Lake Winnipeg: Your support drives evidence-based advocacy

When you support Walk for Water and other summer fundraisers, you are making an important contribution to the protection of Lake Winnipeg.

Funds raised at these events are used by the Lake Winnipeg Foundation (LWF) to advocate for evidence-based phosphorus reduction. Persistent, evidence-based advocacy is crucial to advancing freshwater solutions; it is how we create change at the scale necessary to improve the health of the lake we all love!

LWF was founded by concerned citizens in 2005 – and from the very beginning, our founders understood the power of people working together. Our members are the engine that drives us forward. Our individual actions add up to something larger. It's because we work together that we succeed.

CHARITIES AND ADVOCACY

Advocacy to improve policy for the public good is a central component of the work of Canadian charities. But this wasn't always the case.

Beginning in the early 2000s, organizations across the country faced legal limits on their advocacy activities: a "charity chill" that culminated in 2012 with a series of high-profile political-activity audits undertaken by the Canada Revenue Agency. These audits were costly to charities, draining on staff, and could ultimately result in charitable status being revoked.

Understandably, many Canadian charities backed away from advocacy work. But not Canada Without Poverty, a small Ottawa organization that challenged the limitation on advocacy activities – and won! In 2018, an Ontario court found that limiting charities' advocacy amounted to a violation of the Canadian Charter of Rights and Freedoms. Later that year, the Income Tax Act was amended to allow Canadian charities to undertake unlimited public policy dialogue and development activities, as long as these activities are not partisan.

At LWF, we are leaning into this freedom. Alongside our members, we proudly advocate all levels of government

in recognition that effective solutions for Lake Winnipeg require policy change.

WORKING TOGETHER FOR CHANGE

Sustained community support has made the Lake Winnipeg Foundation what it is today: a tenacious advocate that works to influence policy, guide investment, encourage action and hold governments accountable to their commitments.

Together, we are bringing the concerns of lake-lovers to the tables of decision-makers and using our collective voice to push for meaningful change.

When you take part in summer events, you are directly supporting this critical work.

In contrast to the grants that LWF receives from governments and other funding agencies, which often restrict spending on advocacy (or exclude advocacy work altogether), donations from our supporters provide LWF with the resources necessary to push for evidence-based policies to reduce phosphorus loading to the lake.

Our successes are possible because we work together. Thank you for joining in our collective efforts to protect Lake Winnipeg – now and for future generations.

VB Club Executive Message

Happy summer everyone! It certainly has started out well. Weather has been fantastic, beaches are big again, tennis courts are done (ahead of schedule!), Moonlight Inn is getting fixed up and I haven't seen any algae (hopefully this hasn't changed by the time this article goes to print). We are already fully into the swing of things with our slate of VB Club activities. I hope that you and your families will have had a chance to participate in lots of the activities that the VB Club puts on. Of course, in order to do so you need a VB Club membership, which has gone up to \$75 this year. Still the best deal around, if you ask me. Now that the membership blitz is over, you can still purchase your memberships online or in person at the Tennis Kiosk (all day) or at the Library or Swimming Docks (during their hours of operation).

On a less positive note, do you have great memories of the slow bike races, egg tosses, three-legged races, etc. at Sports Day over the years? I sure do. Well, there won't be any of those memories from this year unless we find a convenor for Sports Day. It is scheduled for July 22. There are also other events that may be cancelled unless we

find convenors for them. A reminder that the VB Club is run by volunteers. It is impossible for Rec staff to put on all of the VB Club programming without help. So please consider volunteering to be a convenor or consider volunteering for some of the other unfilled positions with the VB Club.

On a much happier note, Comedy Night/Laugh Market is coming up on Saturday, July 8! Tickets are only \$20 and you can get them at the Moonlight Inn. Proceeds support the VB Club. There is a line-up of local comedy "legends" and then our own local "legend" Jason Quinton will be the DJ for a classic VB Clubhouse party. I have been told with some certainty that it will be "the best night ever". Sounds pretty good to me.

Finally, just a reminder that the best place for information regarding VB Club events is the VB Club Facebook page and Instagram (VBCLUBMB). There are often changes to the printed calendar that everyone receives with their Club membership.

Enjoy the week everyone!

GARBAGE & RECYCLING DEPOT – INFORMATION UPDATE FOR RESIDENTS

Our new Garbage & Recycling Depot is now open for business! Many thanks to the hard work and efforts of our Public Works Team for getting this new Depot ready for our residents on June 30. We will be working with the public to identify improvements or adjustments as we move ahead. There will be a generous grace period to work through the changes and transitions. Thanks for your understanding, patience and for constructive feedback. Any abuse of our staff is unacceptable and will not be tolerated.

Our Depot is solely owned and operated by and for RM of VB residents and renters. We are half owners of the Traverse Bay landfill with the RM of Alexander and our residents can use the Traverse Bay Landfill for items that we do not accept. Our Depot is a transfer station not a landfill or a dump. New signage has been ordered. A new supply of our passes will also be ordered.

Frequently Asked Questions:

1. Why do we need a fenced compound, staffed? What was wrong with the old site?

Safety Services Manitoba and MB Environment advised us that our previous system was dangerous for pedestrians, cyclists and vehicles given its location within the busy Public Works yard and the Fire Hall. Heavy equipment and emergency equipment need safe access to, from and within their work space. We started discussing and moving on this initiative in 2019, to better manage our refuse, eliminate illegal dumping and provide a safer location for all users and staff. This location was on municipal land, centrally located, not close to private properties, accessible by bike, foot, car, our garbage truck and our recycling bin provider, GFL.

MB Conservation advised us that we should have a fenced compound for our garbage to make it even harder for bears and other critters to get into our garbage. Bears that become nuisances due to our bad garbage habits are often euthanized.

Our Environment licence states the Depot must be staffed and hours must be posted. Our Depot is open from 9 am to 5 pm every day from May 1 to October 31. From November 1 to April 30 it will be open from 9 am to 5 pm, closed Tuesday and Wednesday. Traverse Bay landfill is also open 9 am to 5 pm.

2. Why do I need an RMVB/Traverse Bay landfill pass? Do I have to bring it with me? What if I own more than one property or rent my cottage? Can I get another pass?

Your new pass was included in with your 2023 Tax Notice. It was the easiest, quickest way to ensure that all property owners in the RM of VB received a pass before the Depot opened. The RM of Alexander fees for various items taken to the RMVB/Traverse Bay Landfill were also included, showing what costs will be incurred for specific items. We apologize that there was no explanation with the pass.

We have had Traverse Bay landfill passes for years, required when dropping off larger items at that landfill. Please bring your pass with you, or a photo of your pass on your phone, so we can determine who is using the Depot and to ensure that if a fee is required for an item, the property owner is identified and invoiced, or the fee is collected at the time. It will cost \$25 to replace a lost pass.

If you own more than one property we suggest you leave a copy of the Depot pass in the other property until more passes become available. If you rent your property leave the pass with your rental information in the residence.

3. What if I work between 9 am and 5 pm and I can't get my garbage and recycling to the depot until later? Did you consider extending the hours?

The Depot is open 7 days a week, 9 am to 5 pm. Staffing and staffing costs were factors in our decision regarding the hours of operation. The Depot has just opened – we will monitor the situation and

modify if necessary. Security cameras are in operation and residents or others who drop items off after hours may be fined.

4. What is happening with the green, metal municipal garbage bins on McCawley, Olafsson and Bella Dan?

All large, metal, green, satellite garbage bins previously located around the RM have been moved to the Depot location.

5. Can I get road-side garbage pick-up and can I still order a bear-resistant garbage bin?

Contact Public Works to request road-side garbage pick-up. We have 8 or 9 bear-resistant bins available at a cost of \$225. Contact Mike Bartmanovich at mike.bartmanovich@gmail.com to order your bin. 400 bins have been delivered to residents to date.

Please contact the RM office in Winnipeg at 204-774-4263 or by email at vicbeach@mymts.net or contact the Public Works office at 204-756-2286 during regular office hours if you have further questions.

Meet your VB Club Staff!

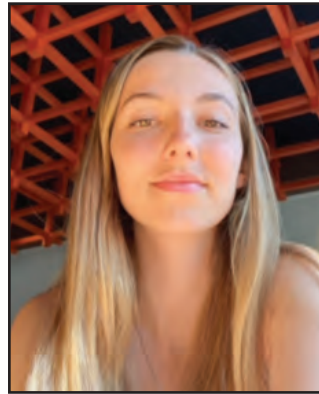

Library

Hello! I'm Mililani. I am 17 and I go to JH Bruns Collegiate Back in Winnipeg. I've been out at the cottage almost every summer since I was around the age of 7. My favorite things to do out at the lake are bike rides, reading in my veranda and going to beach right around the time of the sunset. My favorite book is Again, But Better by Christine Riccio!

Library

Hi everyone, I'm Izzy Dyck and I'm super excited to start my first summer as VB librarian! This fall I will be going into my grade 12 year at Kelvin High School. My favorite thing to do at VB is go to the beach, go on walks with my friends, and read outside in the sun. I'm so excited to kick off the summer at the library, see you there!

Arts & Crafts

Hello VBers! I'm Lily. I have been helping out with Arts & Crafts for 11 years now (since I was 8!) and I am thrilled to be returning for my fifth year running the program. I grew up in Montreal and have continued my studies there, heading into my second year at McGill University in Anthropology and Italian. Although I adore travelling and have had some unforgettable experiences around the world, VB is always my favourite destination. We have 6 weeks of amazing crafts coming up, so make sure to come by the Clubhouse every Tuesday for some creative fun.

VB Doctor's Office

Our first doctor is in residence. Dr. Paul Chochinov will be with us until July 16. Dr. Jonathan Brown will follow until July 23. We are still looking for a doctor for the period July 23 - July 30 and Aug 6 - 20. The doctors and their various associations have told us that the severe shortage of doctors is a problem everywhere.

Please welcome these doctors and their families when you meet them!

Again, clinic hours are 9:30 - 11:30 am except Sunday and Wednesday. 5:30 - 7:30 every evening.

Don't forget your medical card, your cash, ability to e-transfer or a cheque for any medications prescribed.

We need new members on our medical committee. Two of us are retiring after 10 years. This is a very Important and fulfilling committee to the community. PLEASE JOIN US!

VB Bike Jam 2023

This year's VB Bike Jam is fast approaching on Saturday July 15, 2023. It's an amazing evening celebrating bike culture here at the beach and raising money for bike related projects and organizations.

With another sold out event this year, the organizers are looking for two more Pit Stop Hosts in VB and Sandy Bay to round out the evening of biking and merry making. Hosts open their yards for two short parties over the evening and serve a signature drink of your choosing (honorarium provided). We'd love to stop at your place!

Eight at the Gate

Bike to the Beach

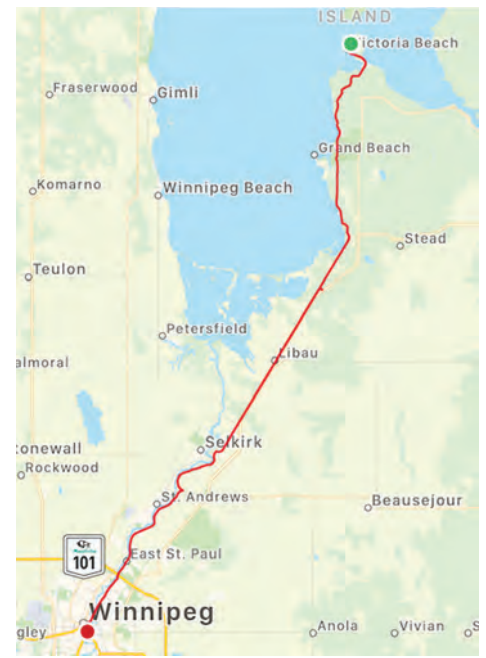

There are two ways to bike to the beach. For road bikers there is the annual “Bike to the Beach” fundraiser for the Lake Winnipeg Foundation now in its fifth year. There are two routes that riders will use. One (133 km route) starts at Mountain Bean Coffee on Henderson at Bonner and follows portions of the Trans Canada Trail north through to Birds Hill Park then east to Beausejour. After a rest stop the group is joined by others who elected to do the 75 km route, proceeding north from Tim Hortons in Beausejour on #12 and #59 highways to Victoria Beach. The event takes place this year on Friday August 11th. We have a number of our riders who are looking for sponsors. You can find their names on the <Bike to the Beach 2023> web page to donate. Please be generous as you support this worthwhile cause.

The other Bike to the Beach, (date TBA) while not a fundraiser, has attracted a few hardy gravel bikers. This ride follows the Trans Canada Trail as well, only starting at Village Green Bakery in the heart of VB. This ride is mostly on gravel and may involve stops at South Beach Casino and the Half Moon in Lockport as well as occasional rest stops for Ron.

Check the Bike to the Beach 2023 web page for information on that ride.

For information on other rides with the “Eight at the Gate” group you can pick up a brochure from the gate office or contact Bob Marshall cell 204 261 4292 email rmarsha@mymts.net or find us on Face Book “Eight at the Gate”

Duplicate Bridge Tournament

Mark your Calendars: Duplicate Bridge Tournament Wednesday, August 9, 2023

The annual Duplicate Bridge Tournament is scheduled for August 9, 2023 at the Clubhouse; games start at 6:30 p.m. Come and enjoy the breathtaking sunset as you play. Details to follow in future editions of the Herald.

For over 25 years we have been blessed to have two amazing co-ordinators for this special event: Donna Thain and Fran Pollard. They stepped down after the 2023 tournament. Upon hearing of their long-standing contribution, Heather Turzak, Club President, encouraged the Club Board to recognize their contribution to the Victoria Beach Club and bridge in particular. A plaque commemorating their extraordinary years of service was presented to Fran and Donna and now has a place of honour in the Club House.

Effective 2023, Fran and Donna are replaced by Mary McIntosh and Helen Forrest with support from Fran and Donna.

VICTORIA BEACH GOLF CLUB TURNS 100!

This year our beloved golf course turns 100 years old. It has been set up in many different configurations over the last century and it is hard to argue that it is not at its very best right now. We are so lucky to have access to this very affordable gem in our community.

In celebration of this milestone, one of our lifelong Victoria Beach and golf club members, wanted to do something special to observe this landmark occasion. To that end, Andrew Stelmack has created an original abstract artwork depicting our 9th hole that he has donated to be raffled off. All of the proceeds raised will go towards doing something special for our course. It is valued at \$2000! A number of ideas are being bandied about as to what to do with the proceeds raised and reintroducing an obstacle on the 7th fairway is at the top of the list. There has always been a large tree in the fairway and the empty space residing there now is eagerly waiting for something new to challenge golfers for the next 100 years.

Please be sure to get in a round of golf or purchase your raffle tickets soon. What a great opportunity to not only help do something special for the golf course in honour of its 100th year but you also have the chance to take a piece of it home with you to enjoy all year long!

Happy Birthday Victoria Beach Golf Course!

Andrew is an accomplished and well established Canadian, abstract, visual artist, and his minimalist cubist “Marshmallow Skies” landscape series, exploring the large swaths of prairie skies and Lake Winnipeg have achieved quite the following. This new landscape, specifically painted for us, is his first golf landscape and first-ever with a marshmallow sun. Definitely a collector item! The artwork depicts the ninth hole and is called COMING HOME/BREAKING 100! It is 20x60”, acrylic on canvas, and is framed. You can see the artwork in person, at the golf course, hanging in the pro shop. (The image you see here does not nearly do it justice!) You can learn more about Andrew and his artwork on his website www.astelmack.com

As well, Andrew’s love for golf doesn’t end here as he wrote a novel on Canadian golf great Moe Norman called SEND IN THE CLOWN, which has been rated as one of the best golf books of 2022. Two signed copies will also be given away as secondary prizes. You can purchase tickets to win the artwork (or the signed books) at the golf course. Raffle tickets are \$5 each or three for \$10.

VB Police Message

The July (Canada Day) long weekend will be past us when this article comes out. I hope everyone had a great weekend. The beaches are amazing this year, especially since we didn't have them last year.

A Fire Ban was still in effect at the end of June. Ensure the Fire Ban has been lifted before you have a fire or drive an Off-Road Vehicle (ORV) along a provincial highway in Victoria Beach.

I'm pleased to say that I am not seeing anyone with their dogs off leash. Thank-you for complying with the by-law and for keeping everyone safe.

Victoria Beach Police now have a portable radio to help keep officers safe. We are connected with Brandon Dispatch and are able to announce Traffic Stops and are able to put ourselves off at calls so that dispatchers can do status checks which are essentially checks ensuring the well being of officers. If a certain amount of time lapses, Brandon Dispatch will check with the officer to ensure they are OK. If the officer does not respond or if the officer calls for assistance Brandon Dispatch will contact the Powerview RCMP to assist them in checking the well being of the Victoria Beach Police officer. Being connected to Brandon Dispatch also allows us to check that vehicles are properly registered and that drivers have valid Licences. Warrant information and descriptions of suspects are readily available.

Each of the two Police trucks have Automated Electronic Defibrillators (AEDs). We have not had to use them but please remember you can also call Victoria Beach Police to respond to medical emergencies. 204-756-2322.

Thank-you.

Saturday July 29, 2023

Registration: 10:30am Bike Jam: 10:45-Noon

The VB Kids Bike Jam Returns!

We are very happy to announce the second annual VB Kids Bike Jam! The Kids Jam is a non-competitive, cycling scavenger hunt, meant to activate young minds and encourage cycling in the community. Children of all ages are welcome, grown-ups are encouraged to tag along with their little ones. We will have several VB Rec Staff available to supervise small groupings as needed. Bike Jam participants will receive a **Clue Card Passport**, which will guide them to mystery locations around Victoria

Beach. The kids must work together to solve clues, cycle to the locations, and complete mini-activities to earn their travel stamps. Kids and companions, don't lose track of time! You will need to be back at the Village Green by noon to enter to win the kids jam prize pack!

Interested in supporting the event as a location host?
