Council Corner

It's been another hot, sunny, smoky week at VB. While you and your friends and relatives continue to enjoy all that VB has to offer, we thank you for maintaining COVID protocols, getting vaccinated and for looking out for your friends and neighbours as the heat soars. A reminder that our Fire Ban is still in effect, and we continue to ask residents to limit water usage at this time.

The lanes that were cleared by Hydro in the Fall of 2020 and Spring of 2021 are not to be used for public or commercial vehicle use. Our water lines are in these municipal rights-of-way and they are to be used by Hydro, emergency services and our Public Works crew only. We ask that residents do not block the access to these municipal lanes with rocks, trees, sheds, arbours or other items. Thank you for your cooperation.

Council has been discussing the future of the Moonlight Inn and we need your input. This great old building is nearing 100 years of age and it is certainly showing those years. We need to have a serious discussion with residents about what is required to upgrade the building or how the building, which is used for about 9 or 10 weeks a year, should be used moving forward. The municipality owns the building and the land and we lease the operation of the restaurant out and your tax dollars are used to maintain and improve this building. When COVID restrictions have eased, we would like to have an open meeting to discuss the needs, costs and proposals to keep the building safely operational. Stay tuned for meeting details. We recently applied for funding

to support our plan to turn the old log cottage at the Moonlight into community accessible washrooms. We hope to hear back on that grant application in the near future.

Please take the time to review our Zoning By-Law 1622, available on our website. This by-law dovetails with our Development Plan and covers all things construction or demolition related in the various zones in our municipality. A public hearing will be held prior to second reading of the by-law to hear residents' concerns. This hearing will be advertised in the Winnipeg Free Press, via VB Connect and on our website.

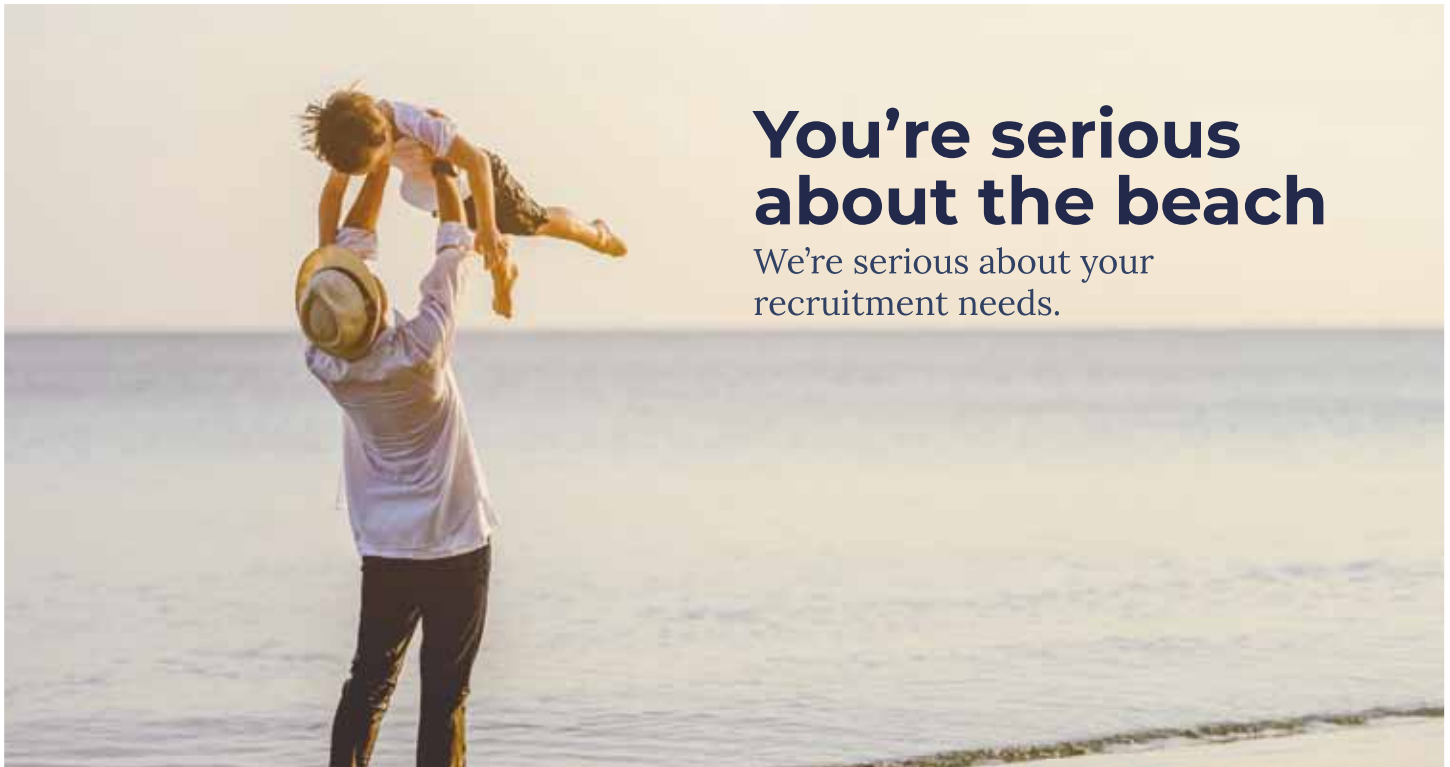

We are working with the Province to take ownership of Crown Land in our municipality. It is a long process that will require some time and patience from all parties. Crown lands in our municipality include many of our public shorelines. This would allow Councils of the day to have more control over structures on and alterations to the shorelines, and all the good and bad that that control would bring. It is important to know that there are some shorelines that are privately owned to the waters edge and those property owners' rights should be respected at all times.

Unfortunately, our first public Council meeting may not happen until September, contrary to Council Corner in last week's Herald. We are working to make this happen as soon as possible.

Finally, we will be watching the Province's next COVID-19 announcement in early August pertaining to indoor and outdoor activities. Our hope is to hold a "Coffee with Council" event here at the beach before the end of summer. Stay tuned!

As always, Have Fun and Stay Safe!

VB Club Message

I can't believe it's already time to write my second VB Club Executive message of the year and that we only have one more week of VB Club programming! Like every summer – the time has flown by. As the summer winds down, be sure to extend your thanks to all our hard working Swim, Tennis, Library and Rec staff! Thanks for a great season! Special thanks need to be extended to our Rec Directors Bruce and Dana Sirrell, Swim Conveners Lori and Greg Edwards and Tennis Conveners Al Morrish and Gord Bell. The hours they put in behind the scenes and the work they did with our amazing summer students helps makes our Victoria Beach summers so special. Thanks to you all!

This weekend, we have the Dog Show, Cross Country Run and Kids Beach Games. Lots of fun for everyone! Please note that the Junior Golf Tournament will not be happening this

year. The Walk for Water is also this weekend, come down and join the walk or support a walker with a pledge!

Some of you might be wondering what exactly does the Director at Large do? My primary role on the Executive is to secure government funding for our summer students. This funding helps offset our payroll and is essential to ensuring we have the staff in place to run the activities everyone loves. I also help with the social media to make sure you're all aware of any changes to programming.

It's been another great Victoria Beach summer and fingers crossed next summer we can have a COVID free summer and reinstate all special events.

Have a wonderful rest of the summer!
Shannon Bowden
Director at Large

About the Victoria Beach Herald

One of the longest continuously publishing community newspapers in Canada, now in our 96th year, the Victoria Beach Herald is a service of the Victoria Beach Club. The Herald prints nine issues each summer on Fridays from late June to mid-August. The Herald welcomes submissions from readers focused on family events, beach happenings, community issues, etc. Letters to the Editor are always welcome: they must be signed with the author's name and be written with the understanding that many people read the Herald, including youngsters.

Submissions should be sent via email to vbherald@shaw.ca. Those without access to email can place written submissions in the VB Herald mailbox behind the cash counter at the Victoria Beach General Store. Submission deadline is 4PM Fridays with the exception of VB Club event convenor submissions for events occurring on weekend days.

To support pandemic safety measures, the Herald is now available via newspaper boxes placed outdoors at the Parking Lot, the Golf Course, and the Village Green.

What's happening at the Victoria Beach Community Centre

A beautiful park bench, honouring Margaret Murray-Haddad, has been placed in the market area across from the playground. Margaret loved Victoria Beach and she loved VB Country Market that is celebrating 10 years this year. So please think of Margaret as you visit the country market and the Victoria Beach Community Centre.

Sun Country Artisan's Sale will be held inside the Community Centre on Saturday August 14th, 2021 from 9:30 a.m. to 2:30 p.m. The sale will operate following provincial COVID protocols. The Artisan's Sale features Manitoba artisans working in a variety of media, plus gourmet foods and more.

Victoria Beach Golf Tournament 2021 Mark your calendars and sign up early -- September 17th at Grand Pines Golf Course -- Highway 59N. A Texas Scramble tee off time is at 12:30. Men's, women's and mixed team competition this year. \$125 per person or a team of 4 for \$450. Contact John Heppenstall at 204-229-0777 or email johnheppenstall204@gmail.com. Details available on www.vbcommunitycentre.com/golf.html.

Pickleball is up and running at VBCC with all current Provincial COVID protocols in place. Monday through Saturdays 9:00 am to Noon. All levels of adults are welcome with new players asked to attend Monday's to get started. Bring your own equipment and water bottles. On Tuesday, Thursday, and Saturdays the front court is reserved for advanced players. With a current \$15 VBCC membership there is a \$3 drop-in fee daily or \$25 per

month. Without VBCC membership the drop-in fee is \$5.

For further information regarding the current COVID protocols (ie: masks are mandatory at this time as well as spacing, sanitizer use, and etc.) in place or playing questions contact Bill or Lorine Mason @ 204.250.6466 or manitoba_south@msn.com

Summer Yoga is on now – Thursdays from 10AM to 11AM –

on a drop-in basis. Contact Rhonda by text at 250-486-6451 or email rhondajeannanning@gmail.com to book a spot! Space is limited. COVID protocols in place.

Breakfast and lunch are available Saturdays from 9:00AM -12:00PM and lunch from 12:00 to 1:00PM as a takeout option during the VB Country Market. Picnic tables are available on the grassy area or in the shaded outdoor bar area.

We are **Building for the Future** that saw the installation of the safari themed play structure. The parking lot for the Victoria Beach Community Centre has been modified to accommodate accessible parking and assist in traffic flow for all visiting the community centre. The parking lot will allow for the parking of about 160 vehicles and the traffic patterns have changed. We thank all community residents and members of VBCC for assisting in this redevelopment plan.

The Merry Makers Rummage drop off continues throughout the summer. If you are dropping off in the containers beside the skating rink – please remember to bring items in closed flat boxes and/or garbage bags that can be carried easily by the Merry Makers – women. Any electronics are to be in working condition or please recycle. If you have any questions, please call Lynn at 204-754-7557.

As COVID protocols continue to improve we expect to see more activities at VBCC.

VBCC is looking for volunteers to help at the market or canteen. If you are interested, please email vbcountrymarket@gmail.com or call Carol at 204-880-0025.

See you at the Victoria Beach Community Centre.

Girls' Tennis Day

Thank you to all the girls who came out to girls' tennis day! This year's event had well over 70 girls in attendance ranging from ages 3 -18. It was so wonderful to see so many girls playing tennis, making new friends, and having fun.

Thank you to the tennis staff: Meghan, Amy, and Alexis, and to Jane Turk and Debbie Osipov for volunteering their time. See you all on the courts!

Sincerely, Meagan Strome and Natasha Blair

VB Ladies Golf Event 2021

We are so excited that we were safely able to host an amazing event for the VB Community of Lady Golfers. Fun was had by all including the bear clubs playing on Hole 3! It is a blessing to have such great participants. We had a team of young gals ranging in ages from 18 to 20 – which makes our hearts very happy to see the momentum of golf continue to grow in VB.

Our charity of choice is the Heart and Stroke Foundation, and we are pleased to announce that we raised \$390 for this charity in the tournament. Additionally, Kae Edwards who won the 50/50 putting contest donated her entire winnings of \$150.50 to the Heart and Stroke, which brings our total to just over \$540. In addition, Bernie Plett of Plett and Associates ran a hugely successful Long Drive (Outdrive the Boys) game on Hole 7. Many long drivers went home with a brand-new sleeve of balls courtesy of Plett and Associates and with 64 women outdriving the boys – Plett and Associates will be donating \$640 to the Heart and Stroke Foundation. Helping Bernie out on Hole 7 and working hard to outdrive the ladies were Brian Hyska, Aurelle Gendron, and Greg Loader

This event is only possible with the support of our community partners, and we would like to thank the following for their contributions:

- Bernie Plett – Plett and Associates
- Saffies Store – donation of all water
- Einfelds Bakery – donation of baked goods

Rita Kupiak – Cash donation

Support and work of RMVB and the Golf Course Staff

Special thanks to our Volunteers: Betty Lodewyks, Heather Willoughby, Laureen Johnstone, Rita Kupiak, Don Kupiak, Peggy Ansons, Sheila Rueben, Norma Purdy, Barb Hansford

Walk for Water 2021: This Weekend!

Join with your community, Terry McLeod (former CBC Radio Morning Host), Reeve Penny McMorris and Lake Winnipeg Foundation (LWF) staff on Sunday, Aug. 8, to celebrate and support a healthy Lake Winnipeg! All proceeds from this annual family-friendly fundraiser are donated to the Lake Winnipeg Foundation (LWF). LWF advocates for change and coordinates action to address the root causes of algal blooms and improve the health of our lake - now and for future generations.

NEW FOR 2021: This year's event has been planned to optimize safety and comply with the current public health regulations.

* The VB & District walk will start on the Village Green in front of the Art Vincent Memorial Stage

and take place 100% outdoors, rain or shine.

* Check-in begins at 9:45 a.m. and as needed, walkers will be sent off in smaller groups as they arrive to ensure we comply with gathering sizes.

* The 2.5 km walk loops from the Green to 1st, Patricia Ave, 8th, and Victoria Blvd back to the Moonlight Inn, and disperse from there.

* Social distancing will be facilitated, hand sanitizer available, and masks encouraged

* Wear your past LWF - W4W t-shirts if you have; new ones will be available

* The VB Store has kindly donated popsicles for all, as a cool treat at the end of the Walk.

WAYS TO GET INVOLVED:

Collect pledges/sponsor yourself and walk...

-This year we encourage you to go digital and fundraise online! Visit lakewinnipegfoundation.org for a link to the Walk for Water 2021 online campaign page, where you can register and develop your own fundraising page. Send your personal link to your friends and family; watch your pledge total grow!

-More comfortable with the traditional paper pledge form? Pick one up at the VB Store, bakery, or Moonlight Inn; use the pledge/donation form insert from the July 30th Herald; or download a printable pledge form at lakewinnipegfoundation.org. We encourage you to place your pledge form, cash, and cheques in sealed envelope or ziplock bag with total amount written on outside, ready to place in donation box.

If you are soliciting donations in person, remember to follow all public health guidelines.

Not able to walk but want to support this important cause?

-Pledge money to someone who is walking.

-Mail in a donation to the Lake Winnipeg Foundation (the pledge forms inserted in last week's VB Herald can be used to do so) or donate online at lakewinnipegfoundation.org; email/call the LWF office to donate safely by credit card or use the QR Code on the pledge form.

We encourage you to note that your donation is being made in connection with VB Walk for Water.

Thank you for your ongoing support. Together, we are making a healthy lake possible.

For more information about LWF or Walk for Water, visit lakewinnipegfoundation.org.

If you have questions, contact Deanne McDonald (204)232-2656 or Brenda Hearson (204)792-6186.

Bid... for Lake Winnipeg Art Auction:

Don't forget bidding closes Aug 6, 11:59pm.

Clan Mothers Healing Village

On Saturday July 24, about 100 volunteers from the Victoria Beach area went to help the Clan Mothers get their land ready for an upcoming healing ceremony. VBers volunteered their muscles and time to help cut up downed trees, haul & stack wood, rake, trim trees & saplings, clean up some buildings on the site, clean up the beach and build a sweat lodge.

The Clan Mothers were overwhelmed with gratitude. VBers - you can work hard! Thank you so much for your muscles & time! Here is a note from the co-founders Elder Mae Louise Campbell & Jamie Goulet:

“We have reflected on the day, and it brings tears of joy to both of us. Finally, we are at Peace with this project. We are reclaiming the land and Mother Earth herself is shining her life energy back to us ...deep sorrow is finally being released. Miigwetch.”

What is the Clan Mothers Healing Village?

The Clan Mothers Healing Village (CMHV) will provide mid/long-term support for women/girls/2SLGBTQQIA who have suffered intergenerational trauma, sexual violence, exploitation, and trafficking. This project is Indigenous-led, female-led and led with the guidance of Elders and Lived Experienced

women/2SLGBTQIA. You can also visit www.clanmothers.ca or contact Kristie Pearson (Volunteer Chair of the Fundraising Committee) for more information about the project (see below for her email).

Teachings will be led year-round by Matrilineal Elders with decades of experience related to intergenerational trauma. The Village is also working closely with the Lived Experienced Leadership Council (see www.experientialvoices.ca for more information)

Where is the land for the Village?

130 acres of waterfront land has been donated by Réseau Compassion Network (formerly known as the Catholic Health Authority). The land is in Belair, located just off Lakeshore, less than 10 minutes away.

What stage is this project at?

Phase 1 of the Village commenced last year with zoning of the land, planning, and design work with the construction team. Ceremonial structures will be built this summer so healing can immediately begin on the land.

Phase 2 involves building living areas for staff, Elders, and the women. We expect shovels to be in the ground for Phase 2 in summer of 2022. We will involve the women in the construction process as a training opportunity.

Fundraising has begun to raise a portion of the \$10 million required to complete the Village. Support from allies and donors such as Réseau Compassion Network, The Winnipeg Foundation, United Way of Winnipeg, Lush Cosmetics, PCL Construction, Prairie Architects, and more have helped build the initial base for our campaign.

Why is a Village needed?

Indigenous women have experienced significant trauma, beginning in residential schools, through the sex trade, incarcerations and too often ending in missing/murdered women. Helping these women to heal and become contributing members of society will save society money. Each woman on the streets can cost society between \$1-1.6 million, impacting systems such as health, justice, and child & family

services. More importantly, it is a moral imperative to reconciliation.

In Winnipeg approximately 400 children and youth are sexually exploited on the streets each year, 70-80% of which are Indigenous. Street Reach found that 213 youth in 2012 were either currently being exploited (118) or were at extreme risk of becoming exploited (95).

Children's Masquerade

When Winnie the Pooh asked Christopher Robin "what day is it?", his response was: "it's today". To which Winnie the Pooh said "my favourite day". I agree with Winnie that every day in this 100 Acre Wood known as Victoria Beach is a favourite day. However, the Masquerade – with its costumed, dancing, singing kids – still stands out.

The event started with a few songs from Aaron Burnett to get everyone warmed up. Then the kids took over the stage for the parade portion. We finished with a mini concert by Aaron and Kim Burnett that had kids shaking their body to the Hokey Pok-ey, behaving like sheep for Home Among the Gumtrees, and putting it all together on fast play for Purple People Eater.

The creativity of the costumes always amazes us. There were a few who deserve a special mention though:

- Best Group Costume was the Walker/Clayton/Huyuem/Bertram clan, aka the Boxcar Children of VB Train.
- Best VB Costume was the 3rd and Patricia/Pooh Corner group of Yarnells, Adamsons, Ahrens, Trepels, Knights, Kemps and a Pollard.
- Most Creative: Parker and Ruby Ateah and Beauden McLeod as the VB Roller Coaster.
- Best Individual Costume: Nash Gibson as the Paper Bag Princess
- Cutest Costume were the two faeries who thankfully were able to find their wings among the prizes.
- Honourable Mention to the Best Adult costume to a hirsute

Bryan Ugrin as Smokey the Bear, alongside his ranger partner Sam Ugrin.

A special VB welcome to our youngest participant, 3-month-old Tori Clayton, who came in for the occasion via the VB train.

The names below are listed in order of appearance.

Thanks to Alex and Juliana of the Rec Staff for all of their help setting up, sorting out the sound system, awarding prizes and leading the kids in singing and dancing. Thank you also to the Grandmothers – Susan and Fran at registration – as well as our local Herald Shutterbug, Kevin Dube.

Sticking with our theme, it's another Winnie the Pooh quote that sums up our 13 years running the Masquerade: "how lucky am I to have something that makes saying goodbye so hard". It's been an honour to meet so many of VB's kids in that time. Thanks to Ashley Hearn who, along with Brynn, John, Garrett and Jaimie Dawson will be taking up the Masquerade torch next year. Good luck Ashley – I'm sure you'll have as much fun as we've had!

VB Junior Tennis Event 2021

The Junior Tennis event was held on July 26th and 27th and was a big success. Even though the provincial COVID guidelines didn't allow for a tournament we were able to host a two day junior tennis event that met all the COVID guidelines. Players had two 45-minute matches per event category against similar skilled players. It was so great to see so many Parent-Child teams playing 30 minutes matches helping each other learn the game of tennis. The future of VB tennis is looking really good with players on the courts with smiles and laughing during the matches. Each player could enter up to 3 events. We had 98 entrants! More than we had expected since last year we had 100 participants and thought there would be less since it wasn't a tournament.

The feedback was extremely positive, and many players liked the format and felt it was less stressful- especially for new tennis players. One of the goals of the event is to get new beginner players involved in the sport and make it a fun memorable experience. Each player received a gift for entering the event. Players and fans could nominate participants throughout the event who demonstrated sportsmanship and tennis etiquette, and these names went in a draw for 6 Yonex Tennis backpacks.

The following players won the Yonex tennis backpacks- Maxwell Odiatu, Lily Massé, Matt Kaul, Lynden Blair, Xavier Delaquis, and Daitan Poworski. Congrats and well deserved! A big thank you to the event sponsors for covering the costs for the gifts and prizes- Adrian Frost (TDS Law), Kevin McIntyre (IG Wealth Management Inc.), Tom Aldridge and Brad Scott (IG Wealth Management

Inc.), Vinh Nguyen, Lisa Zeilstra (Kickit Dance Studio), and Yonex Canada. Thanks to the VB community for a fun and entertaining Junior Tennis event. See "Victoriabeachtennis" on Instagram for many tournament photos and video. Thanks to all of the participants, fans, sponsors, and volunteers!

VB Junior Tennis Event 2021

Swim News

Hey there VB swimmers, this is your head instructor Avery coming at you with your weekly swimming update!

Session 2 is off to a fantastic start, and all the instructors are happy to see so many of you still coming down to the dock or the beach for your lessons. This is just a quick reminder that registration is still open from 9:00-10:30 for the second session down at the swim dock. The last day of lessons will be August 13th (Friday the 13th OoOoOo).

As we progress forward through the session, we also move into the beloved algae season (ew). A little bit of algae is ok, but when it gets soupy and gross, then we start to shut down swimming. The swim instructors and I are in constant contact with the government officials that test the water directly by our swim dock. They will let us know if the water is unsafe to swim in because of E. coli levels. Our rule of thumb is if we wouldn't swim in it, we wouldn't make our kids swim in it. When in doubt, send your kids down because even if we can't swim, we'll still do some water safety and games!

I'd like to give a shout-out to our bronze medallion and cross kids as they finish up their last few weeks and move ever closer to their exam. Keep working guys, you are all doing very well so far, and you've almost made it to the end! For those who don't know, the bronze medals are the prerequisites to become full lifeguards, and these kids are well on their way! Keep an eye out in an upcoming Herald for the names of those who passed the exam.

This has truly been a great year so far, and I have really enjoyed being your head instructor. Thank you to all our swimmers for getting to lessons on time, as it helps keep us on schedule and ensures everyone maximizes their swimming time. We appreci-

ate all the effort involved to ensure kids of all ages are at the dock or beach with their required swim stuff.

We should finally be seeing some hot weather coming our way, so make sure you're staying hydrated and putting on lots of sunscreen!

Have fun in the water and swim safe!

Avery

Tennis News

Wow another season is almost complete. Our final tennis event is the Novelty Round Robin hosted by your VB Co-Tennis Convenors. There will be signup sheets at the courts on August 8th so sign up and be ready for fun on August 14th and 15th. The format will be similar to past years, and will start at 9:30 am sharp for level 1 and 10:30 for level 2.

Back by popular demand, there will be a third Kirbyson Doubles Clinic to be held on August 10. Times and sign up sheets will be posted soon.

Reminder, if you are a current annual trophy holder and your trophy needs repair, drop off the trophy at the tennis kiosk by August 15. Repair may include a damaged figurine or a required new tier as there may be limited plaque space.

Round Robin Results: July 23rd

1st Place: Nick Sagriotis & Ed Jeanson

2nd Place: Karl Ruban & Jacquie Schultz

3rd Place: Pat Harrison & Barb Hientzsch

PLEASE REMEMBER: TENNIS IS ONLY A GAME; YOUR HEALTH AND SAFETY ARE NOT. RESPECT YOURSELF, RESPECT ONE ANOTHER, BE SAFE!!

VB Cottage Owners Association News and Updates

As you know, the Victoria Beach Cottage Owners Association (VBCOA) has been keeping tentative dates alive for the Annual General Meeting. We have been patiently waiting and hoping that the covid protocols would change and that we would be allowed to have an indoor meeting with more than twenty-five people. We even went an extra step and contacted the government to see if there could be any exceptions if all rules are followed. There were no exceptions. It is particularly disappointing since there was such a tremendous turnout last year during round one with covid. We even had to turn quite a few people away last year. Many members have indicated they would arrive even earlier this year to make sure they got in and could attend. It is so good to see that residents are very happy to see the VBCOA as a strong and active voice again for the Vehicle Restricted Area (VRA) and want to show their support by attending.

Sadly, after a long discussion and talking to fellow members we have decided we have to roll with the COVID pandemic punches and cancel the VBCOA AGM this year. Limiting the meeting to

only twenty-five members did not seem right. (We had tossed around doing it later in the year, possibly in the city, but the reality is we don't know what lies ahead in 2021 to make any concrete plans.)

Of course this means there can't be the yearly election either, should there be anyone new who wants to run for the executive. So, the four of us – Blake Taylor, Kathy McKibbin, Linda Kliewer, and Andrew Stelmack – have agree to stay on for another year. (If anyone wants to help out on the board as well in the interim, don't hesitate to let us know!)

Over the winter and spring your VBCOA executive were strongly active in letting council know the VRA's positions, on behalf of the membership, on the following: Allowing snowmobiles and ATV's on our restricted roads in the off-season, the proposed selling of RM lots on Gibson that are now used as paths for residents, the alteration of the shoreline on Arthur by a private property owner despite councils disapproval, the newest By-Law proposal that wants to allow for more clearing of the land on our shorelines causing further deterioration of the banks, the passive approach to land being cleared on public shoreline cliffs, the RM's desire to widen our roads, as well as our continued presence regarding deadfall and decaying trees on RM property and the Fire Safety consequences. We made great headway on most issues, and it is because of all the emails you sent to council to back us up! Never underestimate how important it is to stay informed year-round and let your voice be heard to maintain and protect the vehicle restricted area of VB when needed!

To keep yourself up to date, remember we have a private Facebook page for VBCOA members. On top of regular updates on the above issues, it is here that we get to have civil engaging discussion on the issues brought forth by our membership. The private FaceBook page has also been offering tips and information on Fire Safety, our tree canopy, the spring water issues, the doctors office, the census, and the Fire Bans, among others. Our private Facebook page continues to be a focused page on matters solely pertaining to the VRA. We now have over three hundred FaceBook members and recommend you join it if you or your family own a cottage or permanent home in the VRA. To join go to the VBCOA private group page, click on "request to join" and be sure to answer all three questions.

If you are not a FaceBook user you can still keep up to date on any issues that arise throughout the year, by regularly checking out our website www.vbcoa.ca. As well, if you want to be alerted on anything that we deem as a critically important, pressing and/ or time sensitive situation for the VRA, please be sure you are on the mailing list. You can join by contacting us at vbcoaexec@gmail.com with your name and VB address.

Going forward into the fall and winter of 2021-22 these are the important issues that we see on the horizon:

- A new By-Law 1622 (clearing vegetation on the banks) is being introduced by Council. We see this as a very real threat to the stabilization of the banks/shoreline and to the aesthetics of our beaches.

- The need for the VBCOA to send a delegation to the government asking that the responsibilities of the public beaches and how they are maintained and protected be turned over to the RM. This could be with the proviso that the Shoreline Erosion Technical Committee always be consulted as well as our own Shoreline Committee. (We requested making a joint presentation with RMVB, but our request was denied by Council).

- With the growing turnover of cottages to newcomers which we welcome, and increased renting of cottages – fewer and fewer are being handed down to the next generation. We are proposing a new “Welcome to VB” pamphlet distributed to all new owners, all renters, and all real estate agents selling property in the area so that all are clear what the vehicle restricted area is all about. It is important to convey our history and what we need to do to maintain and respect it.

- A continued push for clearance of deadfall on public property and making sure the roadways stay as they are.

- Forcing expensive “bear resistant” garbage cans on taxpayers, telling them that without them they will not get the garbage pickup service that their tax dollars entitles them to.

- How to improve and make more convenient the garbage and recycling drop off area.

- Council has placed 1.2 Million Dollars in the 5 year plan for the construction of a municipal office

to be built in 2023, when the majority of property owners do not reside in the RM.

- Please remind everyone that an RMVB municipal election is in 2022. It is imperative that all of our traditions are maintained, respected, and appreciated by those who run. We must have an immediate voice(s) on council to remind those who may not fully understand our specific needs.

As well, since we cannot have an AGM this year, the executive is also planning to do a wrap-up video talking about the year and the year looking ahead, sometime before the end of the summer. We will let you know when it is ready.

In closing we wish everyone a wonderful rest of the summer and fall, and we look forward to the day when we beat covid, the pandemic is in the rear view mirror, and we can all get together once again as a group to celebrate the special place that is Victoria Beach!

Yours truly,
The VBCOA Executive

Eight at the Gate 10 Years on

There are a lot of kilometers (and miles in the case of Phil Murray) in those legs. Many of the bikes are still around, with some replaced by newer, lighter, more efficient ones. Occasionally the older ones are passed down to beginning riders along with coaching. The riders are the same, enjoying the sport locally and internationally. We ride for fitness, fresh air and conversation (ask Phil about the Race Across America). Some of us have raced professionally, participated in Gran Fondos, and toured Canada, United States, Europe and elsewhere. The rides here bring us together in our shared pleasure of riding at Victoria Beach.

Rides leave at 08:00 every morning from the gate. On August 9th we will switch to leaving at 09:00 and on September 6th leaving at 10:00. For further information contact Bob Marshall, cell 204 261 4292, VB land line 204 756 8255 or find us on Face Book "Eight at the Gate".

Participant new to VB Bike Jam shocked to discover the Bike Hike is a different event.

Longtime River Heights resident, and recent VB visitor, Michael James Richardson Patterson was thrilled to be able to score a ticket to the 3rd annual VB Bike Jam when tickets sold out in milliseconds. That thrill turned to shock when he showed up at the kids Bike Hike early on Wednesday to learn that these were two very different events.

Demand quickly outstripped supply last week when eager bikers flocked to social media and online ticket vendors to acquire these coveted tickets. "I couldn't believe my luck" recounts Patterson upon winning the "golden ticket" last week, "I thought, this is my year!" That weekend glee quickly turned into confusion when he showed up to the Village Green on Wednesday morning.

"At first I thought that Bike Jam folks were just bringing their kids to an adjacent event. No big deal, right? It was also friggin' early!" For Patterson, it was a very big deal. About half way through the bike hike, near the lagoon, there was talk of treats at Albert Beach.

"I didn't bring any cash. I thought this was an all-in thing?"

Thankfully for Patterson, several 7-9-year-olds pooled their change to get him a creamsicle.

"I was told legendary stories of melt your face off cocktails, awesome beach games, and late-night surprises on the beach. And usually at least one or two beer".

Patterson stated that, while he has no grounds for comparison, the Bike Hike was not a total loss.

"Parents should know that they have some good kids out there. I have hope for the future. I just need to get my #\$\$! together and read the fine print".

Patterson claims he will endeavor to get tickets to next year's Bike Jam, and may just tag along with his daughter to a few more Bike Hikes.

Library News

Hi VB!

It's been another great week at the library! Thank you so much for all of your donations for the book sale, we really appreciate it. We also want to thank everyone who brought back their overdue books this past week. That being said, our tally of overdue books keeps growing, so please return or renew your books before their due date.

Without further ado, here's our book of the week:

Title: The Mysterious Affair at Styles

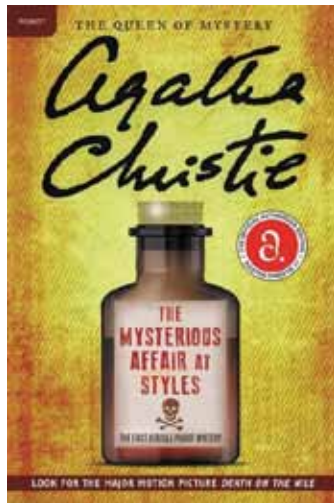

Author: Agatha Christie

Age group: Adult

Genre: Murder Mystery

It's the book that starts it all, that introduces one of literature's great detectives. The Mysterious Affair at Styles will have you guessing from start to finish how a woman could be murdered from her locked room, with no evidence of a break in. In a stunning debut, Hercule Poirot, the famous Belgian detective jumps on the case. This thrilling mystery will have you stumped until the very last page. So come down and check it out at the library!

Happy reading,
Scott and Stephen

VB Country Market

The VB Country Market continues to run Saturdays from 10AM to 1PM. We are welcoming so many vendors and shoppers this summer. On July 31st we hosted around 70 vendors – far exceeding our expectations. There are several new vendors each week along with vendors joining us all summer.

Thank you to all shoppers and especially the market volunteers who make this possible every Saturday. We have ninety-five (95) vendors registered to participate in the market throughout the summer.

The market entrance is on the parking lot of the Victoria Beach Community Centre (VBCC). The VBCC is on Highway 59N at Ateah Road – you can't miss us!

The breakfast volunteers are offering breakfast starting at 9:00AM on a takeout basis with hot dogs available around 12:00 until 1:00 PM. Picnic tables available in the sunshine or in a shaded area – the outdoor bar area.

This summer we are also running a raffle (LGCA 1723 RF-35897) The Best Sleep of Your Life. Tickets are \$5.00 for a chance to win a Queen size Riviera Mattress and Boxspring valued at \$2,000. Draw proceeds will be used to purchase accessible play equipment for the new playground – so all our children can enjoy. In addition to that – we will work to enhance the skate park/outdoor concrete pad to encourage older children to enjoy the area as well.

Thank you to Dave's Furniture and Appliances of Powerview-Pine Falls for the donation. Only 1500 tickets available. The draw will be held Saturday October 9th 1:30 pm at the VBCC.

See you at the VB Country Market!

VICTORIA BEACH DOG SHOW

11:00 am, Saturday August 7th at the Art Vincent Memorial (Village Green)

This is the place to be if you are a dog, a dog owner, a "someday we are getting a dog" person or just plain love dogs. It's the Victoria Beach Dog Show and you are invited! In 2019, we had 36 dogs join us for the show and we're hoping to see 50 or more

pups out for this year's event. Show us a trick, tell us a story or just let us see your friend. Every dog gets a doggy bag full of loot, and everyone is a winner! Come join us to celebrate and enjoy our furry friends! If you are bringing a dog for the show, please arrive at 10:45 am to register. See you at the show!
