Way to go, VB!

Dozens of people combed the community for the Big VB Clean last Sunday picking up trash and pitching in to make a difference. These were some of the volunteers ... more in next week's Herald!

Last Summer's Best Spot in the Lot Winners!

We would like to extend thanks to all those who donated last year to help support our first responders, volunteer fire fighters and doctor's office.

We would also like to extend thanks to Kevin and Sandra Ateah. We appreciate you and all that you have done to help with this fundraiser.

Due to Covid-19, we were unfortunately unable to hold the raffle. We continued to have support of the Best Spot in the lot with several donations. The names of all donors were put into a draw and the winners are as follows:

1st Prize: - The best parking spot in the lot, reserved just for you for the 2021 season.

Marj Birley

2nd Prize: 4 free taxi rides for the 2021 season

Helen Willison

2021 Summer's Best Spot in the Lot Raffle

Due to Covid-19, we are still unfortunately unable to hold the raffle. If you would still like to continue to support our amazing community of front line workers and facilities so keep an eye out for us at events this summer as we will be still accepting donations. You may also drop your donation off at the Parking Lot with the staff there.

WE NEED YOUR HELP! It's time to pass this fundraiser along to another group of VB volunteers. This position only requires one volunteer but of course it is always fun if you have more! Unfortunately, after this year we will be unable to run the raffle and if there is no one able to there is a risk of not having anymore. Maybe you have the skills to run an online event, or have some creative ideas to change up this fundraiser. **WE NEED YOU!** If you are interested please feel free to contact me on my cell at 204-226-9057.

Just a small reminder while visiting the beaches area.....

Be respectful to yourself, be respectful of others and be respectful of the environment around you. If we all use these simple rules then fun can be had by all. Including our commendable volunteers who continue to keep us safe and save lives.

Sincerely,
Jona Green

VB Club Message

Welcome back to another fun summer at Victoria Beach. I am Heather Turzak and have returned for my second year as the VB Club Vice-President. For the past number of months, the VB Club Board, Officers, Event Convenors, Rec Director and the Rec, Tennis, Library and Swimming staff have worked incredibly hard to offer the most robust summer program possible within the parameters of the public health orders. As you would expect, our first priority is to the health and safety of all who attend and deliver the various VB Club activities and we appreciate your cooperation and support in the efforts being made.

During our opening week, a successful membership drive was completed with a big thanks to our Membership Convenor Yvette Matousek-Wilson. All memberships were processed and filled incredibly fast, and the pick-up process was easy, efficient, and allowed for social distancing. If you have not yet had the opportunity to purchase a membership, it is not too late! Memberships can still be purchased throughout the summer either online at the Victoria Beach Club website or in person at the tennis courts.

Thank you to all who helped with preparing our spaces for the summer programs - the Club-

house is open, the swim docks are in, and the community pulled together for the big VB Clean on July 4th. Thank you to Barbara Pritchard and Kristie Pollard for organizing this VB Clean Event!

The tennis season kicked off this week, kids have been registered for their summer swim lessons and the rec, tennis, swim, and library staff are trained and ready to go to host another great line up of events for the community.

In addition to the regular program, you can look forward to several special activities this week including a sandcastle building contest, the Kirbyson adult doubles tennis clinic, girls tennis day as well as a couple of events for the teens at the beach.

Although we included as many events as possible on the Summer Activities Calendar, please check regularly for updates on the VB Social media platforms: vbclubmb on Instagram, Victoria Beach Club on Facebook, and @Vbclubmb on Twitter. This is where you will find the most current information on which events may need to be modified or cancelled in response to the public health orders.

Take care everyone and enjoy your summer!
Heather Turzak, Vice President

About the Victoria Beach Herald

One of the longest continuously publishing community newspapers in Canada, now in our 96th year, the Victoria Beach Herald is a service of the Victoria Beach Club. The Herald prints nine issues each summer on Fridays from late June to mid-August. The Herald welcomes submissions from readers focused on family events, beach happenings, community issues, etc. Letters to the Editor are always welcome: they must be signed with the author's name and be written with the understanding that many people read the Herald, including youngsters.

Submissions should be sent via email to vbherald@shaw.ca. Those without access to email can place written submissions in the VB Herald mailbox behind the cash counter at the Victoria Beach General Store. Submission deadline is 4PM Fridays with the exception of VB Club event convenor submissions for events occurring on weekend days.

To support pandemic safety measures, the Herald is now available via newspaper boxes placed outdoors at the Parking Lot, the Golf Course, and the Village Green.

8 at the Gate - Canada Day Then and Now - 2006 - 2021

Watch the VB roads closely over the summer and you may see some of these riders still out there.

A zen teacher once asked his students why they rode bicycles. One said he rode to carry potatoes. Another cycled to see the world. A third said it cleared the mind, and a fourth said cycling put him in harmony with all sentient beings. The zen master was

pleased, but when the fifth replied, “I ride my bike to ride my bike”, the teacher sat at the student’s feet and said, “I am your student”.

Join us at 08:00 every morning and find your “zen”. We welcome adult riders of all abilities and provide a fun group to ride with. Our rides vary from challenging to not so challenging.

For information contact Bob Marshall cell 204 261-4292, VB land line 204 756-8255 or find us on Face Book at “Eight at the Gate”.

VB Doctor’s Office

Thank you to all who helped get the Doctors cottage and clinic open! Due to Covid 19 protocols our regular cleaning could not happen. However, we pushed forward and have now completed this important task.

Many thanks go to Dr. Carry Martens-Barnes once again, for being our head doc. Carry has given many years of service to VB and we owe her so much.

The hours for the clinic are:

9:30a.m. - 11:30a.m. every day EXCEPT Sunday and Wednesday
5p.m. - 7p.m. Daily

Phone number for the clinic is 204-756-6305

The clinic will run from July 1 - August 22.

MASKS ARE MANDATORY.

HAND SANITIZER WILL BE AVAILABLE.

Only ONE person in the waiting room at a time. Wait outside, and take your turn. Once inside please fill out the patient card for the doctor.

BRING your HEALTH CARD, CASH FOR PRESCRIPTION if needed.

Doctors:

July 4- 11 Dr. Linda du Toit

July 11-18 Dr. Carry Martens-Barnes

July 18-25 Dr. Kristyn Buchko

Over the years, the doctor’s cottage has been minimally upgraded. Your community committee tries to make valued changes each year in order to make the doctors stay as enjoyable as possible. Over the last few years, through your tax dollars, some of the flooring has been upgraded. Also, this year new beds were purchased. The stove was replaced with a used stove in 2018. As it has seen better days, the committee would appreciate anyone who would like to make a tax-deductible donation to the R.M. to replace the existing stove.

Your Community Medical Committee

Let me help make your financial game plan a winning strategy!

- Take and change your financial planning experience from typical to optimal
- Create a living plan that shows you where you are and what you need to do to achieve your goals
- Ace your cottage succession planning

Yacht Club News

All eyes will soon be on Tokyo, in what has been dubbed the "no fun" Olympic year. Well, closer to home, the fun-loving folks at the VBYC are finding ourselves ruminating on these ancient traditions of sport and competition. Every race, whether a royal regatta, or humble potato sack - has to have a start.

From shotgun, pistol, to staggered - a sound is critical to civilized and standardized racing. On the hallowed sands of Victoria Beach, the POW of the starter's pistol has replaced the sinister dissonance of the midge flies. Summer has undeniably begun. The temperature's rising, just like youthful curiosity for what goes on out there on that infinite blue expanse.

Whether you want to train for future Olympics, enrich your travel skills, or simply add juice to your beach experience - the VBYC Sailing School will get you one step closer to the podium, or paradise, or both. Regardless of your aptitude or aspirations, the friendships made are as colourful and infinitely connected as the iconic Olympic Rings.

Realize the magic that VB's coolest kids have tapped into for decades. Yacht Club membership and sailing school enrolment. We know it looks fun, that's because it is. Simply follow the sound of laughter to the deck of the Yacht Club and let your summer start for real.

A Wedding Story

The sun & the stars shone brightly on June 26th for Emilie Hayward + Toshio Nishimura. They were able to celebrate their wedding two weeks after their planned date.

Em + Tosh were married at our cottage with the magnificent Lake Winnipeg as the back drop. It was truly the most magical, heart filling, beautiful day celebrated with their closest friends and family. We missed all that were unable to attend in person but tuned in via Zoom or lined the Alex path to hear the vows.

A beautiful dinner was prepared by John Benningen and it was outstanding. Tributes were given as the sun set and we danced under 1000 Origami Cranes until the early morning hours. A heart felt thank-you to our neighbours and dear friends that all came together to make this happen from setting up to offering up cottages to accommodate last minute guests when the health restrictions were amended to allow us to have more guests. Em + Tosh were blessed to have Toshio's aunt, Bonnie Schroeder as the marriage officiant. Celebrating with the groom's parents, Gaylene + Richard Nishimura and sister Kiyoko and partner Hannah - our cottage was alive with energy and love.

It was so wonderful to have their entire bridal party able to attend at the last minute. Travel restrictions prevented Emilie's flower girls, nieces Miller and Davis (of Los Angeles) from attending as well as their parents Mike Drake and Amanda Hayward. We will come together in the future when it is safe to do so and celebrate the married couple.

Emilie has spent her summers at Victoria Beach since she was born, and Toshio was introduced to Victoria Beach ten years ago.

There is no place better to celebrate their love and union. The proud parents, Tom Hayward + Linda Nelson #teamhaynishforever

HAPPY ANNIVERSARY!

On June 26th, Sheila and Greg of 5th Avenue marked 40 years of happy marriage by enjoying a delicious al fresco meal at the Moonlight Inn, compliments of Aaron Vincent and Kaleigh Lysenko. A few other Grovers popped out of a nearby Saskatoon bush and surprised the young couple for a celebratory toast to the wonderful life they have built together.

Council Corner

Rental Properties:

Over the last few years Council has received complaints regarding some rental properties in the community. If you are the property owner, renting your property to someone for a weekend, a week, or the season, it is your responsibility to ensure that the renters know the rules and ways of our unique VB world. Please ensure that your renters have information available to read and review when they arrive. Please ensure that your summer renters:

- are aware of the vehicle restriction times and regulations if your property is in the vehicle restricted area
- know that respect for your neighbours is important at all times of the day or night
- apply for a fire pit permit if they intend to use one on your property
- know when garbage day is, and where the garbage and recycling area is
- are aware that ORV's are restricted
- know that speed limits need to be adhered to
- that municipal by-law and provincial statutes can be enforced by the VB Police on a complaints and drive-by basis
- know there are no life guards, no liquor or glass on beaches, no fireworks
- know that dogs must be leashed at all times and are only allowed on beaches between 8 p.m. and 10 a.m.

Vehicle Permits:

Permits to drive in the vehicle restricted area are approved by Council. There are medical permits, business permits, permanent resident permits and day passes. The staff at the Summer Information Office follow our direction but also have discretion to make on-the-spot decisions if they feel a request is warranted. The VRA is unique in Manitoba and we want to keep it that way. Do not abuse your pass if you have one, do not abuse our staff if they won't give you one or question why you need one. These passes are free and they are a privilege but they come with responsibilities and obligations for the safety of all residents and visitors.

Garbage, Garbage, Garbage: Household discards that should be taken to the Traverse Bay Landfill continue to pile up at the Public Works yard. If you can get your mattress, saggy old chair, broken microwave, decrepit barbeque, expired propane tank or other non-household bagged garbage to this area, you can definitely get it to the landfill which is about 2 or 3 kilometers east of PTH 59 on Highway 11. Landfill passes are free and can be picked up at the Summer Information Office or by calling Public Works.

There are also a number of small businesses in the area that specialize in smaller jobs like hauling large items to the landfill. They would really appreciate your business!

Finally, a big Thank You to everyone who has ordered a bear-resistant bin from the RM. While the RM's bins aren't the only option, please remember that starting in May 2022, garbage will only be collected where a bear-resistant container is used. Our current order of 100 bins has been delayed due to COVID interruptions, but over half have already been spoken for. Please contact Coun-

cillor Bartmanovich at mbartmanovich@victoriabeach.ca to order your bin so that more bins can be ordered ASAP.

If you already have a garbage container that you feel is bear-resistant, please drop Councillor Bartmanovich a line to arrange for us to have a look at it.

Have fun and Stay Safe!

Your Mayor and Council

These items landed well short of their correct resting place – the dump on Highway 11 and are now the responsibility of VB Taxpayers.

Online Art Auction Returns in Support of a Healthy Lake Winnipeg

The Lake Winnipeg Foundation's online art auction is returning for another year!

Bid for Lake Winnipeg 2021 once again features a diverse collection of unique work created and generously donated by lake-loving artists and makers. More than 30 pieces are up for bidding this year – including pottery, paintings, woodwork, photography, metal art, macramé, and more.

Included among the participating artists are several returning favourites from the 2020 auction: Mark Blieske of Sunset Paddles has contributed another amazing hand-crafted paddle; Alan Lacovetsky of Oak Hammock Pottery has donated a strikingly beautiful vase; beloved Manitoba artist Kal Barteski has offered one of her signature #kbscript prints; and VB's own Robin Jewers and Jill Patrick have provided their distinctive photographic art and laser-cut wooden maps, respectively.

We are thrilled to welcome back these accomplished creators – and excited to welcome many new contributors from across Manitoba and beyond! Some of the 30+ pieces available are featured in the accompanying image (clockwise from top left; photos by Tia Landry and Madison Yogis): ink and mixed media art piece by Francois Masse; pottery vase by Alan Lacovetsky; ash and walnut otter tail paddle by Mark Blieske; ceramic platter by Margerit Roger; reclaimed maple charcuterie board by Steven Regehr. On behalf of everyone involved with the 2021 auction, thank you to all artists

for sharing your considerable talents in support of a healthy Lake Winnipeg.

As the old adage goes, necessity is the mother of invention. In pre-pandemic times, a small art auction was held as part of the annual Victoria Beach & District Walk for Water, a signature summer fundraiser for the Lake Winnipeg Foundation (LWF). Unable to hold an in-person event in 2020, organizers pivoted to a virtual campaign which included moving the auction online, too. Not only did Bid for Lake Winnipeg 2020 raise almost \$3,000, hosting the event online allowed citizens from beyond Victoria Beach to join in the friendly competition!

All proceeds from the 2021 auction will be used to support LWF's ongoing work to address the root causes of harmful algal blooms. This work includes advocating governments to implement evidence-based policies and practices, coordinating on-the-ground citizen science as part of the Lake Winnipeg Community-Based Monitoring Network, and educating tomorrow's water leaders through targeted support for students.

Bid for Lake Winnipeg runs until Aug. 6 at 11:59 p.m. You can find more details, plus a link to the online auction site, at lakewinnipegfoundation.org/artauction2021.

sions of all pieces will be posted.

- Only the highest bidder wins and pays for the prize.
- Keep your eye on the prize (and the bids!) by checking the auction site often. No need to choose a favourite – you can bid on as many pieces as you'd like, as many times as you'd like!
- Winners will be notified once the auction closes.
- Payment can be made through the auction site, or directly to LWF by cheque or credit card.
- Important note: Shipping will not be offered. All winners must arrange to pick up their piece at LWF's downtown Winnipeg office by Sept. 10, 2021.

Whether you're keen to find the perfect piece for your home, of-

fice or cottage, or get a head start on all your holiday shopping, by supporting LWF's online art auction, you're making a healthy Lake Winnipeg possible.

Good luck and happy bidding!

A reminder that the 2021 Victoria Beach & District Walk for Water is scheduled for Sunday, Aug. 8. This annual fundraiser is an opportunity to join together as a community in support of freshwater solutions. This year's event will take place outside at the Village Green Stage; check-in is at 9:45 a.m. and the walk starts at 10 a.m. LWF is following all public health regulations to optimize the safety of all participants and will adapt planned activities as needed. Find more details at lakewinnipegfoundation.org.

Library News

Hi everyone!

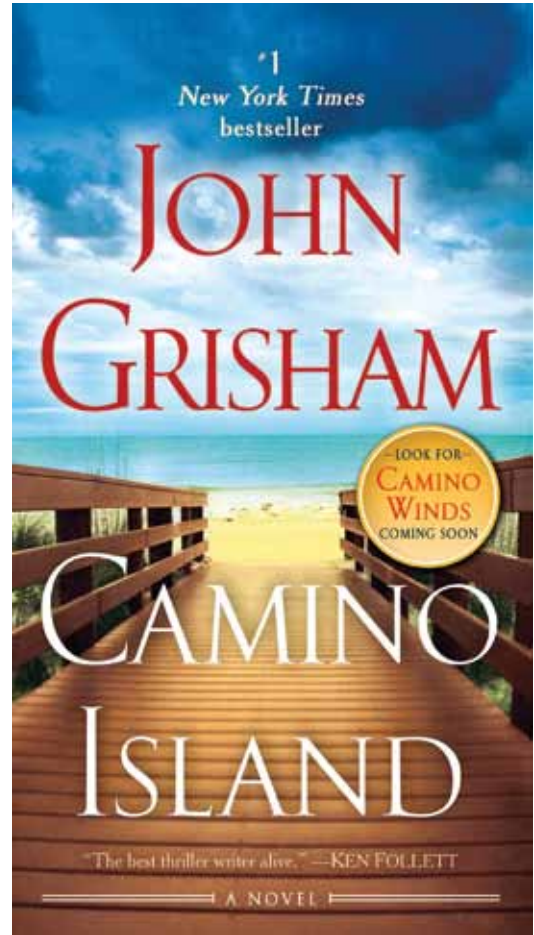

We've just purchased an assortment of new kids, adult, and teen books. Come by and check them out! If interested in the book club, please come fill out a sign-up sheet with your name, age, and a preferred genre so that we can gauge interest.

As promised in last week's Herald, here is our book of the month:

Name: Camino Island
Author: John Grisham
Age group: Teen/Adult
Genre: Thriller

John Grisham's readers will know that he almost exclusively writes legal thrillers; fortunately for us, he strayed to write a crime thriller that will keep you at the edge of your seat. The book follows a struggling author on vacation leading her own investigation into the theft of F. Scott Fitzgerald's priceless manuscripts while simultaneously telling both the law enforcement's and thieves' side of the story. It was met with such critical and popular praise that a sequel was written and a movie is being made based on it. We highly recommend you come check it out!

Happy reading,
Scott and Stephen

Tennis News

Most tennis activities have been a go since July 5th and have run smoothly with our group of extremely capable tennis attendants. July promises to be a continuation of our usual excellent summer activities. Our first adult GVS was held on Saturday, July 3, and based on participation and enthusiasm, future events will continue to be fantastic. Due to COVID restrictions, all July tournaments had to be postponed. As Manitoba COVID numbers drop, we are optimistic that tournaments will be allowed to return come August. Tentative dates, and as we stress TENTATIVE dates are: Masters

Tennis Tournament August 7 and 8, Junior Tennis Tournament August 12 and 13, and the Senior Tennis Tournament September 3 to September 6. We reiterate these are TENTATIVE dates!!!! Enjoy the heat and enjoy the tennis!

PLEASE REMEMBER: TENNIS IS ONLY A GAME, YOUR HEALTH AND SAFETY ARE NOT, RESPECT YOURSELF, RESPECT ONE ANOTHER, BE SAFE!!

Meet the Swim Staff!

The swim staff poses with our brand new gangway to the swim docks. This all aluminum, light weight, non-slip composite deck structure will bring pleasure to all our young swimmers for years to come. Thank you to Greg Edwards, Dave Wilson for their countless hours bringing this project to fruition over the winter and to the VB Club for their support of this wonderful project. As well we would like to thank Bruce Marshall and Mack Parisienne for their valuable contributions to the install and construction of the new gate and moorings.

Hi everyone! My name is Avery Edwards and I am super excited to be the Head Swim Instructor this year! I am currently going into my third year of mechanical engineering at the U of M and am heavily involved with the engineering faculty student council. The best way to distract me from making you swim laps is striking up a conversation about marvel movies or any type of musical. I can't wait to see you all down at the dock!

Hi I'm Finn I'm a student at the university of Manitoba finishing my second year in sciences! I like sports, video games and movies! If you see me around, feel free to say hi and I look forward to seeing you at the dock!

Meet the Swim Staff!

Hey everyone, I'm Matt! Just wrapped up my final year in French Immersion at Massey and am entering the Rady Faculty of Health Sciences at U of M this coming year. Really looking forward to another fun season of teaching swimming at the beach. Here's to a long, warm VB summer – we all deserve it!

Hi, I'm Blake, and I'm back for my second year of teaching swimming at VB. I just recently graduated from Westwood Collegiate and am going into the Faculty of Education at the University of Winnipeg in Fall, majoring in history and minoring in math. I'm pumped to be back and can't wait to enjoy the summer!

Surprise! Duncan Lamont is back teaching swimming for one more summer. Hi, I'm Duncan. I just finished my second year of electrical engineering at the U of M and am super excited to be teaching swimming once again. I hope to see you all down by the dock this summer!

I Gave To The Tennis Campaign Last Year - Should I Donate Again?

The Capital Campaign to redo the tennis facility is at a critical point. The likelihood of the VBCC Club receiving the matching provincial grant is fair at best. Hundreds of Manitoba communities have applied for the grant and although our application is very well done, we can't rely on this possibility.

Someone asked me if they need to donate again this year, and I suggested that until our funding reaches our goal of \$550,000, we should treat the cost of our tennis memberships as if we were paying for similar tennis memberships in Winnipeg.

As an example, Taylor Tennis Club would charge you \$250 for a summer membership which does not include your payment for the use of indoor courts.

Kildonan Tennis Club offers seasonal memberships for \$375. Tuxedo Tennis Club offers seasonal memberships for \$300

A VBCC TENNIS MEMBERSHIP COSTS JUST \$15 BUCKS.

Why not buy another brick this year for \$250 to help us reach our goal? Or, become a builder at \$2,000 (\$667 for 3 years) and receive a special engraved brick, a personalized plaque and other recognition. Go to <https://www.victoriabeachclub.com/tennis> and make an online donation.

I know we can count on the VB Community to get us there.

If you have any questions about the campaign or to become a builder, please contact me personally. The campaign tent will be set up every Saturday during the tennis season from 2 - 4pm in the village green. We can process cheques or in person credit card donations at that time.

"Let's Rally for the Future"

Letter to the Editor

Having observed an astonishing number of dogs leashed and otherwise on the beach during the day I inquired of our wonderful Reeve if the bylaws had been amended. I was assured that, as signage clearly states at the access points to almost every beach, dogs are not permitted on the beach between the hours of 10:00 am and 8:00 pm and are never permitted if not on a leash. I was told that while the municipality employs an animal control officer that person does not patrol the beaches. Not sure what that person might do otherwise but here we are.

Everyone loves their good boy but let's all be responsible. Pick up after your dog and take that baggie home to the trash. In a pinch flick that poop into the bush with a stick rather than tossing plastic. Keep that good pup home in the shade during the heat of the day and make sure he/she is on a leash when exploring our lovely surroundings.

Cheers
Catherine Fast

VB Country Market

The VB Country Market is up and running – welcoming so many vendors and shoppers this summer.

The market entrance is on the parking lot of the Victoria Beach Community Centre (VBCC). The market runs every Saturday from 10AM to 1PM until September 4, 2021. All COVID protocols are in operation for a RETAIL environment. This means that whatever is happening when we grocery shop – the same will be done at the market and thank you in advance for your cooperation.

The VBCC is continuing future development plans that saw the installation of a play structure. The parking lot for the Victoria Beach Community Centre has been modified to accommodate accessible parking and assist in traffic flow for all visiting the community centre. The parking lot will allow for the parking of about 160 vehicles and the traffic patterns have changed.

We thank all community residents and members of VBCC for assisting in this redevelopment plan.

The breakfast volunteers are offering breakfast starting at 9:00AM on a takeout basis with hot dogs available at 11:30 until 1:00 PM

VBCC is looking for volunteers to help at market or canteen. If you are interested, please email vbcountrymarket@gmail.com or call Carol at 204-880-0025.

This summer we are also running a raffle (LGCA 1723 RF-35897) The Best Sleep of Your Life -- \$5.00 for a ticket to win a Queen size Riviera Mattress and Boxspring valued at \$2,000. Thank you to Dave's Furniture and Appliances of Powerview-Pine Falls for the

donation. Only 1500 tickets available – draw will be held Saturday October 9th 1:30 pm at the VBCC. Draw proceeds will be used to purchase accessible play equipment for the new playground – so all our children can enjoy. In addition to that – we will work to enhance the skate park or outdoor concrete pad to encourage older children to enjoy the area as well.

The Merry Makers Rummage drop off continues throughout the summer. If you are dropping off in the containers beside the skating rink – please remember to bring items in closed flat boxes and/or garbage bags that can be carried easily by the Merry Makers – women. Any electronics are to be in working condition or please recycle. If you have any questions, please call Lynn at 204-754-7557.

See you at the Victoria Beach Community Centre.

IN MEMORY OF JOHN EVANS

John Evans passed away on January 17, 2021. John was the Manager of the Victoria Beach Golf Course from 1990 to 2008 and was the mastermind behind many golf course improvements completed during those 18 years. These improvements included the replacement of all concrete tee boxes with grass tees, extensions and enhancements of some holes and fairways, purchase of new equipment and

automated sprinkler system. John was also instrumental in planning and overseeing the completion of many other operational improvements at the golf course during his tenure.

John managed the golf course like he owned it. He worked many hours, often 6 days a week, on a set contract so all the extra time he put in was at no additional cost to the Municipality. He even had Anna, his spouse, helping out in the clubhouse from time to time.

He was an outstanding money manager, always getting the maximum value for every dollar spent by the Municipality. John closely scrutinized "his" golf course budget and his management skills resulted in annual golf course operating surpluses in most of the 18 years he managed the course.

John's remittances were always in balance with his paperwork, except on one memorable occasion. On that occasion, John brought the week's receipts into the office and handed the envelope to me

which I in turn handed to a co-worker for review. Upon counting the cash, the co-worker indicated to John that he was short \$20, which raised his eyebrows. He promptly took \$20 from his pocket to balance the receipts with the cash. But that wasn't the end of it. The following week John came to the office with another deposit, but this time handed it directly to the same co-worker to check for accuracy while he "purposely" discussed various other matters with me. And wouldn't you know it, after counting and double counting the cash the co-worker advised John that the cash was over by \$20... John seemed surprised. I don't think he was surprised because I'm certain he planted an extra \$20 to satisfy his suspicion. Not a word was ever spoken about it and John was probably convinced after his "test" that the co-worker was honest (which I already knew). That funny moment was a perfect example of who John was – you had to earn his trust and respect.

John was a fantastic person to work with, very knowledgeable, competent and a no-nonsense kind of guy who wasn't averse to questioning how or why an expense was allocated if it had anything to do with "his" budget. But he was always respectful, kind and considerate.

In 2008 the Municipality awarded John a lifetime membership to the Victoria Beach Golf Course in recognition of his outstanding service as Manager of the course. His greater achievement was a life very well lived and his positive impact on those who were fortunate to know him well. Rest in Peace, John

VB Ladies Golf Tournmant – Extra Tee Times Added

Due to overwhelming demand and how quickly the first 72 spots filled up, we are pleased to announce that we have opened up another Tee Time Slot at 3:00 PM for the Ladies Tournament. This, just like the other slots, will be a Shotgun start at 3:00 pm and all the same fun on course games will be available for both the novice and the seasoned golfer.

The cost is only \$10 for the tournament and \$17 additional for the green fee if you are not a member of the VB Golf Course. Registration is open now and you must pay both the \$10 plus the green fee upon registration. You will also be asked to provide your email address and phone number at registration.

Our charity of choice this year is the Heart and Stroke Foundation, and we anticipate raising some funds for this great cause through a few of our \$2 pay to play games on the course.

We are hoping that the same enthusiasm carries through, and we fill all 36 golfing spots in this extra tee slot. Sign up as a single, a twosome, threesome, or a full foursome.

We thank you for your promptness in registration as well as your patience as we have navigated the health orders to ensure the safety of all.

As a committee we did not want to turn anyone away and therefore we are hoping that we are able to get everyone golfing and having a great day on July 28th.

Sign up and pay in person at the VB Golf Course soon – the first 36 spots sold in the first hour ... let's fill these 36!

VB Yoga

Welcome back to the beach! We will be running a small & safe Yoga program in the clubhouse according to the latest “group fitness” public health order guidelines - starting July 5th. Classes will be held in the clubhouse with a maximum of 20 students (first come first served), physically distanced and masks required.

Monday, Wednesday, Friday
10am - 11:15am (one class only)

If we are turning people away because classes are full then we will adjust times and add additional classes if needed. Please check the VB Instagram and Facebook page for all yoga updates.

We have some of the same fantastic instructors from last year joining us including, Natasha Lennon on Fridays, Kelly Cowan on Mondays, plus a few other guest appearances from Noah Krol, Susie Fisher, Adrienne Shum & Phil Rosario.

Any questions or concerns please feel free to email Mairén at mkops@hotmail.com.
