# Golf Course Report

Once again, I would like to welcome back all the Members, new Members and green fee players.

The season is well under way and the golf course is in great shape. All the rain we have had has

helped the golf course green up nicely. The V.B. golf course can take as much rain as mother nature can throw at it.

We have new tees on holes 3 and 4, and there are temporary tees for now -- the new ones will be in use very soon. The men's tournament is the 22 of July and the ladies is on the 27 of July. You can sign up starting July 5th. If you want to hold a tournament, call the clubhouse (204) 756-2435; we would be happy to help! So, grab your clubs and head down to the course and enjoy the gem that is in your own back yard!

Looking forward to seeing you here.

Karl Hutchison, Manager

# VB Library News

Hi VB!

We're thrilled to be supplying you with all manner of books, events and recommendations regardless of age or interests. We have a huge shipment of new books coming to the library for your enjoyment, so look out for these soon. Also, the annual book sale will be upon us soon should you like to purchase some new books for yourself, so be prepared! If you want to make space for some new books in your collection or have some books to pass on, we are always accepting donations!

We will be resuming our book of the week series this year, so look for that in the coming Heralds.

Also resuming will be our youth book club and children's story time! If you or your child is interested in the book club, please sign up at the library. Children's story time will start next week at 9 am on Wednesdays.

We're super excited to be back and thrilled to see all of you at the library!

Happy reading,  
Your Librarians

Nick Carlson

Hi VB

My name is Nick Carlson...but my friends call me Slick Nick and I just finished my Grade 10 year at St Paul's High School in Winnipeg. I am looking forward to the summer at the Beach and working at the tennis courts.

One of the people that I look up to is Connor McDavid as he has an incredible work ethic and has been successful in his career because of it. He has faced adversity and overcome it, to become one of the best hockey players in history. He also gives back to the community through different charitable organizations. My VB bucket list this summer includes, playing tennis, driving my sea-doo, staying out late and hanging out with my friends and golfing.

Hope to see everyone at the courts!

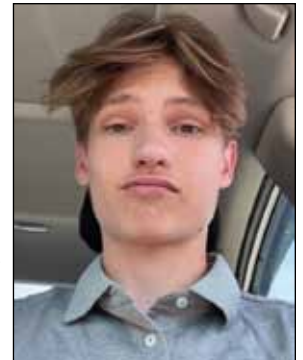

Chris Derksen

Hey everyone, my name is Chris Derksen and I'm hyped to be back for my third year at the courts! I finished my last year of high school at Miles Macdonell Collegiate and am taking a break from the books for the next off-season to do some travelling.

I look up to my parents as they demonstrate hard work and push me to be my best everyday. They are great

role models who help guide me through life. An athlete I admire is Roger Federer as he displays class when he's on the court and is the greatest tennis player of all time.

My plans for the summer have stayed the same as always; being with friends, going pier-jumping, eating at The Moonlight, and of course playing tennis. I can't wait to see everyone back at the courts for another great summer!

## Police Corner

It's great to be back for my third year with the Victoria Beach Police Service!

As mentioned by Chief Pawl in the last edition of the Herald I will be supervising the Community Safety Officer program.

By way of background I served with Manitoba Justice for 41 years in the Community Safety Division, with the majority of my career at the Winnipeg Remand Center. I was a manager there as well as a member of the Emergency Response Unit for over 20 years. I also held the positions of Staff Trainer and Use of Force Instructor at

various times during my tenure at the Remand Center.

I hope to meet many of you as the season progresses and answer any questions that you may have. If I don't have the answer for you at that moment, I'll find it and get back to you!

Just a reminder, the Restricted Area is closed to vehicular traffic unless you have an exemption.

Enjoy the beach!

Anthony Ayre  
CSO Supervisor

## About the Victoria Beach Herald

One of the longest continuously publishing community newspapers in Canada, now in our 97th year, the Victoria Beach Herald is a service of the Victoria Beach Club. The Herald prints nine issues each summer on Fridays from Late June to mid-August. The Herald welcomes submissions from readers focused on family events, beach happenings, community issues, etc. Letters to the Editor are always welcome: they must be signed with the author's name and be written with the understanding that many people read the Herald, including young people.

Submissions should be sent via email to vbherald@shaw.ca. Submission deadline is 4PM Fridays with the exception of VB Club event convenor submissions for events occurring on weekends.

The Herald can be found in bright orange VB Herald boxes throughout the community. Digital issues of the Herald can be found on the VB Club website or by scanning the QR Code. Please also visit and subscribe to the VB Herald Facebook @vbherald and Instagram @victoriabeachherald.

Council Corner continued

with the increased windstorms we have been seeing, hazardous trees are a growing concern. In May, 6 out of the 9 fire related calls in the municipality were a result of trees touching power lines.

To that end, it is important to remember that even though the drought conditions in our area have ended, wildfires continue to be the greatest threat to our municipality. To limit the risk of an out-of-control wildfire, it is vital that we all do our part by removing and replacing the conifers around us with deciduous trees. Evergreen trees are made to burn in order to rejuvenate the forest. We can each do our part by rejuvenating our forest by laying down wood chip mulch from the free local supply at the public

works yard to retain soil moisture and develop fresh soil. Just remember to place the mulch, at minimum, 8 feet away from your residence.

For Fire permits, please go to: our web site and search for fire permit in the search bar in the top right of the screen. Remember, you require an approved fire permit, with a completed inspection, in order to have a legal fire pit in the RM of VB.

Regarding the flooding risk as a result of the very high-water levels, Council has, at the ready, an emergency response trailer full of water pumps and everything we need in the event of a major incident. We also continue to be in contact with EMO/DFA and are monitoring the dykes

daily. We have also acquired over 500 super sandbags in the event of a building storm and need to rapidly re-enforce the dykes.

Due to supply chain issues, the bear resistant bin acquisition was hindered. However, the bear-resistant bin supplier is working to have our order ready to ship within the week. To expedite delivery, some assembly will be required once we have them. We will assemble and deliver the new bins as quickly as possible.

Council Meetings throughout the summer will be held at the East Beaches Social Scene at 7 pm on Tuesday, July 5th & 19th and August 2nd & 16th. Everyone is welcome and encouraged to

attend. All meetings are recorded and uploaded onto our website, available via YouTube.

The RM is looking for a citizen representative to sit on the Allard Library Board. We have a branch of the Allard Library in the basement of the EB Social Scene. This is a minimum 2-year term and meetings are held in St. Georges, MB approximately every 6 weeks. Mileage at \$.60/km is paid. Please contact Councillor Kumka at ikumka@victoriabeach.ca or Mayor McMorris at pmcmorris@victoriabeach.ca for further details.

Finally, to end on a cheery note, Tax and Water Utility bills are due no later than Sunday, July 31st. Check with your banking institution for on-line deposit options or contact the RM office for information at 204-774-4263, toll free in MB only at 1-800-513-3839 or by email at vicbeach@mymts.net.

city -- the Jim August Memorial Bursary has been set up within the University of Winnipeg Opportunities Fund. This Bursary will support Indigenous students, new Canadians and refugees, and students from inner-city neighbourhoods. The goal of the Fund is to bridge the graduation gap and support a university-bound identity for everyone.

To celebrate Jim's life, his love of Victoria Beach, and to raise contributions to the Bursary Fund, a family-friendly, fun scramble golf tournament will be held on Friday, September 9th at 1:00 PM at the Victoria Beach Golf Course. A BBQ will follow.

To help with planning, please try to register before July 15th for the nine-hole golf tournament (\$50 plus green fee paid to the Golf Course). Part of the fee (and any additional donation you may wish to make) will be eligible for a tax receipt from the U of W Opportunities Fund.

For more information and for registration forms or bursary contributions, please contact one of the Victoria Beach golf tournament committee members: John Gow (204) 250-1744, Bob Lawler (204) 296-3281, Terry Angus (204) 391-2772 , or Drew Perry (204) 791-0749.

Jim August passed away in November 2021. If you knew Jim, you will also understand how much he loved Victoria Beach. He took full advantage of all the beach community has to offer, including tennis, golf, beach time with family and friends, cycling and walking, and once as a reluctant sailor.

# VB Ladies Golf Tournament

SAVE THE DATE – July 27th - We are excited to be hosting 3 separate shotgun start T-Times of Ladies this year and welcome golfers of all skill levels as we gather together for fun and a great cause. With Heart and Stoke Foundation being our charity and theme this year we look forward to all golfers showing their spirit towards this great cause. We will have games for fun and skill on each hole as well as draws and contests. All funds raised will be donated to our charitable cause. One of our biggest fundraisers for the event is our Silent Auction - and as the generous community we are in the East Beaches – we welcome any donations to our silent auction prizes. You can drop off your donation of prizes at the VB golf course anytime. We are also looking for a few volunteers to help us with our event – so if you have a few hours to share in helping our awesome event contact Patti Ulrich at 204-955-3820 or patti.ulrich@mymts.net .

Registration for the event will open on July 5th and you must register in person and pay the full registration (including green fee) at that time. Hurry in as this event tends to sell out. This year's registration is \$30 for VB Golf Course Members and \$48 for Non-Members of the VBGC. (\$30 + \$18 green fee). Each golfer will get a great lunch and beverages immediately after their round in our big tent at the Golf Course – we encourage you to

socialize – we are excited to be able to finally do the social piece again! All golfers are invited to return (or stay) to the golf course around 3:45 in the afternoon for prizes and Silent Auction. Being that we welcome many golfers from outside the VBRA we encourage as many folks as possible that are within the VBRA to register for the 8:30 or 11 AM T-Times as it is easier for VBRA folks to return for prizes at the end of the day than it is for those outside of the VBRA. However, we also want you to do whatever works best for you!

On behalf of our great committee members.

# Accessibility Matters in the RMVB

Did you know that in 2013 the Province of Manitoba passed the Accessibility for Manitobans Act? This Act mandates that municipalities of every size must write, implement and regularly update an Accessibility Plan. Please go to <https://accessibilitymb.ca/> for information on accessibility in Manitoba. It is Council's responsibility and obligation to seek and provide solutions to enhance access for persons with disabilities and to remove barriers that impede the quality of life for persons with disabilities, and their caregivers.

Did you know that 1 in 4 Manitobans live with a disability? This number obviously grows as our population ages. Did you know that according to StatsCan the median age for VB residents is 61 whereas in Winnipeg that median age is 38? Nearly every one of us has a disability, knows someone with a disability or will have a disability in the future. Disabilities have no social, economic or educational limits and they can occur at any time. A disability can be temporary or permanent. A disability can take many forms and is not always visible.

Our Community Accessibility Committee, formed in 2016, has been a tremendous asset and resource for Council. These dedicated volunteers bring first-hand knowledge, thoughtful advice, reasonable solutions and provide valuable feedback on accessibility issues and removing barriers to accessibility in our community. The Committee consists of residents who live with disabilities and others who have worked with or in the disability community. There are two representatives from Council also serving on the Committee.

Our first Accessibility Plan was adopted by Council in 2019 and was recently updated in 2022. Please go to our website, [www.rmofvictoriabeach.ca](http://www.rmofvictoriabeach.ca) go to Forms & Documents, and click on Accessibility Plan, <https://victoriabeach.ca/p/forms-documents-for-information-and-documents-approved-by-council-on>

accessibility in our community.

Under the Accessibility Act, the province has and is developing standards addressing various issues with respect to accessibility. To date there are provincial standards addressing Accessible Customer Service and Accessible Employment. Our Community Committee and Council have worked together to develop, write and approve these standards for our community by resolution of Council. Future provincial standards include Accessible Digital Communication, Accessible Transit and Accessible Built Infrastructure and Public Spaces.

One of the mandates in our Accessibility Plan is education. We will be putting more articles on accessibility in future Heralds and thank the editors for the space to educate and inform our residents about accessibility issues. Stay tuned for our accomplishments to date in an upcoming edition of the VB Herald.

# This Summer, Get Involved to Help Our Lake

A beautiful day at the lake is something we all look forward to and cherish.

Since 2005, the Lake Winnipeg Foundation (LWF), has been advocating for change and coordinating action to improve the health of Lake Winnipeg. But they can't do it alone.

They need our help to ensure a healthy lake for now and into the future.

The Victoria Beach & District Walk for Water Committee coordinate summer events that bring our beach community together, raise awareness and generate vital funds to support LWF and protect our water.

This season, we invite you to get involved:

- Walk for Water: Contribute to or join our Walk for Water on August 7th, 2022, 9:45 AM on the VB Village Green. Download your donation/pledge form or create your online fundraising page; both found on the LWF website. The Ateah Family offer complementary morning parking at the VB Parking Lot for walkers.

- Bid for Lake Winnipeg: Check out the Bid for Lake Winnipeg online art auction which launches July 15 and closes on August 6th at 8:00 PM. The auction showcases lake-loving artists who have donated their artwork in a variety of mediums and price points.

- Bike to the Beach: VB cottager Scott McDonald and LWF are planning the third annual Bike to the Beach. Cyclists ride from Winnipeg to Victoria Beach on Friday, August 5th AM. You can join the ride or sponsor individual riders (see link below).

Join and/or cheer on these exciting events that together create a

great weekend of raising awareness and dollars for our precious lake! Watch for upcoming Herald articles highlighting the excellent work of LWF; see your support transformed into actions that improve the health of Lake Winnipeg.

See future issues of the VB Herald and/or visit [www.lakewinnipegfoundation.org](http://www.lakewinnipegfoundation.org) for more details on all three events, or call one of the committee co-chairs:

# Letters to the Editor

Many thanks to the mystery man with the wheelbarrow who removed the rusty nails and fixed the Alex stairs down to the beach!

*Lisa Heffelfinger*

In 2021 I was inspired by Barb Pritchard and Kristie Pollard's VB Big Clean and decided to take a trash bag along with me on my daily walk and when I went to the beach. I assumed that, over time, I wouldn't have anything to pick up. Boy was I wrong. From the beginning of July to mid-September when we headed back to BC I brought home a bag of garbage. Every. Single. Day.

For those of you stuck in the magical thinking phase of cognitive development I am sorry to break it to you but there is no Tidy Elf at the lake. Those drink bottles and cans you leave at the sports field or pitch into the ditch do not levitate to the nearest recycling container. The bags of chips and cheezies, granola bars, candy and popcorn you scatter at the beach do not dissolve overnight into perfect grains of sand. As for the used diapers and sanitary napkins the less said the better. Let's do better this year. Pick up your trash. Pick up someone else's trash. Love your lake means keeping it clean.

# One Good Turn

I got to the beach last Friday evening geared up for a weekend of celebrating my 60th birthday.

Apparently, I had my first "senior moment" shortly thereafter because when I returned to my truck to run an errand Sunday I saw that I had left my driver's window down all through that rainy weekend.

Imagine my surprise when I saw that someone had taken the time to gather a garbage bag and some duct tape and sealed it up for me! Thanks to them I will merely have to speculate on how my peers would be attributing my soggy pants to my advanced age when I hopped out the next time!

Kindnesses such as this are not a given in today's world, so they certainly warrant recognition. To my good Samaritan(s) please accept my gratitude and be assured I will "pay it forward" when opportunity presents.

Rec Assistants 2022 continued

**Emma**

Hi there! My name is Emma, I am 16 years old and I am going into grade 11 at St. Mary's Academy. I have a love for music, art and sports. My family has had a cabin in VB for as long as I can remember, and I am so lucky that I get to spend every summer here. I love my friends and family and Mushu, who is my 18-month-old, and very friendly, bearded dragon. I am super excited to be one go the Rec Assistants this year and I am looking forward to seeing and meeting everyone. Let's get this summer started!

**Lily Massé**

Hey, it's Lily! When I first started helping out with the Arts & Crafts program when I was 8, I never thought that I'd still be doing it 10 years later and running it for the fourth year in a row. But here I am! Born and raised in Quebec, I live in a bilingual household, speaking both English and French, in addition to Italian, which I have been studying for seven years. I just graduated from Cegep and will be

heading to McGill University in the fall. Although Montreal is my home, I am a prairie girl at heart. I've been lucky enough to have incredible travel experiences, but above all my favourite place to be is my cottage at VB! Catch me at the clubhouse on Tuesdays for the best summer of beach crafts yet.

## Battle of the Avenues on the Tennis courts SATURDAY July 2 NOON TO 3PM

Perhaps you have heard about the GREAT 48? They're GREAT because they have been raising money since January to rebuild the VB tennis facility.

In support of the Victoria Beach tennis court capital campaign, 48 amazing individuals wearing snazzy new jackets will be participating in a tennis extravaganza on Saturday July 2 from noon until 3pm. Besides the entertaining contests and games to watch on the courts, there will be displays, a few give-aways and a 50/50 draw. But if that isn't enough fun, there is more for you.

We need your involvement to make THIS a complete success.

Come down to the courts AT 2PM to cheer on the competitors representing your avenue or beach. From Sunset Boulevard to Eighth Avenue, from Wanasing to Albert Beach, don't you wonder who will take the prize?

Maybe you will get a chance to come onto the court and give them a hand!

# VB Club Membership 2022

Happy Summer ...Welcome Back!!

Wow ... first time in three years I don't have to talk about provincial guidelines, restrictions or the dreaded word "COVID" in the first membership article of the year...and I am DEFINETELY not complaining !!!!

While for many of us that live in Manitoba, the warm weather has really taken its time to make its appearance (for goodness sakes we still had some snow at the beginning of May) and more rain than we wanted or needed in the last few weeks ... but who cares ... beach time is around the corner! As we are getting ready to spend some time at our cottage, dusting off our tennis racquets, buying new Tommy Bahama chairs and stocking up on snacks ... the Victoria Beach Club Board has been super busy planning a fantastic summer calendar of events. As is has been for the last 101 years, (maybe a little less), in order to take part in any of the Victoria Beach activities, a VB membership is required.

So just like the past two summers, we are strongly encouraging all families to purchase memberships on-line again for many reasons, but mainly to keep the lineups and waits to a minimum, and to still be mindful of social distancing (we all have different comfort levels). The link to purchase memberships is [www.victoriabeachclub.com/membership](http://www.victoriabeachclub.com/membership) -- scan the QR code on this page to be taken directly to the right place!

The pick-up windows for memberships bought online prior to July 1 will be as follows:

1. July 1 from 10-1, at the parking lot,
2. July 4 from 10-12, at the clubhouse.

Please note there will be no door-to-door canvassing but there will be an opportunity to purchase memberships in person for those who are unable to use the online tool (strongly recommended) starting July 1, with the preferred method of payment of credit and debit.

Those who purchased memberships on-line but will not be able to attend the designated pick-up times, packages can be picked up

at the library during their regular operating hours.

Any changes of activities and events planned will be posted on our Facebook and Instagram pages as soon as possible.

Any questions, please do not hesitate to contact me.

Looking forward to seeing all of you, you know where I will be.....at Clubhouse Beach (my happy place)

## Village Green Bakery Update

If you have been following along on Instagram, Facebook or just stopping in at 112 Birch you will see we are pretty darn close to being ready – ready to start baking that is!

I have said it before but “I can’t believe I have pulled this off in 6 weeks!” I am so beyond proud of what has been accomplished ... all because you Y.O.U!

When we got the keys, it was a blank slate – there was nothing we could work with, and what was left had to be removed. Taking my vision to a reality was going to be an investment that we believed in – and was a five-year plan. However - a few phone calls later, a quick media blitz, and a rock star community (and mama) we are here today with NEW EVERYTHING and my 5-year planned crammed into 6 weeks!

There isn’t anything that wasn’t touched in the Bakery and surrounding land of Lot 6 -- new / safe floors, paint, lights, shelving, technology, appliances/tools, electrical, plumbing, ventilation, marketing/signage, safety protocols, products, packaging, retail display/cabinet - even our picnic tables are new ... and so much more!

We are still aiming for July 1st to open the doors – however I won’t promise the shelves will be full. My goal is to open the door – bonus is if we have something for you to eat! We will eventually host an epic Open House Gathering around mid to late July ... I know you are all excited to celebrate and trust me I am too ... but let’s get baking and open the door, and then we party!

Thank you a zillion times over for your patience, support, gifts, time, donations, kindness, hugs and giddiness! It has meant a lot to myself and my family!

See you soon!

Jen

## Meet your Librarians

### Scott Mitchell

Hi everyone! I’m Scott Mitchell, and I’ll be running the library again this year. I just completed grade 11, and next year I will be going into my final year of high school at Rundle College in Calgary, AB. When I’m not at the library, I’ll either be at the tennis courts or with my head buried in a book in a wide variety of places. I had a blast last year, as I’m sure many of you did, and I can’t wait to see everyone at the library again this summer!

## Flea Market & Book Sale Update

I regret to inform you that we are not able to host the flea market this year. Although a valiant effort was made to pull the required resources together, at the end we were not able to secure the truck needed to do the clean up. A sincere thank you to Lyndsi da Roza and Cathy Bizruchak for their efforts in this regard.

I am pleased to tell you that the Book Sale will be held on Sunday, July 10th from 1 to 3PM. Please drop off your book donations for the Book Sale at the VB Library during their regular hours or at the VB Clubhouse on Saturday, July 10th between 12:30 and 3:00PM. Library hours are in the VB Calendar on the VB website or on page three of this issue.

# Big VB Clean July 3rd Let's all Work Together!

Who remembers the trash can kids? We were paid \$5.00 a week to clean up our assigned location from the Village Green to the beaches. Who is picking up all the trash now?

We are looking for you to volunteer for removing trash around Victoria Beach.

How can we all help?

• Place a trash can at the end of your property on Sunday, July 3rd Remember to remove the can at the end of the day and toss the trash collected! The RM will not be picking up trash from these cans!

- Remove trash on private and public spaces.
- Just take a trash bag with you when:
  - Taking your dog for a walk
  - Walking to the store, Moonlight or Village Green Bakery
  - Watching kids at the playground
  - Out for a walk clean as you go
  - Off to play tennis take a moment to pick up along the way
  - Remove trash while out golfing
  - Going for a cycle down the highway
  - Planning to relax on the beach

We are looking for community leaders to encourage your neighbours to join in on the fun.

If you would like a trash bag, please reply at the email address below and we will drop off to your cabin.

Working together as a community we can make a BIG Difference.

Prizes will be awarded !! Like last year send in a photo of you and/or your family/crew participating in the Big VB Clean to the Herald at vbherald@shaw.ca. Thank you to our sponsors Take Pride Winnipeg, Moonlight Inn, Julie McPetrie - VB fitness director/Personal trainer, and the Victoria Beach Club.

Thank you!

This class replaces the traditional "old school aerobics," (although old school aerobics may still happen) changing the name gives the instructors more flexibility as to what they want to teach you. Tubing bands might be used in this class and will be provided by the instructor; however, participants are encouraged to bring their own in case there is not enough to go around. Please bring a water bottle to class and a mat or towel.

**Eight at the Gate**

We're back, not that we ever left. Hoping to see our out-of-province riders back!

Some of the riders at the finish of the Bike to the Beach, Lake Winnipeg Foundation fundraiser last year. This year's ride takes place on August 5th and a few riders from our group will be participating.

Our rides start at 08:00, as it says on the shirt. We leave from the "Gate" to Albert Beach, then on to Lester Beach, via Hillside Beach. The roads are lightly travelled so traffic is not an issue. The pace of the group varies from relaxed to speedy with some riders breaking off to add some hills (ok speed bumps) to their ride. New riders are welcome. We have riders training for participation in events like the Bike to the Beach as well as events further afield; Whistler XFondo (just past), Whistler Gran Fondo in September and others for fitness and socialization. Welcoming riders of all abilities, we provide coaching, encouragement and a fun way to enjoy a lifetime sport.

For information contact Bob Marshall cell 204 261-4292, email rmarsha@mymts.net, or find us on Face Book at "Eightatthegate".

# VB Yoga

We are excited to be back with a full yoga schedule at the clubhouse this summer!

There will be a wonderful variety of experienced teachers guiding classes that will be suitable and adapted for all physical abilities. If you have any specific variation needs due to physical limitations, please let the instructor know before class starts so they can provide appropriate options during the practice.

The weekly schedule and list of instructors will be shared in the Herald each week, in addition to a full summer schedule posted in the clubhouse.

Be sure to purchase your unlimited Yoga Pass through the VB Club website (you can scan the code on this page to be taken right to the page). This gives you access to all classes for the summer. Drop-in classes are available for \$5 cash at the door.

Please remember to show your yoga wristband at the door for entry. Bring a yoga mat and any props you may need (straps, blocks, blanket, water).

Thank you in advance to the Rec staff for assisting with the yoga program. We welcome any extra help from the yoga community as well. Feel free to grab a broom to sweep up some sand, open up windows, turn on lights and fans as needed, and help close up at the end of class. The community effort would be much appreciated!

Classes start Monday July 4th!
