Good Bell

Hi everyone,

Well, it's been quite a start to the season. With a late spring, so much rain, and elevated lake levels that I don't ever remember being this high, I feel like July snuck up on us.

As you read this, there will already be a week of programming behind us. I am writing this on Canada Day (sorry for the late submission Kevin), but I have a good reason. The day started helping my wife, Yvette Matousek-Wilson distribute membership packages at the parking lot along with Heather and Heather (thanks ladies). I would like to thank everyone who ordered membership packages online. As of right now we have sold 311 memberships, 420 tennis shoe tags and 111 yoga bands, which is excellent. Next, it was off to the staff meeting. I am super excited about the staff this year, it is a good mix of returning and new staff and I think it will be a good year. Then a quick meeting

about the high water and swim dock install. I am hopeful that as you read this the docks are in, but if they aren't I assure you that every possible option was considered

As usual the VB calendar is packed with activities. This weekend is the 200-metre swim race on Saturday as well as a Mega GVS event at the tennis courts. On Sunday there is the 15+ soccer tournament, sandcastle building contest, and the book sale. If you have books to donate it is not too late. Bring them to the clubhouse Saturday July 9 between 12:30 and 3:00. For those of you staying the week there is the Kirbyson doubles clinic, ladies movie night and girls tennis day as well as all the regular events.

Wishing you all a safe, happy and sunny summer

Dave Wilson
VB Club Treasurer

Council Corner

We hope that everyone had a great Canada Day with friends and family!

The talk of the town these days is the flooding situation. If you've gone to most any beach in the RM in the last little while, you'll have noticed that there is a lot less beach than usual to go to.

The high water issue has been exacerbated with a lot of rain and high winds. Damage to our shorelines, our beach access stairs, and our berms and dikes is substantial to date, and it is reported that the lake will rise even higher before it crests.

EMO and Public Works are working hard to shore up the dike at Wanasing Beach. We are also monitoring the berms at Albert Beach, as well as using pumps in areas west of PTH 59 to drain water from properties south of David Road.

Council will continue to keep residents updated on the flooding situation through VBCONNECT, our Facebook page (@RMofVictoriaBeach), and

our website (VictoriaBeach.ca).

It's quite a segue from flood to fire, but we remind all residents to be fire smart. Keep leaves and other flammable materials out from under and away from buildings. Remember that a fire permit is required if you wish to enjoy an open fire in your yard. Permit applications are available at the Firehall.

And, oh those mosquitoes! Please help reduce the number of the little heathens by making sure there is no standing water on your property. Our shipment of dragonflies seems to have been delayed ...

Council meetings will be held here at the Beach throughout the summer. They happen the first and third Tuesday of each month and are held at the East Beaches Social Scene starting at 7 pm.

Until next week, Stay Safe and Have Fun!

Your RMVB Council

Celebrating our unique and wonderful biking community on **August 6, 2022!**

Hello VB friends! We are excited to announce that the VB Bike Day 2022 is going to be bigger and better than ever. What started as the traditional VB kids bike races, has evolved into a full day (and night) celebrating this unique community of pedal pushing beachlovers. So pull out that calendar, put all the asterisks on Saturday, August 6th, and let's have fun!

Use the map as a passport and receive stamps at every stop.

Oh my... well, FUN is one way to sum it up. Starting at 7pm, several super hosts around VB and Sandy Bay open their yards to the bike jam on this special night each summer. Teams bike around to spend a limited time at each stop mixing, mingling, sipping and nibbling with a few twists and turns between. Every team's final stop is at the Clubhouse/Beach to catch up, bust some moves and keep the party going 'til late.

The 2022 VB Swim team managed high demand to get everyone registered for swimming lessons this season.

Sometime during the week of June 27th, Shrek (a.k.a. "Shrek") was abducted from his home pole at the corner of 5th and Patricia. Those who perpetrated this heinous crime are not known at this time. Currently "the Bear" is holding vigil on the pole; however, he should be hibernating now. We appeal to the VB community to help Shrek make it back to his home safely!

This is a high intensity class, but all exercises can be modified as well. You can work at your own level. Please bring a water bottle with you to class a mat or towel if you wish.

This class replaces the traditional “old school aerobics,” (although old school aerobics may still happen) changing the name gives the instructors more flexibility as to what they want to teach you. Tubing bands might be used in this class and will be provided by the instructor; however, participants are encouraged to bring their own in case there is not enough to go around. Please bring a water bottle to class and a mat or towel.

ALCO-Sensor FST or Approved Screening Device (ASD) for roadside sobriety testing. Motorists are advised that the Victoria Beach Police can pull over any vehicle at any time to check the driver for a valid driver's licence and for sobriety.

On the subject of road safety, we remind everyone that there no off-road vehicles (ORVs) allowed anywhere at any time within the RMVB between the Friday before the May long weekend in the spring until the Tuesday after the Thanksgiving weekend in October in the fall. Watch for the new UTV operated by the VB Police which can be readily identified by the decals prominently displayed on the vehicle.

Wishing you a safe and fun summer.

Kevin Pawl, Chief of the Victoria Beach Police Service

As we enter into the full summer experience here at Victoria Beach, we need to remind cyclists young and old to always be careful on the roads and paths. There are many young children enjoying the freedom that a bike brings who need to be reminded to slow down at all intersections, to be respectful of others on the road, and to wear a helmet for those 12 years and under.

On the topic of safe cycling, highway cyclists need to be aware that under Manitoba's Highway Traffic Act, all cyclists must ride as close to the shoulder as possible and ride in single file. As an avid cyclist myself, I enjoy the open road and understand the risks. However, our officers will ticket those who choose to ride abreast with other riders, for the safety of those riders and to reduce the chance of being hit by a vehicle. I also ask motorists to respect cyclists. Remember... there is a person riding on that bicycle and they have a right to be on the side of the road. So, give them a metre or more when possible.

And on to water safety, the Victoria Beach Police Service is not able to offer marine rescue to swimmers or boaters who get into trouble on the water. Even experienced swimmers can get into difficulty, and children must be watched very carefully by a responsible person who is nearby. The big waves are fun to play in but make sure you have a buddy or a spotter. This is also true for canoeists, kites, kayakers and paddle boarders. Let someone know that you are out on the lake and be mindful of the weather and waves. The Victoria Beach Club offers swimming lessons for all age groups and levels, from age three to adulthood.

On the topic of water safety, consider wearing a life jacket when you go pier jumping, and designate one strong swimmer to be watchful for trouble. There are strong currents around the pier, especially with the high water that Lake Winnipeg is throwing at us this summer. Floating debris from upland flooding also produces deadheads that may suddenly appear.

All our Police Officers are now fully trained in the use of the

VB Library News

Hi VB!

We hope your first week of July was filled with many fun times and great reads! As promised the first book of the week is below. Come check it out or another one of our many new arrivals!

But first, an exciting announcement:

The book sale will take place on July 10 from 13:00 to 15:30 at the Clubhouse. We hope to see you there! You are welcome to drop off any donations at the library anytime.

Here is your book of the week:

Title: To Sleep in a Sea of Stars

Author: Christopher Paolini

Genre: Science Fiction/Fantasy

Age Category: YA/adult

Synopsis:

To Sleep in a Sea of Stars follows Kira, a xenobiologist, as she navigates through a complex world thrust into war as a result of her discovery of a mysterious alien artifact in the outskirts of the human explored universe. On the run and with nobody to trust, she must try to end the war she started before humanity is destroyed while navigating a host of other problems the alien relic throws at her.

This book is masterfully written by the same author who brought us the Inheritance Cycle with intense and beautiful descriptions, and a perfect combination of fast paced action, self-discovery and exploration of new thoughts, ideas, and worlds. Paolini has provided something all of us can enjoy in this book, so come check it out!

Happy reading,
Your Librarians

Tennis News

All tennis activities have been going since June 27 and have run smoothly with our group of capable tennis attendants. Last week two successful tennis clinics were held, a singles clinic with Robert Kennedy and a doubles clinic with Geoff Kirbyson. Thank you to both for sharing their time and expertise. Mega GVS was once again a great success, thanks to everyone for coming out for it.

As you probably noticed a tree fell onto court 2 damaging the fence. We thank Jeff Hughes (Treeworx) for removing the tree.

As a reminder, please use the bike racks near the west side of 4th Ave or outside courts 4-6 on the southside and not in the center area by the kiosk.

Signup sheets for Geoff Kirbyson's 2nd Doubles Clinic (Adult) being held on July 12th will be available July 8th at the Kiosk.

Girls Day Tennis is July 14th so signup sheets will be available July 10th at the kiosk. Thanks to Natasha Blair and Megan Strome for convening.

The Masters Tennis Tournament is set for July 16th and 17th, signup sheets at the tournament boards will be posted by Gavin Adamson and Geoff Kirbyson. A big thank you to both of you for convening.

The first Round Robin results for the year (June 27) are in and congratulations go out to Jacquie and Baergen.

Winnipeg. When you bid on one (or more!) of these beautiful pieces, you're supporting evidence-based freshwater solutions to address phosphorus loading, the root cause of algal blooms. It's a win-win!

This year's art auction has something for everyone, featuring woodworking, textiles, paintings and more from 12 different artists. Each piece celebrates the natural beauty of Lake Winnipeg and the surrounding area – and one of them is sure to look great in your cottage or home! Or, make your winning prize a gift for someone special!

For fans of previous years' auctions, returning artists include Margerit Roger, a ceramics artist whose work is inspired by the lake (the photo shows a platter and pitcher from her 'For the Love of Mud' collection), and Winnipeg-based Kal Barteski, who specializes in brush script typography and painting. Margaret Isbister's acrylic paintings will also be available once again; always popular, they feature notable landmarks from around Victoria Beach. Whether returning or new, we thank all contributing artists for their generous support.

How to participate:

- The Bid for Lake Winnipeg auction site will go live on July 15; find the link at lakewinnipegfoundation.org/artauction2022. Once you're there, you can explore photos of the artwork, plus descriptions and artist bios.
- Register to participate, then place your bid. Only the highest bidder wins and pays for the piece. No need to choose a favourite item – you can bid on as many pieces as you'd like, as many times as you'd like!
- Keep your eye on the prize (and the bids!) by checking the auction site often.
- Bids will be accepted until 8 p.m. on Aug. 6. Winners will automatically receive an email from the auction site. Please note, the artwork must be picked up from LWF's Winnipeg office. Head to lakewinnipegfoundation.org/artauction2022 for all the auction details – then join in on the fun for a great cause. Good luck – and happy bidding!

EIGHT AT THE GATE - CANADA DAY 2022

We had eight riders out at 08:00 for our ride to Lester Beach. A great group to ride with as always! From the left, "Team Russell" (Alice, Colin and Ella), Ian, Guy, Bob, Mike and Chris.

As our regular riders begin to return to VB, some after a long absence due to Covid restrictions, we continue to welcome new riders to our group. Riders come to VB from near and far - Altona to Vancouver, Switzerland to Texas - and from varied cycling backgrounds - road racing, touring, gravel, mountain biking. We

even see some triathlon types as well as few retreaded runners. There is a wealth of skills and knowledge we can pass along to riders new to our sport.

Please join us. As it says on the shirt, we leave from the "Gate" at 08:00 and ride to Lester Beach via Albert Beach, Hillside Road and Lakeshore Road. Our route is lightly travelled, so traffic is usually not an issue. Pace can average from 25 km to 30 + depending on wind direction and discussion topic of the day. Our rides are "no drop", meaning we regroup after hills and work together to help develop group riding skills.

For further information contact Bob Marshall cell 204-261-4292, email <rmarsha@mymts.net> or find us on Face Book at "Eight at the Gate".
