EB Social Scene on Tuesday, August 22 at 4:30 pm. Residents are encouraged to attend. Delegations can present to Council by registering with the CAO a minimum of 7 days prior to a Council Meeting and providing an outline of their discussion topic.

Enjoy the August long weekend - it's the busiest weekend of the summer and as always, there is no shortage of activities to keep you occupied.

Derby News – Highlights from the VB Fishing Derby

Sunday July 23rd was not too hot, not too cold, and very light winds - a perfect day for a little pier fishing, but somebody forgot to tell the fish!

Fifteen minutes in we had a bunch of activity at both ends of the pier, and a tie for First Fish, with others right behind. The bite cooled somewhat in the 2nd hour. While last year's winner of Most Fish had 8, nobody managed to land more than 2 fish this year and was a 5-way tie. This year's derby saw 33 kids catch a total of 16 fish, which is a relatively quiet ratio.

Winners of First Fish at 9:14 were:

Jacob F. (age 10) – 14.5” drum

Carter M. (age 12) – 11” pickerel

Winner of the biggest fish (the fish was about as big as Milo, who was among our youngest fishers!):

Milo K. (age 3) – 22.5” pickerel

The hotly contested award for smallest fish (we had to stop others from using it for bait!) goes to:

Logan N. (age 11) – 6” pickerel

Winners of Most Fish were:

Milo K. (age 3), Zachary C. (age 5), Will T. (age 5), Levi R. (age 10), Carter M. (age 12)

If there were a prize for the ugliest fish, it would've gone to Levi's bullhead catfish. If there were a prize for the biggest jackfish to break a line, it would've gone to Ben D. Other than the jack/pike that got away, we had a smattering of the usual species, with pickerel (walleye, including sauger) out-pacing perch this year for most common.

After the horn sounded and all the rigs were reeled in, we met for prizes. Big thanks to the Village Green Bakery and Beachstickers for classing-up the draw prizes with their generous contributions of mugs, shirts, and more. Special thanks also to Wayne and Liz Alsip of Alsip's Building Products & Services for renewing their tradition of sponsoring an ice cream cone for every participant in the derby, and to the Moonlight Inn for scooping all those cones. Alex, Katie, Kal, and Emma were the Rec Staff who helped with setup bright and early, got the fish measured and kept the tunes pumping – thanks to them too!

Great to see the pier busy for the fishing derby - for every kid participating, we probably had a couple of parents and grandparents cheering them on. Thanks to all for managing it without falling in or hooking a friend!

Eight at the Gate - Gran Fondo Gran Colazione

After a three year virus-related gap the "Gate" crew resumed our annual "Big Ride/Big Breakfast". A few riders were missed due to prior commitments, and a few who were unable to ride due to injury made it over for pancakes. Note to Graham: two big wheels are safer than four small ones. With the slightly smaller group we combined the shorter and medium rides and added an extended loop for the speedier group to chase the rest and catch us just before the "top of the hill" at Lester Beach. On our return we reconvened at Bob and Joan's for pancakes and mimosas. It was great to catch up with riders from near and far.

For more information contact Bob Marshall cell: 204 261 4292, email rmarsha@mymts.net or find us on Face Book: Eight at the Gate. You can also pick up a copy of our routes at the gate office or Village Green Bakery.

New Swimming Race Format a Hit!

The annual Swim Races were held this last Sunday at Clubhouse Beach. The new location and the introduction of a new Family Fun Floatie Race were both very well received by the increased number of participants and the crowd gathered to cheer them on. Additionally, the introduction of prizes from our friends at Pepsi and The Village Green Bakery made the event even more enjoyable to all.

We hope these new changes bring on even more participants

next year where we will bring even more excitement to the new Family Fun Race! - See you then!

VB Ladies Golf Celebrated 100 Years of Golf

With 104 golfers in attendance and well over a dozen volunteers the VB Ladies Golf Tournament was a great success. The creative costumes celebrating 100 years of VB golf were outstanding. The generosity of RMBV allowed for an amazing cake supplied by Saffies Store and served all day long by Mayor McMorris. Pamilya Bistro supplied fantastic Filipino food for everyone. The VBGC staff had the course in amazing condition and mother nature provided the best weather possible for the day. There were many raffle winners, trivia contest winners, and 50/50 draw winners.

There was some great golf played with Maureen Hancock winning the VBGC Member Low Gross at a score of 41 beating Leslie McLeod on a countback. This left Leslie McLeod as the Flight 1 winner. Norma Purdy took home the Open Low Gross trophy with a score of 43 beating Nonnie Parisian on a countback. Flight 2 was won with a score of 48 by Laura Ateah on a countback over Dorotea Cassels. Flight 3 had Kae Edwards edging out Maggie Tagliaferri on a countback with 55 as a score. Long Drive winner was Sharon Blanchard, Peggy Maeren took home the prize for Closest to the Pin. Longest Putt was won by Jen Ash with a 26 foot putt for a birdie on Hole 4. Shortest Drive was Carolyn Eva Meadows and Closest to the Line Prize was won by Peggy Maeren.

We have amazing donors from the East Beaches area as well as the greater part of Manitoba. Please take a moment to look at our Donor List below and consider supporting each of these businesses as they support us so generously. The on-course games and Silent Auction yielded \$1300 which will be donated to our charity - The Heart and Stoke Foundation. See you all again next year. Oh, what a night!! With a sold-out crowd the competition was stiff at the 2023 VB Trivia Night.

Congratulations go out to all the teams who vied for “VB’s Smartest”, but after a flurry of questions and a careful tallying of the scores, the top prize went to Bats in the Belfry!

Without an amazing group of volunteers, an event like this cannot happen...From ticket design, sales, bartending, snacks, prize packages and more, I must thank my volunteer crew who made the night a success. A round of applause to Eloise Lamont, Jordon Yvon-Moreau, Sharon August, Alex, Katie and the Reynolds and Tittenberger families. Of course, an enormous thank also goes to Bruce and the Rec Staff - their help and support for our VB Club events is invaluable!

For their donations of the amazing prizes: The Moonlight Inn, The Village Green Bakery, VB Store & Saffie’s, VB Parking Lot, Victoria Beach Golf Course, Majella Coyne and Mark Strople – thank you, thank you, thank you! Pat Findlay and her crew who are so creative and cunning in organising and providing the Trivia questions – many thanks for coming out to VB, sharing your talents and “breaking” our brains!

The monies raised from this event go to Rosser Grosse Isle United Church and the VB Club.

Looking forward to seeing you all again next year,
Andrika

VICTORIA BEACH COTTAGER OWNERS ASSOCIATION (VBCOA) ANNUAL GENERAL MEETING

A huge thanks to everyone who turned up at the VBCOA Annual General Meeting on July 16th at The Clubhouse. We had almost a hundred cottage owners attend and take a couple hours out of their cherished beach time to make sure they were kept informed of things going on in the RM that could affect the lifestyle of the VRA (vehicle restricted area.) It is hard to believe that it was only a few years ago that barely twenty members turned up and the thought of mothballing the Association was contemplated. The VBCOA is clearly back and stronger than ever!

As always, great conversations and discussions were had and meetings like this remind us that when we get together as a group it is always very constructive, as we have such a large pool of people and experience to draw from for both insight and solutions.

We had various presentations – one on the ongoing accessibility issues and positive developments in that area, one on having a safety plan in place in case of a natural disaster such as a forest fire, as well as the newly proposed subdivision in the RM that poses issues as it appears to encroach the VRA and could possibly affect some VRA property owners off of Ateah Rd. As well, we reminded everyone to pay attention to the new Zoning By-law being proposed that can dramatically affect not only the interior of the VRA but the shorelines within it as well. We strongly encourage our members – and all members of the community -- to attend the Open House at the Beaches Social Scene on July 29th from 1:00-3:30 to see what is being proposed and have any of your questions or concerns answered.

Finally, all of the Executive Board agreed to stay on and were re-elected, with Sean and Blake Taylor now sharing the President role.

If you are a cottage owner in VRA or are a spouse, legal age child or grandchild of the owner, you can be a VBCOA member. (The owner(s) is designated as a voting member(s) – able to vote on certain issues -- and the others are designated as Associate members. Associate members cannot vote on certain issues but are able to be a part of all discussions and have a voice.) You can learn more about us at our website www.vbcoa.ca. As well, all members can be a part of our private Facebook page by requesting

access and answering the questions to join. If you want to be on our mailing list for when important issues arise, reach out to us at vbcoaexec@gmail.com with your name and VB address.

See you next year and have a wonderful rest of the summer in our special place!

2023 Volleyball Tournament Results

The 2023 VB volleyball tournament had great participation as twelve teams jumped, bumped and dove around the courts at the sports field on July 23rd.

The winners of each division were:

Recreation Division: Block Party - Kim Willoughby, Abbie Straus, Caitlin Straus, Jeremie Kuypers, Maddy Kuypers, Anders Strome, San Strome,

Competitive Division Winners: Bloody Knees - Nancy McCartney, Glenn Hollins, Beza Geddert, Lucas Robertson, Aaron Geddert and Dewayne Osborn.

Thanks to all the fans that came out to cheer on and support the players. A huge thanks goes to Duane Lucht for setting up the nets and helping work the draw sheet all day long and to the Recreation Staff for all of their assistance.

PS. Trophies from the previous years are missing. If anyone knows the whereabouts of them please let me know me asap. You can contact me at 204-791-2912.

Library Corner

Hi everyone! Everyone in the library is talking about popular books these days, and we've been thinking: if you like these popular books, we've got similar recommendations for you -that you can find right here in our library!

Do you like Disney's *Mulan*? Read *Iron Widow* by Xiran Jay Zhao! Do you like *Five Feet Apart*? The movie was made after the book, written by Rachel Lippincott, Miki Daughtry, and Tobias Iaconis. If you enjoyed that movie and book, try *The Fault In Our Stars* by John Greene! Did you like *Harry Potter* by J. K. Rowling? Read *Six of Crows* Leigh Bardugo! Or *Fantastic Beasts and Where to Find Them*, also by J. K. Rowling! Do you like the *Hunger Games* Suzanne Collins? Try the series of *Divergent* by Veronica Roth! Do you like *A Series of Unfortunate Events* Lemony Snicket? Try *The Mysterious Benedict Society* by Trenton Lee Stewart! Have you read *Romeo and Juliet* or *They Both Die In The End* Adam Silvera? Try *You've Reached Sam* Dustin Thao! Have you watched *The Outer Banks* on Netflix? Try *The Outsiders* by S.E Hinton! Did you read the *Nancy Drew* series growing up? You should try *A Good Girl's Guide To Murder* Holly Jackson! Have you read *The Blackthorn Key* by Kevin Sands? Try *The Mystery of Black Hollow Lane* by Julia Nobel! And my final recommendation; looking for something similar to *Heartstopper* by Alice Oseman? You should try *Simon VS the Homo Sapien Agenda* by Becky Albertalli! We have all these books, feel free to come check them out!

If you're looking for some activities in the library, you're still invited to our children's story time at 10:00 am on Thursdays or, if you're around age 10-14, our youth book club at 11:00 am on Fridays where we discuss books, play games, and eat snacks! But hold on, we've got even more activities coming up! Right now we're holding our long-awaited candy counting contest, so be sure to swing by and guess the amount of candy! Next week, tune in for our book scavenger hunt, where you'll be on the hunt for books with specific titles, covers, themes and more! Hope to see you all soon! Your librarians, Izzy and Mililani

Forest Room Ukulele

Forest Room Ukulele meets in the “Forest Room” behind my cottage at 308-7th Ave **every Wednesday at 3:00PM** during July and August to play songs, chat, trade tips and techniques and have a few laughs. It’s **BYOU** (bring your own ukulele), and players of all levels of ability, including complete beginners, are welcome on a relaxed basis (no regular attendance required) so turn up when you can. If you don’t have a ukulele, there are a couple of egg shakers available!

A songbook is provided for each session. We play a wide range of styles of music that works for the ukulele, and which is likely to encourage a good sing-a-long. Typical song choices range from tin pan alley numbers from the ‘20s, ‘30s and ‘40s to jazz standards to folk, rock and pop, and even comic or novelty songs. We are planning to take our sing-along to the Bakery sometime soon, and may show up in other locations around the beach from time to time. Forest Room Ukulele is run in support of Bike to the Beach to help save Manitoba’s mighty Prairie Ocean, Lake Winnipeg. No donation is too big or too small! For more information, please text me at 204-990-4361 or email to: russell.alice@gmail.com.

Bike Jam 2023 Recap

July 15th saw the return of the popular summer classic – the VB Bike Jam! This year marks the 5th anniversary of this fundraising event for the WRENCH in Winnipeg and for a cycling repair station here in Victoria Beach. The volunteer Bike Jam team did want to say how much they enjoyed all of the costume, music, pit stop, and bike decorations chatter that happened in the weeks leading up to the event. It was also wonderful to see the new relationships and community connections being formed as folks worked together to create memorable pit stops and colorful teams complete with cheers and team games.

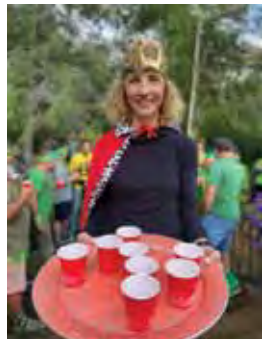

This year's version of the bike jam saw the biggest event yet, with 180 tickets sold in just a few minutes two weeks prior to the event. We had six wonderful Pit Stop hosts this year and wanted to give a HUGE Thank you to all of our amazing hosts! This event does not happen without them taking the time and effort to plan and execute. Our amazing hosts this year were Andrika Tittenberger, Pam & Ian Lawrence, Barb Hansford & Al Keith with Greg & Lori Edwards, Cathy Bizruchak and Joel Carlson, Andrea and Rhos Dyke, and Connie MacDonald & Tom Robinson. So much gratitude amongst Bike Jam participants for the wonderful games, drinks, music, food, and hospitality that they all provide every year.

For those wondering how our fundraising efforts are going, over the past 5 years we have raised a total of \$4096.60 towards the projected \$7,000 cost of a Bike Repair Station here at Victoria Beach. We have also donated over \$2,000 to the WRENCH in Winnipeg, and the projected funds raised from this year's event look to be around \$2,000, with 50% of funds raised from this event always going to the WRENCH in Winnipeg.

Big thanks to all of the hard-working volunteers over the past 5 years who have not only created one of the biggest community building events in Victoria Beach, but also provided valuable funding for inner city kids to be able to enjoy cycling in Winnipeg and beyond. Here's a shout out to the volunteers who make all the Bike Events (including the Bike Jam, Bike Races, and Kids Jam) the amazing events they are. The list is long, but this year's Bike Events organizing team includes Aileen Hunt, Lindsay McLeod, Jason Ateah, Sylvia Furtado, Laura Hilland, Catherine Delaquis, Stephen Carroll, Jamie Hilland, Andy Almeida, Maggie Bonetta, Scott Palmer, Brad Nechwediuk, and Suzy Blunderfield.

Big events like these take MANY hands to make happen, so thanks to all that have stepped up to give freely of their time, labour, and expertise.

For those looking to be a part of this event next year you can mark August 10th in the calendar for Bike Jam 2024. Tickets will go on sale in early July, and look for new teams, hosts, and games next August!

VB Art Show

ART@VB proudly presents the annual Fine Art Sale and Exhibition on Sunday, August 6 from 11am - 4pm at the VB Clubhouse! The Exhibition brings prominent, established and emerging fine artists from across Manitoba. Lifetime resident of Victoria Beach and Vice Chair of the Victoria Beach Manitoba Metis Federation Local Angel Kraft offers the following words.

We acknowledge we are gathered on Treaty #1 Territory and that Manitoba is located on Treaty and ancestral lands of the Anishinaabeg, Cree, Oji-Cree, Dakota Dene and home land of the Metis people.

Victoria Beach (formally Little Elk Island) was once occupied by the Ojibwe peoples of Sagkeeng First Nation. A rare arrowhead was found a few years ago in the sand along Pelican Point. Many Sagkeeng community members are able to recall the oral history of their family members who lived here. The history of our community has always been a strong bond with the Ojibwe peoples and all nations of people on Treaty #1 lands. We must respect and acknowledge Reconciliation.

Aboriginal art is highly sought after all over the world. Our community is extremely fortunate to have two of Manitoba's finest,

KC Adams and Jackie Traverse, at the ART@VB Exhibition.

The water of Mother Earth, she carries life to us, and as women we carry life through our bodies. We as women are life givers, protectors of the water, and that's why we are very inclined to give Mother Earth the respect that she needs for the water. - Grandmother Josephine Mandamin.

We must respect Mother Earth, for she nourishes us, she feeds us, we drink from her, she gives us life. Miigwetch

We are excited to present 23 artists, offering a variety of mediums ranging from painting, sculpture, ceramics, photography and printmaking. Come celebrate our local VB fine artists, including James Culleton, Mitchell Fenton, Andrew Stelmack, Nancy-Lou Ateah, Aaron Vincent, Alan Adamson, Jane and Roger Gateson. Our prominent Manitoba based artists include Miriam Rudolph, Chris Pancoe, Robert Tatle, and more! A raffle for an original artwork will be held with all proceeds donated to the Lake Winnipeg Foundation. Hope to see you all there!

Unlocking the Sport of Tennis: Mastering the Four Games within High-Level Tournament Tennis

(PART 2) *Winning the Four Games within the Game of Tennis:*

To achieve victory on the tennis court, players must recognize that each category influences the other. Mental strength bolsters physical endurance, emotional regulation enhances tactical decision-making, and refined tennis skills build confidence. Drawing inspiration from “Winning Ugly” by Brad Gilbert and “The Inner Game of Tennis,” players can leverage the following strategies:

Self-Awareness - Understand personal strengths and weaknesses in each category, working diligently to improve shortcomings. Use focused breathing as a tool to discover the self.

Preparation - Develop a comprehensive training regimen, encompassing physical conditioning, mental skills training, and tactical drills.

Mental Conditioning - Engage in visualization exercises, positive affirmations, and mindfulness techniques to sharpen mental acuity.

Focus on Process, Not Outcome - Concentrate on executing one point at a time, trusting that victories will follow when the process is sound.

Learn from Every Match - Embrace wins and losses as learning opportunities, analyzing performance to identify areas of growth.

When a tennis player conquers the four games within the game, they ascend to a level of excellence that leaves opponents feeling like they are battling an insurmountable force. The impact of mastering these domains is profound:

Mental Dominance - Opponents sense a relentless determination and unyielding belief in the winning player, leading them to question their own mental fortitude.

Physical Intimidation - Opponents find themselves chasing down seemingly unreachable balls and succumbing to the sheer physicality of the dominant player.

Emotional Overwhelm - The passionate and competitive demeanor of the winning player can be overwhelming for opponents, creating doubts and frustrations.

Tennis Skills Mastery - The diverse and polished skill set of the dominant player leaves opponents struggling to find weaknesses to exploit.

By winning the mental, physical, emotional, and tennis skills games, players can elevate their game to unprecedented levels. True excellence in tennis comes from harmoniously integrating these four domains, culminating in a player who is not only formidable on the court but also a testament to the beauty and complexity of this sport.

In the breathtaking arena of high-level tournament tennis, where every stroke carries the weight of dreams, mastering the four games within the game is the gateway to unparalleled achievement. Players who grasp the intricacies of the Mental, Physical, Emotional, and Tennis Skills domains hold the key to unlocking a realm of excellence that transcends boundaries and redefines the sport.

As players conquer the Mental Game, opponents witness an unyielding spirit that refuses to falter under pressure, making the indomitable player a force to be reckoned with. The Physical Game

creates a spectacle of speed, strength, and finesse, leaving rivals chasing shadows and questioning their own endurance.

The Emotional Game weaves a tapestry of passion, focus, and respect, impacting both player and spectator alike. Emotions become the unspoken language that dictates the ebb and flow of the match, and players who wield this language with precision shape the narrative of victory.

Lastly, the Tennis Skills Game reveals an artist at work, a player who paints the court with their strokes and dances with the ball as if in perfect harmony. Their tactical acumen and mental toughness carve pathways to success, leaving opponents perplexed and defenseless.

The journey to conquering the four games within the game is not an easy one, but the rewards are immeasurable. It is a pilgrimage that demands relentless dedication, unwavering commitment, and an unshakeable belief in one's abilities. By integrating the wisdom from “Winning Ugly” and “The Inner Game of Tennis,” players can unlock the dormant potential within, elevating their game to celestial heights.

Playing tennis at a high level for the past 25 years I have not always performed these strategies to my fullest potential, however, I have always been willing to learn and evolve to try and achieve winning the games within the game of tennis and thus try and be the best version of myself. Victoria Beach is blessed with a beautiful tennis facility and a passionate community of tennis enthusiasts that makes it an amazing place to play the game we all love.

Thank you,
Stephen Dubiensi

Golf Report

Hello from the golf world at Victoria Beach, what another fantastic week at the golf course. We had the junior tournament, and the turnout was fantastic! The men's tournament had 63 competitors, with the winning score of 70 put up by the winner Cory Chernick! Congratulations Cory! It was a beautiful sunny day for golf. Other prizes were long drive and closest to the pin, both won by Conner Doell congrats to Conner. Bob Vincent won close to the line. Everyone was treated to a burger and a refreshment cooked by Mr. Barry Schrivel, thanks Barry.

The putting contest raised money for Junior Golf, a big thanks to Alice Whyte for volunteering. Also to my score keepers Carol and Bonny, thanks for an excellent job! Thank you to All my staff inside and out for helping with registration and preparing the course. There is still time for golf we would love to see you down here. Small groups welcome, call 756-2435 for info.

Your golf course is a full-service shop with gas carts, pull carts, club rental sand more. Enjoy the little gem we have in our own back yard.

Beach People - TACO 'BOUT A PARTY!!!

On July 8, 2023, Adele Korolyk celebrated her 80th birthday at the family cabin on Gibson Drive in Victoria Beach. Over 30 family members and neighbours gathered for the music festival themed party including daughter Tracy Underwood from Atlanta, Georgia. Partygoers gathered in the yard and on the deck for the afternoon party, complete with blue skies and sunshine.

Thanks to all the party goers who brought delicious appetizers and especially to Adele's nephew John Corona, his wife Claudia Corona, and their children Diana and Carolina. The Corona family "brought the fun" to the party, including setting up a music stage where guests enjoyed music sang by Carolina Corona, and also guitar music by Diana Corona. Neighbours Una and Tessa warmed up the crowd with some tunes played on the piano. The Coronas also brought along Yucatan the Taco Man, complete with a full taco cart with handmade tortillas. The tacos and burritos were enjoyed by all.

In addition to the music and great food, guest enjoyed applying temporary tattoos at the tattoo booth, a flamingo ring toss game, and watched giant bubbles float through the yard. Adele also received a champagne toast and a wonderful rendition of Happy Birthday sang by family members Robin Richards and daughter Braya Richards.

Adele wishes to thank all that joined and helped to create a wonderful afternoon of music, food, family and neighbours for a very memorable 80th birthday!
