VB Club Rec Program Changes

Crafts - Tuesdays

Will now run in the Clubhouse from noon till 2. Number will be capped to accommodate social distancing recommendations. If we reach capacity, additional children will be permitted to enter as others finish up and leave the building.

Movies - Tuesday/Thursday

Will run in the Clubhouse with a maximum of 50. Same movie will be run twice in the evening at 6pm and 8:30pm with younger children needing parental/babysitter to accompany them to attend the earlier show. See movie listing post for more details.

VB Club Calendar Addendums

Beach Events

July 5, 2020
Rec staff managed. Stations spaced to minimize crowds.

Sports Day

July 11, 2020
Two timeslots based on age. No egg toss or balloon burn break relay.

Sandcastle Building Contest

July 12, 2020
Stations will be well spaced out.

Volleyball Tournament

July 25, 2020
Check for details in Herald

Masquerade

July 25, 2020

President's Message

Hi all, we have enjoyed a fantastic 5 weeks of VB Club regular and special activities and we are now heading into our final week of programming. This past week has been exceptionally busy with special events! After several weeks of "training", adults and youth alike had the chance to showcase their skills at the junior and senior tennis tournaments, and the youth soccer tournament. Additionally, the VB Club Raffle was held on the long weekend and the Tennis Capital Campaign "Let's Rally for the Future" was launched to raise funds to replace the tennis courts. A big thanks to all who contributed to these fundraising efforts, your participation is most appreciated!

I would like to take a moment to acknowledge the individuals who have invested their time and talents in organizing the special events this past week. A big thanks to Kim & Kevin Goetz, Mike Bru, Jenny Hasenack Bru, and Kerra & Adrian Frost - Junior Tennis Tournament; John Blair & John Heppenstall -

Senior Tennis Tournament; Adrian & Kerra Frost and Brad & Anndrea Nechwediuk - Youth Soccer Tournament; Carol Loader & Carol Falkenberg - Tennis Capital Campaign; and Suzy Blunderfield & Shannon Bowden - VB Club Raffle.

For all those Winnipeg Jets fans, they were finally back in action on July 29th and two games were shown at the Clubhouse this week - Go Jets Go!!

If you have not already had a chance to attend the many Club activities offered, you will be able to do so this week. Fitness, swimming, tennis, rec and library activities continue until August 14th and the teen windup extravaganza will be held on Wednesday August 12th.

For everyone who has volunteered their time to the events and activities offered at the beach this year, you are invited to attend the Volunteer Appreciation Event at 7:30pm on Friday, August 7th at the Clubhouse.

Heather Turzak, VB Club Vice President

Council Corner

Another amazing week of summer weather at Victoria Beach!

Congratulations to Drew Allwright and the Playground Committee at the VBCC for securing all the required funding for a new playground structure which will be located behind the Country Market site and next to the skateboard park. The funding goal was reached through a combination of fundraising and a successful grant application through the Province's Building Sustainable Communities program. Construction will begin this Fall and the new playground will be open in Spring 2021!

Our latest COVID-19 update for the RM has been published and is available on the RM website, through e-News, and on our FaceBook page (RM of Victoria Beach).

Have you registered for CONNECT Victoria Beach? CONNECT is a communications platform implemented by the RM to broadcast important information to all residents in a timely fashion. Information can be received via email, text, or phone call. You can register for CONNECT Victoria Beach by calling the RM office at 204-774-4263.

While we have had some rain, conditions around the

RM are still very dry. Thanks to all residents for an unprecedented amount of brush collected this summer! While beautifying your property, you've also taken great strides in making our community a safer place against fires!

We have a lot of amazing folks here in the RM who give their time freely in helping to enhance the quality of life here in Victoria Beach and in other places. If you know of someone who goes above and beyond for their community, nominate them for our VB Volunteer award. Information is available on the RM website, or you can contact Councillor Steve Axworthy at saxworthy@victoriabeach.ca.

Work is nearly completed on the Sandy Bay beach access stairs to make them safer and more accessible. Thanks to all beachgoers for your patience as you walked the gauntlet of workers.

A note to folks who have purchased the new bear-resistant bins - leave your bins unlatched when they are empty. We had our first reported bin/bear encounter last week. While the bin took quite a beating, it remained closed. The bin was empty at the time, and if the bear could have seen that it was empty, it might have just moved on.

That's it for this week - have fun out there and Stay Safe!

About the Victoria Beach Herald

One of the longest continuously publishing community newspapers in Canada, now in our 95th year, the Victoria Beach Herald is a service of the Victoria Beach Club. The Herald prints nine issues each summer on Fridays from late June to mid-August. The Herald welcomes submissions from readers focused on family events, beach happenings, community issues, etc. Letters to the Editor are always welcome: they must be signed with the author's name and be written with the understanding that many people read the Herald, including youngsters.

Submissions should be sent via email to vbherald@shaw.ca. Those without access to email can place written submissions in the VB Herald mailbox behind the cash counter at the Victoria Beach General Store. Submission deadline is 4PM Fridays except for VB Club event convenor submissions for events occurring on weekend days.

To support pandemic safety measures, the Herald is now available via newspaper boxes placed outdoors at the Parking Lot, the Golf Course, and the Village Green.

Editor

~ Letters to the Editor ~

First Responders in Victoria Beach

The Victoria Beach Fire Department & Medical First Response Unit (MFR) have now received the much-needed Personal Protection Equipment (PPE) needed to respond with the Covid-19 hazard that is out there.

When you have a Medical Emergency and call 911 to tell them you have a medical emergency, they will immediately transfer you to MTCC. MTCC is the Provincial Medical Transportation Coordination Centre and they are the Ambulance Dispatch Centre. The call will be answered by a Paramedic trained to evaluate medical emergencies. This operator will ask questions to determine the appropriate response to your emergency.

The operator will look at their Ambulance tracking system and dispatch the closest Ambulance and depending on the medical emergency, they will dispatch the Victoria Beach Fire Department MFR unit. The MFR unit personnel will arrive at the emergency and start emergency care to the patient. When the Ambulance arrives, the MFR personnel will assist caring for patient and when the patient is ready for transport, turn care over to Ambulance attendants.

With the Covid-19 hazard still a threat to the community and first responders, MTCC will be determining what calls the Victoria Beach Fire Department MFR Unit will be attending.

You can be prepared for a medical emergency by having an appropriate visible civic address sign at your property. The appropriate visible civic address sign will ensure that responders can find you when you need them the most. If you need one of these signs please contact the RM Office.

When you see the lights and hear the sirens and horns on our emergency vehicles in your area, please give way on the roads and please respect the fact that time is of the essence in any emergency.

Thank you

Brad Patzer, Fire Chief VBFD

Editor's Note: A visible civic address sign can help emergency personnel get to you faster. A sign can be purchased through the RM for \$60. Go to the RMVB website at <http://rmofvictoriabeach.ca>, click on Resident Info, and then click on Civic Addressing along the left side of the screen.

The idea that the courts should be redone at a potential cost of 400,000 dollars makes little sense. Because of the Manitoba climate there remains the possibility of freezing under the surface. The replacement of the clay courts was a serious error. Clay is cheaper and much easier on aging knees. There are many clay courts in Montreal in both Outremont and VMR/TMR.

Stuart Juzda

Best Spot in the Lot Raffle Fundraiser!

A reminder that, due to COVID-19, we are putting this on hold for a year.

If you would still like to support our amazing community of front line workers and facilities we would gladly accept a donation. You can drop it off at the Parking Lot, or at 42 Gibson Drive. (Cheques made to the RMVB) Please feel free to contact me on my cell at 204-226-9057.

Just a small reminder while visiting the beaches area ...

Be respectful to yourself, be respectful of others and be respectful of the environment around you. If we all use these simple rules then fun can be had by all. Including our commendable volunteers who continue to keep us safe and save lives.

Sincerely,

Jona Green

VB Community Center to get a fun upgrade!

We are almost there! The Victoria Beach Community Centre (VBCC) will soon be home to a brand-new play structure. In 2013 the previous structure was dismantled to make room for the new playground with the intention to eventually replace the old structure. That day is closer than ever thanks to those who recognized the importance and value of creating a dedicated green space for our children and youth as part of the VBCC grounds.

Community support through fundraisers, private donations, offers of work in kind and support from other community groups, has allowed us to come a long way. The recent funding announcement by Wayne Ewasko, MLA for Lac du Bonnet enables us to begin immediate construction on our new playground thanks to the Building Sustainable Communities program.

The new playground will be situated behind the VBCC Country Market grounds -- beside the existing skateboard park. The outside washrooms will also be upgraded as part of the project. The Safari-themed structure includes a swing set, 2 slides, various climbing areas, a spinner, and of course no safari is complete without a jeep to encourage young imaginations as they explore the wilds of Victoria Beach. With construction slated to begin this fall, our hope is that the new playground will be fully operational by spring of 2021.

Thank you to everyone who has supported our vision and is helping to make this project a reality! Anyone wanting updates or more information on opportunities to support the playground project can contact myself, Drew Allwright at drew@allwrightcontracting.ca. The VBCC website at <https://www.vbcommunitycentre.com/> will also be updated on the progress of the playground.

If you are interested in making a tax-deductible donation, visit the website <https://www.vbcommunitycentre.com/donate-401286.html>.

[vbcommunitycentre.com/donate-401286.html](https://www.vbcommunitycentre.com/donate-401286.html). The VBCC hosts activities and events for children and youth year-round. These include Beaches playgroup, Youth curling, dance, game nights, events such as our Halloween Spooktacular day or SNOWmuch Fun winter carnival and of course the ever popular toboggan hill and skating rink are only a sample of events and activities that take place at the VBCC year round!

Back by popular demand ☺ YOU make these classes a success! Are you ready for a challenge? No equipment this year because of COVID-19 and we will spread out for everyone's safety. I hope to see you at my Bootcamp classes this summer!! For more information please call or text Julie McPetrie #204-979-2707

Where: Village Green (by train)
 Time: 9:15am-10am
 (Classes may be subject to change due to my work schedule in the city this year so please check out the VB Herald weekly, VB Instagram or text to confirm at 204-979-2707)
 When: August 10, 12, 14

As it is with any VB activity the classes are free with membership or day pass. Please wear your wristbands! Minimum age is 13 years old to attend regular bootcamp.

Tennis Courts Look Great - Why Do We Need to Rebuild?

Many of you may have participated or watched some of the Senior Open Tennis Tournament over the long weekend. You might be thinking to yourself, boy the courts look great! Why does the Victoria Beach Club need to rebuild them?

This is a classic example of putting lipstick on the so-called pig. If you saw the courts prior to the “touch ups” that were done in late spring, you may have a different opinion.

The bottom line is that if the courts are not rebuilt in the next 3 to 5 years, they will become unplayable. Courts 4, 5, and 6 have drastic heaving and crack issues because they were built too close to the water table. They need to be raised as much as 2 - 3 feet. The fence posts are heaving and in danger of popping out of the ground. The net posts are now unable to be rendered correctly at 90 degrees due to the pile deterioration.

I think the pictures below show some of the problems. These issues and others will only get worse.

Please consider supporting the Capital Campaign to rebuild the courts. The courts are a benefit to everyone at VB. The project may require up to \$400,000.

You can buy a personalized brick for \$250 or make a donation of any amount at victoriabeachclub.com/tennis. All donations are tax deductible and a tax receipt will be issued if the donation is over \$15.

Please help the Club with this worthwhile project.

John Heppenstall

Chair, Victoria Beach Tennis Capital Campaign Committee

Tennis News

Another great week for tennis here at Victoria Beach! As tennis is well underway it's hard to believe we are into August already. Once again, thank you to everyone for continuing to respect the social distancing guidelines at the tennis courts. As the Senior Open finished on Monday there will be no tournaments going on this weekend. Adult GVS will be taking place on Saturday.

Social distancing will still be practiced with the following guidelines:

1. Benches at the Centre Court Area will be limited to tournament players and convenors and staff only.
2. Benches outside of Courts 4-6 will have markings for social distance requirements.
3. No bikes in the centre area please use the bike racks outside 4-6 or by the 4Ave Entrance.

Please remember that tennis is only a game your health and safety are not. Respect yourself, Respect one another, and be safe.

A huge thank all the Tennis Attendants, they have done a fantastic job. As well, big thanks to John Heppenstall and John Blair for convening the Senior Open Tournament. It was a huge success!

Dana Plett, Tennis Convenor

Allan Morrish, Tennis Convenor

A Gust Ever After

The word August, at least according to the heads at Merriam Webster, can be defined as: 'marked by majestic dignity or grandeur'. When you want to use it in such a sense, one must pronounce it like this: "au-GUST!"

To us lakeside knot fanatics down at the VB Yacht Club, we are all about gusts. The gust is where a breath of wind matures into a most useful form; where the potential becomes the kinetic. What was merely a sound or a feeling transforms into a fuel, all the while remaining invisible. A gust can mean keep your head up, turn back, or just inhale deep and face the wind. Find the median. Get lifted. Sail on the lifts. Tack on the headers.

May this month of AuGUST be the lift that your summer needs. It's a time for organization, relaxation, and contemplation. There is no better time to get real. Make up your mind. Squash a beef. Register for classes. Tell somebody how you feel. We've all played our part in Act One by retreating in, and the subsequent fear is as palpable and repulsive as a seaweed sandwich in the thick of an algae bloom. It sucks, it gets deep, and in our freshwater paradise there is no tide to save us from whatever depths we've sunk to.

In times of turmoil, it's too easy to look back to calcified memories of rickety old kitchens and reminiscences of summers that seemed simple. However, the back end of every August is a reminder. A message by the seasons, for the season: that the beach changes, as does the weather, as do we. As we white knuckle like rookie sailors, hands trembling on a wishbone boom, we pump into the swells of the waning Summer. It's all a part of a grand and beautiful loop, marked by this latent August feeling. This is the time that even the weather chills out, when taking it easy comes most naturally.

So blow the sand off your can, pump up the jams, and remember that the VB YC is always ready to have you aboard. After all, feeling good is its own reward. Nobody knows it better than the people in the place where even the cookies have a happy face.

Captain James Q Limit - VB YC - 2020

Library News

Hey VB,

We had a great month in the library. So many people have come in to take out books. Thanks for all the book donations people have given! If anyone has any books lying around that they want to donate, we are always accepting donations. Children's story time will continue to be held on Wednesdays from 11:00 to 11:30 in the morning. It's so great to see all the kids there!

Make sure to return your overdue books. We have books that have not been returned from last summer and from the start of this summer as well. If the library is not open when you come to return your books, you can put them through the slot in the door.

We hope to see you at the library!

Alexis and Molly

An Unexpected Kindness

I think we can all agree that kindness, like chocolate, just makes everything a little better. The effects of kindness are magnified when the kindness is unexpected. Here are two examples of an unexpected kindness from members of our very own Victoria Beach community.

An unexpected visitor

A few weeks ago as I was sitting in my veranda, I had an unexpected visitor. The visitor arrived in true VB style, riding a bicycle while carrying a large cardboard box. I opened the box to find four beautiful blue and white flowered antique dinner plates that exactly matched my own dinner plates. My visitor explained that several years ago when she was at my cottage, she noticed that I had the same blue and white dinner plates. She had not used her plates in a while and had been saving them to give to me. I was humbled by such an act of kindness. It required thoughtfulness, effort and generosity, and the kindness of this gesture was made so much greater by the unexpectedness of it. Thank you.

Maureen Neuendorff

An unexpected gift

I am also quick to recognize my gratitude and appreciation for another member of the Victoria Beach community. This lovely lady bakes ... sourdough bread ... melt in your mouth delicious ... too good to be true ... sourdough bread!! Her packaging is beautiful, and her personal touch is displayed with every loaf. Unique and thoughtful. She bakes to express her creativity and to fulfill her passion.

How lucky was I to have received this unexpected gift of her love and kindness. I was beyond grateful for this act of grace and generosity, Yay me!

"Be Kind Whenever Possible. It is always Possible".

Dalai Lama

Elly Black

Have you been the recipient of an unexpected kindness? If so, we want to encourage you to send in your example to the VB Herald. During this time of uncertainty and disruption from COVID 19, let's take time to celebrate kindness by highlighting some members of our community that look for opportunities to be kind to each other.

Maureen Neuendorff

VB Country Market

The VB Country Market is having a hugely successful summer market season. The August long weekend had almost 40 vendors. New vendors weekly and some of the regulars that we look forward to seeing each week.

The market has operated for seven Saturdays including August 1st in the Victoria Beach Community Centre parking lot on Highway 59 and Ateah Road. The space rentals have helped operating costs for the Victoria Beach Community Centre especially during times when programs had to be cancelled. The market has also supported not for profit organizations who have been at the market promoting their programs.

This summer has seen several young entrepreneur vendors at the market. The future looks bright with their dedication, talent and hard work. Thank you to all for supporting these young stars.

A Victoria Beach Country Market Online page has been created on Facebook. You can see vendor albums or get in touch directly with vendors through that site. Go to Facebook.com, click on Groups icon along the top of the page and search for Victoria Beach Country Market.

Cindy and Dave Buss of Golden Bay Honey are with us the rest of the summer and we are missing Bob Main with his wild rice. His fall harvest wasn't optimal, and he sold out before the market started. There has also been no confirmation from the Veggie Wagon so other vendors are trying their best to fulfill our needs with fresh produce. To pre-order from Braman's you can email Doug at greens@highspeedcrow.ca. He will let you know what he has available and you can pick up on the Saturday.

See you at the VB Country Market and for breakfast – and thanks again for your patronage and a big thanks to our volunteers!

Carol Bartmanovich – Market Coordinator

55+ Golf Tournament

We are pleased to announce that the 55+ Golf Tournament will go ahead for the 41st straight year but obviously with modifications. We won't be able to have dinner and hence no silent auction, but we will have an enjoyable day of golf. It will be limited to 72 golfers, 36 for the 9:30 am tee time and 36 for the 1 pm tee time. As always, the entrance fee is free for members and \$15.00 for nonmembers (green fee).

There will be prizes for closest to the line, closest to the hole, putting contest, flight prizes and of course the tournament championship trophy. Nonmembers are only blocked from winning the championship trophy. Nonmembers are required to pay their green fee (cash only) upon signing up to improve social distancing on the day of the event. Signup available starting August 4, 2020. More information to follow.

Your golf committee,
Barry and Colleen Shurvell
Brian and Linda Connelly

Swimming News

With first session over and second session underway, we have had some time to ponder the numerous questions that come to us from inquisitive children. We definitely have the sense that the majority of our young swimmers miss interacting with their teachers and have been making up for lost time by literally asking a copious quantity of questions. Today we bring you:

Swimming Lesson's Top 10 Questions and Answers of the Season!

1. What time is it? Answer: Time to get a watch (apparently this question comes up a lot!)
2. How far is 25 m? Answer: The same as it was yesterday.
3. Can I stop treading water? Answer: Yes, after two minutes.
4. Do I have to go back in the water? Answer: Yes, you are the swim instructor.
5. Nine o'clock's too early for first lessons. Can I have a nap? Answer: Sure, as long as it doesn't affect your back crawl.
6. Why are you a boy? Answer: Ask your mother.
7. Are there any fish in the lake? Answer: No.
8. Is the water cold today? Answer: Maybe... jump in and find out.
9. Can you teach our whole lesson in French today? Answer: Mais oui! (and Matt did teach the whole lesson in French.)
10. Are those rain clouds? Yes. Is it going to rain? No. Is class cancelled if it rains? No. What if my towel gets wet? It won't matter because you'll be wet!

Seriously though, we are so pleased with how the lessons have been running. We have received many wonderful compliments from parents about the quality of instruction and the indefatigability of our instructors. And, there is no doubt the instructors are also appreciative of the energy and enthusiasm from their students... it is obvious that everyone is having a lot of fun at lessons!

As we make our way to the middle of the session, keep an eye out for mid-session reports coming home with your swimmer.

Be safe and keep swimming!
Greg and Lori Edwards

Landline at the lake?
Switch to the TELUS
Wireless Home Phone

\$10 per month

Call our Selkirk location to arrange curbside pickup or book an appointment
with a sales specialist! **204 785 4386**

Backed by Canada's largest mobile network, get unlimited nationwide calling all while paying less than most competitor's traditional home phone plans.²

No technician required. Simply plug in and keep your existing phone number, and get everything on one convenient bill.

Enjoy the convenience of staying connected wherever you go. Take it to the cabin, office, or anywhere else your weekend takes you.

1. For TELUS mobility customers. TELUS Wireless Home Phone is only available on a 2 year term. The retail cost the ZTE WF723 (equipment used to connect TELUS Wireless Home Phone device is \$125 plus applicable taxes. A cancellation fee applies for early termination of the service agreement and will be the value of the ZTE WF723 received in return for your term commitment, multiplied by the number of months remaining in the term (with a partial month counting as a full month), divided by the total number of months in the term, plus applicable taxes. 2. Best customer service claim based on a comparison of national wireless service providers drawn from the most recent report of the Commissioner for Complaints for Telecommunications Services; visit the CTS website or see telus.com/wireless for details.

VBPS...APB continued

We have had numerous complaints regarding the lack of social distancing being practiced. The following is direct from the Manitoba Government site dated July 25th, 2020. Please do your part to keep our community safe.

1(2) Organized indoor gatherings and events involving more than 50 persons may take place if (a) the number of persons attending does not exceed 30% of the usual capacity of the premises where the gathering or event is held; (b) the premises where the gathering or event is held is physically divided into separate areas which contain no more than 50 persons each; and (c) persons in each area are prevented from coming into close proximity with persons in another area during the gathering or event as well as when entering or leaving.

ORDER 15 15(1) Indoor recreational facilities, such as an escape room, arcade, trampoline park, laser tag facility, go-kart track, axe-throwing centre, climbing facility or children's playground may open if the operator (a) implements measures to ensure that members of the public are reasonably able to maintain a separation of at least two metres from other members of the public at the premises; and (b) limits the number of members of the public at the premises to 50% of the usual capacity.

Effective immediately, fine amounts will be set at \$486 for tickets issued to individuals, including sole proprietorships and partnerships, and \$2,542 for tickets issued to corporations.

The Victoria Beach Police Service will continue to serve and protect all with in the R.M. of Victoria Beach. Safety is our primary objective and we encourage people to call and report all incidents.

The Victoria Beach Police has a new FB page, feel free to join us! Thank you, merci and miigwech,
Chief Clarke, VB Police Service

VB YOGA

Summer Yoga is on! Yoga is back into the clubhouse!
Here's what you need to know...

- Please follow all of the covid-19 government and provincial health guidelines.
- Practice physical distancing at all times by keeping a distance of 2 meters apart when entering for class and when placing your mat down.
- Use the hand sanitizer provided when entering and exiting the clubhouse.
- The clubhouse washrooms will remain closed during classes, please go to the washroom before you come.
- Sanitize and bring your own mat to class.
- Please do any chatting/visiting outside before and after classes. We kindly ask that you exit the clubhouse right after class so we can wash the floors.
- The number of Yogis per class will be limited due to spacing, if we cannot fit you in for the 9am class we can reserve a spot for you in the following 10:45am class.
- To attend please wear your yellow yoga membership wristband or prepay for a \$5 day pass at the tennis courts.

Yoga Schedule

Monday - 2 classes: 9:00 - 10:15am & 10:45 - 12:00pm

Wednesday - 1 class: 10:00 - 11:30am

Friday - 2 classes: 9:00 - 10:15am & 10:45 - 12:00pm

AUGUST

MON 10 - KELLY: SLOW FLOW

WED 12 - NATASHA: SLOW FLOW

FRI 14 - ALERRY: HATHA

MON 17 - MACKENZIE: MODO

VICTORIA BEACH COMMUNITY CHURCH – A LOOK BACK The 1950s

While the Victoria Beach Community Church would continue to meet during the summer months throughout the 1950s, the big news early in that decade was the construction of St. Michael’s Anglican Church for the Beach’s permanent residents. The Herald frequently reported on events held to fund-raise for the new church, including an Old-Time Dance held in July 1951 at the Clubhouse by the Victoria Beach Merry-Makers and featuring an all-girl “imported” orchestra. All funds raised would go towards the purchase of the church’s organ. The dedication service was held on Sunday, August 10th, 1952 with Archbishop Sherman presiding. The first wedding (between Doreen Hampton and Edward Renville) took place at St. Michael’s the following Saturday.

With the completion of St. Michael’s Church, discussion followed at the season-end Business Session of the Community Church in 1952 on whether or not services should continue at the Clubhouse, or if moving to St. Michael’s might be an option. In the end, it came down to space and numbers. The Clubhouse provided ample room, with seating capacity for 400-500 Sunday morning worshippers, while the more intimate St. Michael’s sanctuary could seat only 100 congregants. The Herald noted that the ten summer services were attracting in the range of 5,000 people each season, representing Anglican, United, Baptist and Presbyterian ministers and adherents in a more informal manner of services. The decision was made to continue the Community Church’s services in the Clubhouse, which had been its home for over 25 years.

Despite the improved roads linking Winnipeg with Victoria Beach, getting the clergy to Victoria Beach in time for the Sunday morning service could be somewhat nerve-racking. Previously, the minister would often arrive on the Saturday afternoon or evening train, be put up at the Victoria Beach Inn or a private cottage by church committee members, have a restful sleep, a contemplative Sunday morning, resulting in the kind of a sermon that would “give you a big lift and a feeling of thankfulness that you were at Victoria Beach that particular Sunday.” With many clergy now forgoing the overnight stay, a number of clergy, it would seem, were under-estimating the amount of time it took to drive to the Beach, and were arriving just minutes prior to the service. While provoking some anxious moments for church committee members, the Herald assured its readers that “the clergymen have not disappointed them.”

A long-standing tradition of the Community Church has been to ensure those who needed transportation were accommodated. In 1958, Bert Trainor would drive anyone wishing to attend church who were unable to walk, as long as he was contacted long before Sunday morning, and ready to go by 10:45 a.m.

For the first time in almost a century of worship at Victoria Beach, the Community Church is unable to gather in 2020 due to provincial pandemic regulations and social distancing requirements. We hope to meet again in 2021, and you are most welcome to join us then! Have a wonderful Victoria Beach summer!

Masters Tennis Tournament Results

In the spirit of Victoria Beach Tennis the men’s singles 65+ finals was delayed to allow one of the finalists to heal from an injury that occurred during the men’s doubles event. On Sunday July 26 John Stapelton and Greg Thomas played an exciting match for the right to hoist the trophy and claim the coveted VB glasses with John being the victor in the end. These men are showing us that tennis is a lifetime sport, for sure.

Victoria Beach Support ... For Lake Winnipeg

For years, the Victoria Beach & District Walk for Water has connected our surrounding communities and generated vital funds to protect Lake Winnipeg. These funds help the Lake Winnipeg Foundation (LWF) address the root causes of harmful algae blooms by supporting research projects, training citizen scientists to collect water samples, advocating governments for evidence-based policy, and educating students and community groups – which have been highlighted in *The Herald* over the past few weeks.

Though the annual Walk for Water has been postponed this year, Victoria Beach cottagers have continued to support LWF by participating in the "... for Lake Winnipeg" campaign. Many of you have found creative ways to turn your favourite summer activity into support for a healthy Lake Winnipeg and we are so thankful for your involvement!

Historical Bike Tours

In July, Sheila Grover and Greg Thomas hosted weekly bike tours in support of LWF. Each week had a different theme, including 'Building the Beach', 'Leisure and Recreation', and 'Forgotten Places and Personalities'. The bike tours covered a lot of ground, literally and figuratively, with Sheila and Greg taking the groups right to the places where events happened or significant local institutions had formerly been. Memories and questions were shared and in some cases debated, helping to build understanding and community, while supporting a great cause!

Crafty Contributions

A group of young VBers worked hard making rainbow loom bracelets this summer (see photo from Maggie Bonnetta). Wren, Evelyn, Sullivan, and Spencer raised \$67 for the Lake Winnipeg Foundation with their bracelet sales!

Yoga Classes

VB cottager, Cathy Finnbogason, hosted a yoga class with a beautiful view at her cabin. Local yoga instructor, Hedy Heppenstall, donated her time and led the class of thirteen, raising over \$1000 for LWF.

Bike to the Beach

Bike to the Beach is a fundraising group

bike ride from Winnipeg to Victoria Beach. This year's event on August 7 was called the Founders' Ride, as it was the inaugural event. The organizers hope that it becomes an annual summer tradition for years to come.

Personal Walks

Several Victoria Beach cottagers have decided to complete the typical Walk for Water route even though the official event was cancelled. Bill McDonald, previous LWF board member (2011-2020), has participated in 11 walks to date and is collecting pledges in support of his personal Walk for Water. Similarly, Andrea Moore, who has attended all but one of the previous walks, is collecting pledges and completing her own walk.

Still want to participate?

There is still time to organize your own (socially-distanced) personalized activity and/or fundraiser based on your skills, talents or

interests. We would love to see how you show your love for the lake. Whether you raise money, raise awareness, or simply share your favourite part about Lake Winnipeg, we want to hear about it! Please share your stories, photos or videos by emailing them to LWF or tagging LWF on social media and using the #forlakewinnipeg hashtag.

RMVB Garbage Pickup Summer Schedule

Door-to-Door pick-up is as follows (June 29 to Sept. 9, 2020):

MONDAY - Albert Beach, all areas south of Arthur Road and west of Ateah Road, including Ateah Road

TUESDAY - All avenues in Restricted Area north of Arthur Road including Sunset Boulevard

WEDNESDAY - Municipal garbage enclosures in all areas.

Garbage is to be placed in garbage bags and left in containers (preferably bear-resistant ones). Containers are to be placed in the front yard - **not on the road allowance** - by no later than 8:30 am. **PICK-UP IS FOR HOUSEHOLD GARBAGE ONLY.**

TRAVERSE BAY LANDFILL: PTH#11 - 3 miles east of PTH#11 & #59 intersection. Summer Hours OPEN DAILY - 9 am to 5 pm.
 A pass is required, they can be picked up at the gate, public works, or the municipal office.

Artists in the Green Thursday, July 13 • 1-4 pm

Next Thursday we will welcome a number of artists to the Village Green and people are invited to join us for some very unique and engaging experiences!

Doug Mackie will lead a class on Diamond Willow Walking Stick carving. This class has a \$5 to \$10 fee depending on the size of stick you choose to create. Class is for all ages, but younger children will absolutely need parental assistance.

Dan Waldman will be giving a demonstration of bowl carving and he will have a number of finished carved bowls for sale at the event.

Chris Ford is a very talented local photographer who has captured many beautiful images of landscapes, fireworks, wildlife, etc. Chris will be showing some of his recent works and you will have an opportunity to purchase if you find one that you love!

Any other artists who would like to join the afternoon to put on a class or demonstration please send a note to vbherald@shaw.ca before July 12th!

COVID-19 NOVEL CORONAVIRUS INFORMATION FOR COTTAGE OWNERS

May 12, 2020

Public health officials advise Manitobans to stay home as much as possible to prevent the spread of COVID-19. When people do go out, they should take steps to maintain social distancing.

If you must travel to your cottage or second residence, follow these guidelines:

- **Do not travel** if you or any of your family members require medical care or have symptoms of COVID-19 (fever, cough, runny nose, sore throat, shortness of breath or difficulty breathing). If you have any symptoms, use the screening tool at: www.sharedhealthmb.ca/covid19/screening-tool/ before you travel to see if you need to be tested.
- If you or anyone with you begins to feel ill or experiences COVID-19 symptoms, **return home immediately.**
- **Do not use** local health providers, unless it is an emergency.
- In the event of a medical emergency requiring evacuation, be sure you can contact local authorities. Emergency contact information varies by region. Ensure you collect and take that information with you before you leave home.
- Public officials have advised people not to travel outside Manitoba, with some exceptions. These rules apply only to travel in Manitoba. Authorities in other provinces control restrictions in those provinces.

For information on any travel restrictions or public health orders in place, visit www.manitoba.ca/covid19

- › Travel with immediate family members who live with you.
- › Do not visit others outside of your immediate family.
- › Maintain a two-metre distance from all non-family members.
- › Wash your hands frequently and thoroughly.
- › Take required prescription drugs and medical supplies.
- › Use local restaurant patios and shop at local businesses, but use curbside or pick-up services where available.
- › Avoid tasks that may result in injury.

Eight at the Gate

The Great Trail – An Alternate Ride

Start point at the Village green.

Hi all, we have enjoyed a fantastic 5 weeks of VB Club regular and special activities and we are now heading into our final week of programming. This past week has been exceptionally busy with special events! After several weeks of “training”, adults and youth alike had the chance to showcase their skills at the junior and senior tennis tournaments, the rookie mini tennis tournament, and the youth soccer tournament. Additionally, the VB Club Raffle was held on the long weekend and the Tennis Capital Campaign “Let’s Rally for the Future” was launched to raise funds to replace the tennis courts. A big thanks to all who contributed to these fundraising efforts, your participation is most appreciated!

I would like to take a moment to acknowledge the individuals who have invested their time and talents in organizing the special events this past week. A big thanks to Kim & Kevin Goetz, Mike Bru, Jenny Hasenack Bru, and Kerra & Adrian Frost – Junior Tennis Tournament; John Blair & John Heppenstall - Senior

Riding the trail today, July 31, was a bit of a challenge. The segment from Victoria Beach to Albert Beach was in great shape aside from the usual sandy spot at the beach access. The segment from Hillside/#59 corner to Belair Rd, in spite of the gates restricting vehicle access has had a fair amount of quad traffic which tends to degrade the surface, especially when dry. I was able to ride it on my cyclocross bike (42mm tires) but a mountain bike with 2” tires might have been a better choice. The Belair to Lester Beach portion is a “mixed use” trail and was similarly challenging. The return ride on Lakeshore Rd provided some respite from the rough surface of the trail. The downpour from Hillside Beach to home served to rinse the sweat and dust off me and the bike! Total distance for this ride was 40kms +/- and it took about 2.5 hours. Watch for the signs. Congrats to the people that make this trail a reality.

Trail head at junction of Hillside Rd and Highway #59.

MULTIPLE LISTING SERVICE

ITS COMING: GET READY

The 2020 VB Novelty Tennis Tournament:
August 15 & 16, 2020

The format of the tournament will remain as a team tennis event. Tennis Canada COVID-19 recommendations in effect. There will be 4 people per team, playing in two divisions. Winners will be decided by total games won. All matches will be pro-sets, and games will be no-ad deuce.

Teams will be meticulously selected and blended to maximize your enjoyment no matter what your level of play. Amazing prizes this year reflecting our Victoria Beach traditions!

Sign-up sheets will be posted at the tennis courts on Friday Aug 7th at noon. Sheets will be taken down at 5pm on Thursday Aug 13th or as soon as the first 48 players have signed up. Teams and draws will be posted no later than 5pm on Friday Aug 14th.

Entry fee is \$5.00 and please pay before you play. All entrants must be members of the VB Club, and have their own shoe tag.

Need more info? Contact Frank Manning at 756-8685 or fmanningob@aol.com.
